Too bad you can't go barefoot and be independent of the weather.

The best we can do for you is a first-rate cork-sole shoe, French calfskin, $7.50. You needn't wear rubbers unless you are unusually exposed.

Next best is a heavy Waukenphast, $3, $4, or $5.50, according to way of making.

We have the best rubbers at the lowest prices we know of—you'd better get the cork-sole shoe, though.

Almost as waterproof as rubbers—our English oil-grain shoe at $5—but isn't meant to dance in.
