Clerical coats and vests of various fabrics marked down, way down, to 1-2 and 1-3 original prices—just because we haven't enough of each kind. We're discontinuing these few sorts, so that we may give more time to our regular clerical stock.

Coats $5, vests $2—frocks, sacks, cassocks, standing collar, rolling collar.

We'd offer to send you samples, if sizes were not too broken; but send us your measure (including height and weight) and let us send you a garment on approval, if we happen to have your size.

We can't give, on these coats and vests, the 10 per cent. discount that we always allow to clergymen and theological students.
