TWO MAMMOTH BUILDINGS

COMPLETELY FILLED WITH A MOST DESIRABLE STOCK OF GOODS OF ALL GRADES, CAREFULLY MANUFACTURED FROM THE BEST MATERIALS, AND WHICH WILL BE SOLD AT FIGURES WHICH NO DEALER AT MANUFACTURERS' PRESENT PRICES CAN AFFORD TO OFFER.

This unequalled selection has either been especially manufactured by myself for my own trade or bought from manufacturers in need of funds at prices actually below the cost of producing them. Investing heavily wherever such favorable opportunities offered, I am now in a position to offer my customers and the public generally bargains in every department of my warehouses as unquestionably cannot be obtained at any other house in the trade, simply because I bought up all the bargains that were to be had in the market at either public or private sale.

My patrons will share in the above investment, as it is absolutely necessary to dispose of these goods in order to make the balance from the manufacturers, for which I had no storage room; and the entire stock will be sold at an exceedingly small profit. No better opportunity than this can be had for those in need of Furniture and Carpets to furnish their houses with reliable goods at a trifling cost. My customers are the best reference, from whom intending purchasers can get all information regarding the standing of this house.

IN ORDER TO ACCOMMODATE ALL BUYERS, I WILL SELL FOR CASH OR CREDIT, AS BEST MAY SUIT PURCHASERS.
