PROF. LIVINGSTON,

916 BROADWAY. WHY DO LADIES GO TO PARIS FOR THEIR DRESSES? WHY DO ladies have their dresses IMPORTED? WHY are the American ladies so anxious to get imported designs? BECAUSE they must admit that FRENCH dress cutting is far superior to the old style of charts, machines, or so-called fashion systems. They cannot give the ease, grace, and BEAUTY that the FRENCH system gives. Every shape and curves of a lady's form is so accurately pointed out by square measure that a perfect fit is guaranteed for any shape or form without guesswork or trying. AND it has been decided by all the leading HOUSES, cutters, and designers in New York to be the only perfect system ever INVENTED, and is now in USE in HUNDREDS of the leading houses. I TEACH EIGHT styles of waist—the double and single FRENCH BIAS OVER HIP Bloomer waist, the TWO DARTS above and one below, LONG COATS and house wrappers, MATCHING plaids and STRIPES, skirts, collars, and SLEEVES, DOUBLE and single-breasted coats. THE only place in New York where ladies can learn draping, designing, and reproducing by measure. FREE draping lessons every Friday. SEWING lessons on Saturdays, where ladies are taught how to finish all styles of waists and TAILOR-made FINISH. Patterns cut to order, and a perfect fit guaranteed.
