THE GREAT VIRTUE OF THE ROYAL WINDSOR FRENCH HAIR RESTORER is not generally known in the United States, and hence of inquiry from all parts of the country, induces us to publish the following: THE ROYAL WINDSOR IS NOT A DYE. It will restore all gray hairs to their original color and beauty; it also promotes the growth of the hair and eyebrows, beard and moustache. It need only be applied to the roots of the hair; every other dye, and in fact, close to six weeks every color will be reduced to its original beauty. When the original color is obtained the application to the roots every two or three weeks is sufficient to keep the hair in color for life. White roots are out of the question. They get their color first and retain it. Many ladies have sent me switches to color, I combed the hair with the Restorer, I put into life and color in the hair on your head, but I cannot give a dress, switch, any color, use no preparation would only be a dye, and I could only give you some hard dyed shades that would always differ from your own natural color. Write for Hair Restorer, restores any of the two or three hundred shades that nature has lost, used on humanity.
Send for sealed circulars and learn all about my No Time Ultra Face Preparations and their merits. Mme. CAROLINE, Face and Hair Specialist, 217 6th av., New York. Branches: 810 Clinton av., Albany, and 697 Broad st., Newark, N. J.
