Hats, Shoes, Men's Furnishings.

Three Stores in One. What economy of expense! The cost of selling materially affects the figure at which goods are marked.

There is a vast saving in buying at a light expense house. For instance, here are Hats at **$1.90**, which the small hatter would consider cheap at $3.00. The difference in expense and great buying is what brings down the cost.

Derby prices start at **$1.90**, and go up by short steps, **$2.35, $2.90, $3.40**. It isn't every man who looks well in an Alpine, but they are very swell. Three grades, $1.90, $2.90, $3.40. Colors, black and golden brown.

Silk Hats.

3 GRADES,

ATTENTION!—DR. GREY, the oldest established specialist, has devoted more time (as city papers show) to the exclusive treatment of diseases of men than any other advertising physician in this city. Ulcers, discharges, gleet, strictures, blood poisoning, sore throat and mouth, pains in bones, eruptions, blotches, and red spots on the skin, painful swellings, nervous debility, &c., kidney and bladder diseases, stone, gravel, irritation, frequent desire to urinate, scalding, inflammation, &c.; organic weakness, nervous debility, errors of youth, bad dreams, nocturnal losses, lost vitality, melancholy, weak or shrunken organs, impediments to marriage, pains in back, and all diseases resulting from excesses, indiscretion, or overwork, recent or old, speedily and permanently cured. When suffering from disease seek advice from an expert whose experience and practice have taught him to apply promptly the proper remedy, and thus cure the disease, thus avoiding the many months of treatment so common to the inexperienced and annoying and discouraging to the patient. DR. GREY'S success in his specialty of practice has never been approached or even equalled. Consult him—you will never have cause to regret it.
