SHE LOVES ME

or she loves me not. 'Tis thus a tiny flower decides a lover's lot. But, when he comes to look upon my

HASBROUCK HEIGHTS

so fair, he may in common sense select a lover's lot right there, and if a pretty house he'll build and found a happy home, he'll

NEVER DISAPPOINTED

be and from the Eden roam. Why should he, when I help him build on little cash, make easy terms, and place the foundation of a home within reach of everybody respectable. Hasbrouck Heights is by far

THE MOST PICTURESQUE

place anywhere near New York; is thoroughly developed, has the improvements which give all the benefits of city life, favored with the fresh air and the more liberal and less cramped space of the country. The world looks fairer to a dweller in a home of his own in the Heights than it can look in the most elegant flat in New York. Plenty of trains, short time travelling (less than in going to Harlem), theatre and shopping trains, bring the place nearer to New York than any part of the city above 100th st. Come and look, and you

DO NOT HESITATE,

but buy at once my story book, "The Home Winner," for one year and ticket free.

JERE. JOHNSON, Jr., 60 Liberty st., New York; 283 Fulton st., Brooklyn.

WHAT IS YOUR RENT?

Let me know that, my friend, and I will tell you how it will buy a home for you, instead of filling a landlord's pocket with dollar bills to which the sweat of your brow clings, and filling you with worthless rent receipts.

If you want a home to buy, if you can find one to suit, to build, if you can't find one to suit, I am here to help you in both cases.

I have broken up more frauds in the building loan line than any one man in New York, and I have never yet allowed a man to be cheated, if I could help it. I do just what I promise to do every time, because I never promise more than I can do. I can refer you to scores of people, who like you were paying rent, and would have kept on forever doing the same thing had not I helped them do better. I will give you their names and you will find

EVERY CUSTOMER A FRIEND,

whether he is in the home I furnished him for only a day or two or for a few years. My "Home Winner" free one year.

Tell me, just as you would a friend:
1. How much cash you can pay. 2. How much monthly. 3. What you want. 4. Where you want it.
