Notice for the Special Use of Ladies.

The immense success of the Poudre de Riz de Java (Face Powder) of A. Bourjois & Co., 12 and 14 Boulevard Saint Martin, at Paris, has tempted imitators. A judgment in favor of the manufacturers has been rendered at Munich in 1889 against a counterfeiter. To be sure to obtain the genuine Poudre de Riz de Java, soft, and fragrant, invisible, ladies will act wisely not to take any box which does not bear the stamp of the Union of the Manufacturers of France (UNION DES FABRICANTS DE FRANCE).

We need not speak to you of the advantages of coming early. You know that a goodly number of the very choicest suits will not be here long. Take our advice and be on hand in the morning.
