Selling short-trouser boys' hats, clothes, shoes, and furnishings, at cost is a success; we're going to keep it up.

"Success---what do you mean? not making money?"

Success means: more selling; new buyers; some of 'em men; some of 'em mothers with long-trouser boys; some of 'em mothers with boys that will wear long trousers---ours---next year; more good-will---toward us and our clothes.

Your money back if you want it.
