"Kangaroo" is comparatively a new leather; very soft for tender feet. Our Kangaroo Oxford Ties, $4.50; the same shoe elsewhere $6. Calfskin Ties, $2.50, $3.50, and $5, correspondingly below the market. Patent leather shoes of high and low cut, but all at low prices. Ditto of russet and canvas outing shoes.

It would be strange if our shoe trade did not double when we recently cut $1 or $1.50 off the price of every man's shoe we handle without lowering the quality a cent.

Those $3 and $3.50 Vacation Suits for boys that we recently introduced are so much better than anything in the market at approximate prices, they are being selected by parents for all uses; whereas our idea was chiefly to supply an extra suit where more expensive clothes are usually worn.
