Selling like mad—neglige shirts. And they don't come back, though everybody knows he may have his money if he wants it.

The secret is: People like the looks of 'em; buy 'em; try 'em on at home; and the shirts fit—what! neglige shirts fit? Of course; we aren't going to spoil the looks of good clothes by selling poor shirts.

We hope we shall always be as lucky with straw hats and russet shoes as we are now.
