WHY ELLEN DIDN'T SUIT.

Her Weakness for Corned Beef and Cabbage Almost Broke Up a Household.

An insatiable appetite for corned beef and cabbage and a difference of opinion with her mistress as to the proper hour for dinner made Ellen Wiley, a cook in the employment of Mrs. Leroy of 156 East Twenty-second street, give up her situation and bring suit in the Eighth District Court for wages for the balance of the month. The girl was engaged by Mrs. Leroy about six months ago, and was a good cook and a hard worker. She began, however, to exhibit such an ungovernable passion for corned beef and cabbage that her mistress became alarmed and wanted to have a physician called in.

In her testimony before Judge Jeroloman on Friday, Mrs. Leroy stated that the girl began to stow away large quantities of her favorite dish before 7 o'clock in the morning, and continued the operation, with short intervals for digestion, throughout the day. Mrs. Leroy allowed the girl to use her own judgment at first in preparing the meals, but when the same combination of beef and cabbage had appeared on the table at five successive meals she put in a protest. On one occasion, when soft-shelled crabs had been ordered for lunch, the cook refused to eat the "crawlers," as she termed them, and insisted on her pet diet.

"It really was very—don't you know—mortifying," said Mrs. Leroy last night. "You see, I keep a few lodgers, and the smell in the house became very objectionable after a few weeks. I was afraid all my people would leave me if something wasn't done about it."

The girl insisted that dinner should be served at noon instead of at night. As the corned beef and its adjunct made its appearance at all three meals, Mrs. Leroy failed to see any distinction between dinner at noon and night, and so frequently allowed the girl to have her own way.

Judgment was rendered in favor of the defendant.

NEARLY SUFFOCATED.

Even the Slightest Movement Caused the Most Excruciating Pain.

Mrs. Heald of 2,778 Third av. Says She is Positively Cured of Rheumatism After Years of Suffering.

Mrs. O. S. HEALD of 2,778 Third av. says: "For over a year I have been a great sufferer from rheumatism. I could not sleep at night, and upon the least exertion, or when lying down, I would have shortness of breath and almost suffocate. My ankles were very much swollen and inflamed, and very sore to the touch. My appetite was very poor, and I was very much run down generally. Even the slightest movement of my toes would cause me the most excruciating pain. The joints of my legs and toes became very stiff. I tried a number of doctors and took a great deal of medicine, without the slightest relief. I read of Munyon's Rheumatism Cure and procured a bottle, and before I had taken the entire contents I felt relieved. I persisted in the treatment, and am now entirely well. I would be pleased at any time to verify this statement."

Munyon's Rheumatism Cure will relieve rheumatic pains in three hours, and is guaranteed to cure rheumatism in any part of the body.

Munyon's Stomach and Dyspepsia Cure is guaranteed to cure all forms of stomach troubles and indigestion.

Munyon's Catarrh Cure will eradicate the disease from the system, and the Tablets will cleanse and heal the afflicted parts and restore them to a natural and healthful condition.

Sample bottles of any of the above cures will be sent to any part of the United States on receipt of 25 cents to pay for packing and mailing. Large size XX specials, $1.

This company have prepared specifics for nearly every disease, which are sold by all druggists, mostly for 25 cents a bottle.

They employ a number of eminent physicians to make examinations and give advice absolutely free. No matter what the disease is, or how many doctors have failed to help you, a visit to these eminent specialists will cost you nothing, and may save your life.

Their office is open all day and evening. Sundays from 3 to 5 P. M. 7 E. 14th st., N. Y. —*Adv.*

Accidents in the Park.

Three accidents occurred to riders and drivers in Central Park yesterday afternoon. A horse ridden by John H. Smith of 15 West Twenty-first street ran away on the West Bridle Path, near Eighty-eighth street. Mr. Smith was thrown, but sustained only slight injury. The horse was caught by Mounted Policeman Gorman.

John Coughlin of 470 Fulton avenue, Brooklyn, was thrown from his horse by colliding with another rider on the West Drive at Ninety-sixth street. Mr. Coughlin was thrown off his horse and sustained a severe scalp wound. He was taken home in a carriage.

While Mrs. Crosby of 251 East Eighty-first street was driving a dog cart down the East Drive the horse became frightened, and ran away. The horse was stopped by Mounted Policeman Holtie before any harm had been done.

Shot the Sheriff and Killed Himself.

CLINTON, Mich., Nov. 25.—George Conger, a well-to-do young man who lived on a farm near this village, shot and killed Deputy Sheriff Dan Draper last night, and then committed suicide. It is said Draper tried to serve some papers on Conger, and that a quarrel ensued.

Graduate University City of New York (Medical Department), 35 years specialist in
DISEASES OF MEN
from whatever causes arising. BLOOD and SKIN diseases, red spots, pain in bones, sore throat and mouth, blotches and eruptions on the skin, ulcers, painful swellings, &c.
KIDNEY and URINARY complaints, irritation, scalding, inflammation, frequent inclination to urinate, infectious discharges, gleet, strictures, &c.
ORGANIC WEAKNESS, nervous debility, impaired memory, mental anxiety, absence of will power, lost vitality, weak or shrunken organs, impediments to marriage, melancholy, sleeplessness, vital losses, weak back, and other diseases, resulting from excesses, indiscretion, or overwork, recent or old, speedily, thoroughly, and permanently cured.
"Where shall I go to get cured?" many a sufferer asks, not knowing whom to trust. Go where thousands of others have gone and been restored to perfect health, the comforts of home and the enjoyment of society, to Dr. GRINDLE'S old-established office, located over 12 years at 171 West 12th st.
All lingering chronic diseases that have been neglected or have failed to yield to the treatment of less skilful hands soon get well under Dr. GRINDLE'S superior treatment.
Patients wishing speedy relief and sure cure should consult DR. GRINDLE, whose long, extensive experience enables him to apply the proper treatment at once, without delay or experiments, thus saving the patient much time and expense. No charge unless cured.

ABILITY.—OLD DR. SMITH, 134 EAST 18TH ST., near 3d av. station; oldest specialist by many years; 40th in New York city; both sexes; blood poison, skin eruptions, blotches, red spots, ulcers, sore throat and mouth, painful swellings, pains in back, head, bones, chest, heart, lungs, colds, cough, catarrh, consumption, kidneys, bladder; irritation, frequent painful urination, discharges, stricture, gleet. MY METHOD only one known that cures permanently; worst cases nervous debility, weakness, errors of youth, indiscretions, excesses, low spirits, bad dreams, lost manhood, languor, will power, melancholy, dizziness, shyness, trembling, impediments to marriage, weak, undeveloped organs. Some young men are advertising more years as specialists than they are years old; they announce their vast experience and wonderful skill (they have neither), and many suffer from the ignorance of these fakes. Old specialists are old men; have no other. Many come from the country for an honest examination and my superior treatment that had received no benefit from young self-styled great doctors, agencies, companies, electricity belt humbugs, &c. Consult OLD DR. SMITH first; he is the oldest, best, cheapest; save time, great suffering. Discharges stopped immediately; lowest charges; any disease, no pay unless cured; advice free. 9 to 8.

A.—MRS. SCHROEDER, expert midwife; confinements taken; ladies complaints skillfully treated; confidential. 318 East 50th st.
