To the Stockholders
OF THE
CONTINENTAL CONSTRUCTION & IMPROVEMENT COMPANY.

Those who are willing to join us in securing an early distribution of the assets of this Company, consisting of FITCHBURG PREFERRED AND COMMON STOCK, of which each share of this Stock is entitled to half a share of the Preferred and one-third of a share of the Common Stock, are invited to send their names to us on or before the 16TH DAY OF DECEMBER, 1889.

FITCHBURG PREFERRED STOCK is now selling at 91, which shows a value of 45 1-2 for our stock (without placing any estimate on the value of the Common to which they are entitled), while the market value of CONSTRUCTION Stock is 36 bid, 40 asked.

The only ground assigned by your Directors, MESSRS. EDWARD DE ROSE, CARL H. DE SILVA, DANIEL B. HATCH, WILLIAM H. HOLLISTER, RUDOLPH KEPLER, LEWIS MAY, WILLIAM MERTENS, ROBERT S. MINTURN, R. H. BEARSE, JAMES O. SHELDON, HENRY K. SHELDON, GEORGE WARREN SMITH, AND CHRISTIAN VON HERSE, for withholding the present distribution of the stock among the Stockholders is the Burt suit, so called, for the nominal sum of $3,000,000, which could long since have been compromised for about $47,000, and the Directors have offered $25,000. This difference of about $22,000 is the ground alleged for withholding the present distribution of the assets of the Stockholders. Meanwhile the expenses of the BOSTON, HOOSAC TUNNEL AND WESTERN organization and of the Trustees are running on, and the custody of the Preferred and Common Stock is withheld from the rightful owners thereof, and the value of the CONSTRUCTION Stock so hampered is forced, by the necessity of some of the Stockholders, upon the market at the price named. While it has been within the power of the Directors to distribute the Preferred Stock, it has declined from above par to 62 per cent.

In sending your name please specify the number of shares held.
