-Happy days and restful nights result from using Ayer's Sarsaparilla. It so regulates all the bodily functions and strengthens the nervous system that werry and fatigue are comparatively unknown and life is truly enjoyed. It is certainly a most wonderful medicine.

-We are requested to state that there are thirty-two dollars in the hands of the committee of the B. of L. E. -The Wallace Herald has the follow ing to say of a young lady well known in North Platte, having attended school here during the present year: Miss Josie Hofmeister has been deriving considerable enjoyment from the chase this week, and a number of fleet-footed jackrabbits have skipped their final skip. -The Knights of Pythias observed last Sunday as their Memorial Day. In the afternoon they went to the cemetery in a body and decorated the graves of five former members of old Friendship lodge, and held ritualistic services over the resting place of Ralph B. On Thursday evening next the Odd Fellows and members of the Rebekah lodge of this city will meet at their hall at ball past six o'clock and proceed to the cemetery where the graves of decessed members will be appropriately decorated. And at half past eight o'clock the members with their friends will assemble at the lodge room where impressive Memorial exercises will be conducted. P.S. -Willis Cobb, the veteran, courteous and obliging press agent of the Cook & Whitbby circus, gave this office a very friendly call Saturday and highly entertained the writer for a half hour or so. In Mr. Cobb's estimation there is nothing too good for the newspaper man, and our thanks are due him for the many courtesies shown. He spares no pains in making the members of the press per annum for each lamp, and that the comfertable at the show and takes ties obtain considerable revenue from pleasure in "showing the boys around
