"TEN DOLLARS TO THE RIGHT OF US! TEN DOLLARS TO THE LEFT OF US! TEN DOLLARS ALL AROUND US!"

In fact it seems to be TEN DOLLARS in every direction," remarked a quiet-looking gentleman, as he stood viewing the vast array of beautiful ALL WOOL TEN DOLLAR SUITS at the Great Clothing Emporium of HIRSHKIND & CO. "Is it true," he continued, "that HIRSHKIND & CO. have determined upon this course to end competition?" "Such is the fact," replied a polite salesman. "You see before you suits of every variety of Color, Style and Pattern, perfect in FIT, FINISH, and DESIGN; made by the most skilful workmen, under the supervision of experts; of UNSURPASSED WEARING QUALITIES, equal in every respect to the FINEST CUSTOM MADE WORK, and GUARANTEED to be ALL WOOL, for TEN DOLLARS." HIRSHKIND & CO. were the first to introduce the Great Coöperative System of RETAILING Clothing at WHOLESALE prices, thus saving their customers 25 PER CENT., and they are fully warranted in adopting the course they are now pursuing. They know and expect the public will take advantage of this unparalleled opportunity to dress well for the merely nominal sum of TEN DOLLARS. They also know that thousands of suits will be sold which should have brought higher prices, but in the end HIRSHKIND & CO. will have advanced still further their great reputation for being the CHEAPEST, the BEST, and the most LIBERAL Clothing House in New York. This offer can only remain open for a few days. Therefore any man who desires
