A GREAT MEETING.

Many Prominent Persons at the Twenty-third Regiment Games.

A military, athletic, and social success was achieved by the Twenty-third Regiment Athletic Association last night, at the regimental armory on Clermont avenue, near Myrtle, Brooklyn, when the second games of the organization occurred.

Excellent management, very closely contested events, and an attendance, probably one-third of whom were ladies, whose bright costumes lent a ray of picturesqueness to the work of the athletes—all contrived to render "Gurs" efforts, as usual, a great success.

The programme was decided with military precision, event following event in rapid order, while Bandmaster A. D. Fohs and his musicians rendered a very fine programme of popular airs with great effect.

The final pull in the tug-of-war was one of the most exciting struggles ever witnessed, the ribbon vacillating between the two sides throughout, amid the most intense excitement. The results follow:

Two-hundred-and-twenty-yard Hurdle Race, over ten hurdles, each 2 feet 6 inches high, handicap—Won by Frederick S. Greene (scratch), with A. G. Sherwood, Company I (7 yards), second, and Herman Shalter, Company D (6 yards), third. Time, 32 seconds.

Quarter-mile Run, Handicap—Won by Frederick S. Greene, Company F, scratch, with Frederick W. Walker (10 yards), second, and George A. Wingate, Company D (12 yards), third. Time, 1 minute 3 2-5 seconds.

One-mile Run, Handicap—Won by J. B. Ketcham, Company F (20 yards), with Will Conklin, Company I (scratch), second. Time, 5 minutes 24 3-5 seconds.

Tug-of-war, teams four men, total weight limited to 650 pounds—First time pull, won by Company K's team, consisting of Philip Lowe, 1; A. Faverot, 2; J. W. Crosby, 3, and G. H. Stober, anchor—defeating Company C's team, the personnel of which was H. C. Crosby, stp, 1; W. A. Strong, 2; N. T. Sanders, 3, and F. Fisbech, anchor, by 7½ inches.

Final pull between Company D's team, consisting of J. B. Cole, 1; C. F. Smith, 2; W. H. Robinson, 3, and W. F. Bryant, anchor, who defeated Company K's team by 34 of an inch.

Running High Jump, Handicap—Won by G. M. McLisker, Company I (2 inches, with an actual leaper 5 feet 8 inches, just equaling the record); James F. Hardy, 3 inches, just equaling the record; James F. Hardy, Company B (2½ inches), was second, with an actual jump of 5 feet 2 inches; J. S. Martin, Company H (2 inches), was third, with 5 feet 1 inch.

Fifty-yard Dash, Handicap—Trial heats. First heat won by R. H. Berry, Company G (6 yards). Time, 6 1-5 seconds. Second heat won by Charles H. DeWitt, Company B (6 feet). Time, 6 seconds. Third heat won by F. Cavanagh, Company B (6 feet). Time, 6 seconds. Final heat won by Cavanagh, with Berry second, and DeWitt third. Time, 6 seconds.

Two-hundred-and-twenty-yard Run, Handicap—Trial heats—First heat won by Frederick S. Greene, Company F (scratch), with R. H. Berry, Company G (6 yards) second. Time, 26 seconds. Second heat, won by Edwin Codit, Company K (7 yards), with A. G. Sherwood, Company I (5 yards), second. Time, 28 3-5 seconds.

Final heat, a dead heat between Greene and Sherwood. Time, 28 3-5 seconds.

Half-mile Walk, Handicap—Won by Thomas H. Sherman, Company H (scratch), with James F. Whitlock, Company F (15 seconds), second. Time 3 minutes 10 3-5 seconds.

Half-mile Run, Novice Race, Scratch—Won by Edwin Codet, Company K, with G. Clarence Hall, Company B, second, and G. E. Bere, Company F, third. Time, 2 minutes 33 4-5 seconds.

The points for the company banner, awarded on the basis of 5 for a win, 3 for a second, and 1 for a third place, resulted thus: Company I, first, with 27; Company K second, with 13; Company F third, with 11; Companies H and B were a tie for fourth, with 9 points, and Companies D and C were a tie for the fifth place, with 3 points each.

Harry Druse of the Bank Clerks' Athletic Association was the referee of the football match, under association rules, between Company B and a picked team which followed. After two very interesting "halves," each of 20 minutes' duration, neither side scored.

The Winners at St. Louis.

St. Louis, April 9.—The following were the winners at the East St. Louis track yesterday:

First Race—Five-eighths of a mile. Stanley first, Mary Burke second, Toe Water third. Time, 1:05¾.

The Reade Social Club's baseball team has been practising for the past two weeks, and are in excellent shape. From present indications the team is stronger than ever, and ought to eclipse their fine record of last season, namely, twenty victories and two defeats. Capt. Simon Gavin, Jr., 21 New Chambers street, would like to hear from all clubs with players under 18 years for Sunday and holiday games.

A BAD HUMOR CURED

$5,000 Expended on Doctors and Medicine Without Avail. Gave Himself Up to Die.

Good Wife Suggests Cuticura Remedies. Uses Them 7 Months, and is Entirely Cured.

I was in the war during 1863-64, and took a heavy cold at Gettysburg, from which I never fully recovered. In 1875 I broke out in sores all over my chest and shoulder, which seemed impossible to cure. I tried all the famed doctors I could find, and to no avail. I expended some $5,000 trying to find a cure, but could not, and, finally giving myself up to die, my good wife suggested to me, one day, to try the CUTICURA REMEDIES, which were so extensively advertised and used. I followed her suggestion, and am happy to say by diligent application of your CUTICURA REMEDIES for seven months I was entirely cured, after spending five years of time and money without avail, and am a sound and well man to-day. You may refer to me if you wish, as I will tell any one who may call on me my experience.

C. L. PEARSALL,
1 Fulton Fish Market, New York.

OPENING THIS WEEK OF IMPORTED PATTERNS.

Are now preparing ladies to use the Garment Drafting Machine to take positions as cutters in the fall and to do their own dressmaking. Our school is the largest in the city. We teach all the different branches in dressmaking—cutting, finishing, draping, &c.—and have French, German, and English teachers. In the finishing school you can make a dress for yourself and learn how the best work is done. Remember that our system is now used by good cutters in first-class establishments in this country. No matter how many charts you may learn, you can never compete with this wonderful Drafting Machine. It follows every fashion and fits every form and saves four-fifths of your time and trouble in fitting garments. If you are going to get a system, why not get the one easiest to learn and most rapid to use? Our fashion journals are acknowledged to be the best for practical use ever published. Call or send for our elegant colored fashion sheet and circular.
