CLEVELANDS ARE BEATEN.

CINCINNATIS WIN A LEAGUE GAME BY HITTING "CY" YOUNG.

Atlantic League Season Opens at the Polo Grounds—The Metropolitans Easily Beaten by the Newarks—Pitcher German Receives His Release—Other Games.

There were no League games scheduled yesterday, but the Cincinnatis and Clevelands played off the game postponed by rain on Thursday. Pitcher Young of the Temple Cup winners was unable to hold Buck Ewing's men in check, and the latter won an easy victory. The results:

Cincinnati, 8; Cleveland, 4.

CINCINNATI, 8; CLEVELAND, 4.

CINCINNATI, April 24.—For seven innings to-day Holmes was invincible, but a decision by Emslie in this inning seemed to rattle him, and he became wild, forcing in two runs by bases on balls. Young essayed again to pitch for the visitors, but was batted freely. Attendance, 2,500. The score:

Atlantic League.

NEWARK, 13; METROPOLITAN, 6.

In spite of the cold and threatening weather yesterday about 1,000 persons saw the opening game of the Atlantic League between the Metropolitans and Newarks at the Polo grounds. Manager John Irwin put Lester German in to pitch for the locals, and it was quickly demonstrated that German was so wild and ineffective that there was little or no chance of winning. Still he was allowed to finish the game, and in that time he was hit safely thirteen times and gave eight bases on balls.

The Metropolitans played poor ball. Their base running was bad, and with men on bases they couldn't seem to hit Whitehill's pitching. Tom Burns, the captain of the Newarks, indulged in constant abuse of the umpire, which was not only uncalled for, but very tiresome to the shivering spectators. The score:

More Changes in the New York—German Released.

The New York Club gave a ten days' notice of release to Pitcher German at the conclusion of the Newark-Metropolitan game at the Polo grounds yesterday. German came here from Augusta in 1894 and pitched good ball during that season. Since that time he has done little or no effective work, and as his pitching this year has been weaker than ever, Manager Irwin decided that it was useless to keep him. Some say that German received an offer from another League club last year and that his release will be welcomed by him.

There are other surprises in store for the cranks. The club officials are dissatisfied with Parks Wilson's catching, and it is possible that he will be assigned to the Metropolitans, Foster being taken on the regular New York team. Another move contemplated is the substitution of either Connaughton or Bannon for Tiernan. The management is also working the wires to land a couple of new pitchers, both of whom are members of National League teams. The season has scarcely begun and there is ample time to strengthen weak points.

Rusie Still in Indianapolis.

INDIANAPOLIS, April 24.—Amos Rusie is still in this city, and when seen to-day refused to discuss the matter of his controversy with New York in any regard whatever, the subject seeming to be a distasteful one to him. All that he will say is that the matter is in the hands of his attorneys, Hawkins and Smith; that they have presented the evidence on which he relies to the National Board, and have demanded his release by New York.

It is said among Rusie's friends that he is indifferent about going to New York, as he believes he has received bad treatment, and would prefer his release, as he could sign to-morrow with another club at better salary than he receives from New York. It is believed here that some one is lending aid and encouragement to Rusie with a view of securing him for another club if he is finally released by New York.

Baseball Notes.

Pitcher Kagey's ten-day notice expires to-day.

F. P. Kelly—About 25,000 were inside the enclosure.

Pitcher George Sharrott may be signed by Manager Arthur Irwin.

The Bay Ridge A. C. has secured Ambrose Park, Thirty-seventh street and second avenue, Brooklyn, and will play baseball and hold athletic carnivals there during the summer.

The New Yorks finished ninth last year with Rusie. They can't do much worse without him.

The Bostons play the New Yorks at the Polo grounds to-day. The pitchers will probably be Stivetts and Dad Clarke.

WASHINGTON, April 24.—The baseball game between Trinity College and Georgetown University scheduled for to-day was postponed on account of rain.

If Rusie should be traded to Louisville or St. Louis, he might regret his revolt against the New York Club. Such a move is not by any means improbable.

Meekin says his arm is growing stronger and that he will be able to go in against Boston on Monday. Irwin is confident that he will come around all right.

NEW HAVEN, April 24.—Yale is making elaborate plans for the annual baseball game to-morrow with Brown. The team has trained carefully all the week and hopes to win. They are in good form. Trudeau has rested all the week and will pitch to-morrow. It is expected that James H. O'Rourke of Bridgeport will be selected as umpire.

NEW HAVEN, April 24.—The Yale and Princeton baseball management have agreed to accept the same umpire plan as last year. They have supplied to President Nick Young of the National League to select an umpire for every championship game. The identity of the umpire will not be known to the opposing players and captains till he appears on the field just before the game.

CHICAGO, April 24.—President Hart of the Chicago Club released Parrott, Dolan, and Rice yesterday. Parrott, Anson's protégé, will go to the Grand Rapids Club, joining them at Indianapolis to-morrow. The other two have not yet signed with any club, but they will play in minor leagues. At Louisville Anson said, alluding to Dolan, "He is a good man, but I had to let somebody go. We are doing well in keeping seven pitchers, I think. Rice is a good man. He has a good deal to learn, but it is in him."

AMHERST, April 24.—Raymond J. Gregory resigned his position as captain of the Amherst College baseball team this afternoon. Ex-Capt. Gregory has been a valuable man on the college team during his entire course, having pitched for the nine three years. He was captain last year. The resignation was made at the request of his physician. It is hoped that ex-Capt. Albert Montague, who is rapidly recovering from recent illness, will be able to captain the team for the rest of the season.

The Willet's Point Baseball Club has arranged the following schedule: April 26, Emerald A. C., at Willet's Point; May 2, David's Island R. R. C., at David's Island; 9, Safety R. R. BERKELEY SCHOOLBOYS FIRST.

They Score the Most Points at the Drisler School's Athletic Meet.

Unpleasant weather marred the sport at the first annual outdoor games of the Drisler School Athletic Association, held at Berkeley Oval yesterday afternoon. There were less than 200 persons present when the games began. The track was in fairly good condition, and all the events were evenly contested. Considering the chilly day, the young athletes showed up in good form, breaking two records and equalling another. J. Hulburt, Berkeley School, and R. G. Paulding, Black Hall School, had it nip and tuck in the pole vault for the greater part of the afternoon. A. J. Forney, Adelphi Academy, could do no better than 9 feet 9 inches, and then had to retire. Both Hulbart and Paulding broke the outdoor scholastic record by 2 inches at the next vault, and kept on their record-breaking performance until 10 feet 6 inches was vaulted by Hulburt, breaking the best previous record by 8 inches.

Hipple of Barnard School ran away from his field in the 880-yard run, having yards to spare at the finish. His time was 2 minutes 7 4-5 seconds, which breaks the outdoor scholastic record by 1 1-5 seconds. Moore of the same school had everything his own way in the 100 yard dash, senior, covering the distance in 10 2-5 seconds, which equals the record. In this event C. R. Irwin-Martin of Berkeley School, who, it was claimed, the clerk of the course did not call, was allowed to run alone, but had to do 11 seconds or better to get into the finals, which he did not accomplish, his time being 11 1-5 seconds. D. Harris of Cutler School easily won the hurdle, although the other contestants gave him a pretty good race. On the basis of five points for a first, three for a second, and one for a third, Berkeley School carried off the honors, with Cutler School second, and Barnard School third. Summary:

One-hundred-yard Dash, Handicap, Closed—Won by R. Ingersol, 2 yards; J. B. Wolff, scratch, second; R. B. Farrell, 5 yards, third. Time, 11 1-5 seconds.

Charges Against Schoolboy Forster Not Proven.

NEW HAVEN, April 24.—A meeting of the Connecticut Interscholastic Association was held here this afternoon to try the charges of professionalism preferred against Thomas Forster of the Bridgeport High School by the Hopkins Grammar School of this city. It was claimed by Cottrell, the Hopkins trainer, that he saw Forster receive money for pitching for the Edgewoods in Westerly last year. Forster was represented this afternoon by James H. O'Rourke, the well-known baseball player and Bridgeport attorney. Cottrell stated that he did not know what the money was for, and Manager Gretzl of the Edgewoods testified that he gave it to Forster on pay for his dinner. The charges were declared to be not proven.

Cyclers Still Going for New Records.

CORONADA, Cal., April 24.—Two more bicycle records were lowered here to-day. In an attempt for the one-mile record Kiser did 1:41 1-5, paced by the sextuplet, which is only two seconds slower than Hamilton's mark. Evans tied the third of a mile amateur record, paced, and lowered the two-thirds of a mile, unpaced, doing 1:22 2-5, the former mark being 1:26 1-5. Hatton and Pickard rode five miles unpaced, in 11:24 1-5, breaking the coast tandem record. Hatman and Edwards, the local amateur tandem team, did 0:34 1-5 for a third of a mile, unpaced, cutting the record of 0:37 made by Eberhardt and Felix.

Clearwater Defeats De Oro at Pool.

PITTSBURGH, April 24.—William H. Clearwater of this city defeated Alfred De Oro last night, by a score of 201 to 178, in the first game of a 600-point match, 200 points each night, for a purse of $500 a side. During the game feeling was very bitter between the players, and during a dispute about an alleged scratch De Oro called Clearwater a "robber," and said he always won by robbing. The playing was brilliant at times, and the champion was in splendid form. While the attendance was not large, it was enthusiastic.

A LIGHT CARD AT BENNINGS.

Walden's Shakespeare II. in Clever Running Form.

WASHINGTON, April 24.—Comfortless appearing skies and downfalls of April showers had the effect of lessening slightly the attendance at Bennings to-day. The card was light and the entries were further diminished by the scratching of Siegfried from the first race and Palmerston and Premier from the six and a half furlong dash. Notwithstanding the track was muddy, the well-favored Walden Stable's colt, Shakespeare II., added to his laurels of the present meeting by dashing over the wire a winner in the third race, making the distance within the fraction of a second of the best time record on this track—that of Lyceum, 1:21¾. In the first race Darle got off in the lead, but Gold Dollar soon reduced his advantage and reached him in about a hundred yards from the start, passing him and all others. Summaries:

First Race—Six furlongs: Gold Dollar, 116 (Keefe), 6 to 1, won; Silk, 116 (H. Griffin), 6 to 5, second; Darle, 116 (Doggett), 2 to 1, third. Time, 1:14 3-5. Sebastian also ran.

Second Race—Half a mile. Prompt, 110 (Littlefield), 2 to 5, won; Domitor, 110 (Clayton), 3 to 1, second; Second Chance, 107 (Scott), 10 to 1, third. Time, 0:50 3-5.

Third Race—Six and a half furlongs. Shakespeare II., 107 (Littlefield), 6 to 5, won; Roundsman, 107 (Doggett), 6 to 5, second; Brisk, 102 (Hirsh), 8 to 1, third. Time, 1:21 4-5. Scptnor and Belle Washington also ran.

Fourth Race—Six and a half furlongs; selling. Allen L., 96 (Hewitt), 7 to 5, won; The Swain, 108 (Littlefield), 7 to 5, second; Eclipse, 104 (Ballard), 8 to 1, third. Time, 1:29 3-5. Panway and Shelly Tuttle also ran.

Fifth Race—One mile; handicap. Sue Kittie, 100 (O'Leary), 8 to 5, won; Capt. T., 110 (Keefe), 1 to 2, second; Mr. Strader, 95 (Powers), 5 to 1, third. Time, 1:46 3-5. No other starters.

The card for to-morrow follows:

First Race—High-weight handicap; five furlongs. Kennel, 140; Kinglet, 138; Burlingham, 137; The Rogue, 135; Will Elliott, 132; Silk, 131; Wilful and Hilda, 130.

Second Race—Two-year-olds; selling; four and a half furlongs. Ed Taylor, 97; Clara Lousler, 100; Aunt Sally, Lizzie B. H., and My Vic, 93.

Third Race—Army and Navy Handicap; one mile. Capt. T., 140; Prince Imo, 130; Warden, 108; Hauwell, 99; Premier and Intermission, 96.

Fourth Race—Three-year-olds and upward; purse $350; to the winner $250, to the second $75, and to the third $25; entrance $10 each, the winner to be sold at auction for $1,500; six furlongs. Mirage, by Cyclops, 108; Pay or Play, 103; Prig, 107; Facsimile and Watchman, 105; Pitfall, 104. Five points deducted for apprentice allowance. Hellis, 102.

Fifth Race—Selling; steeplechase; two and a half miles. Kikenny, 161; May Blossom, 140.

Lord Rosebery's Quarrel Lands the Esher Stakes.

LONDON, April 24.—At Sandown Park to-day the Esher Stakes (handicap) of 1,000 sovereigns, the second horse to receive 100 sovereigns and the third 50 sovereigns out of the race, one mile, was won by Lord Rosebery's b. h. Quarrel (formerly Tarrare), 5 years, by Discord. Free and Easy, Baron de Rothschild's ch. h. Medicis, 4 years, by Robert the Devil or Florentine Skotzka, was second, and Lord Ellsmere's ch. h. McNeil, 4 years, by Galliard—Zariba, third.

The Races at Memphis.

MEMPHIS, April 24.—This was the last day but one of the spring race meeting, and there was evidences of "get away." The first race furnished a surprise in the defeat of Tartarian by David, the explanation vouchsafed being that the former, who was a favorite, had joined Fannie Rowena in the chase at the start and became winded. The third race afforded another surprise, the decision of the judges being contrary to the conviction of form sheet people. Lexington Pirate, the favorite, got away fourth, but at the half was leading by nearly a length. At the stretch Tin Cup was fourth, but came up hard and got the decision by a nose, contrary to opinion on was that Lexington Pirate passed the wire first. Summaries:

First Race—Six furlongs. David, 108 (Sherrer), 4 to 1, won; Tartarian, 111 (T. Murphy), 1 to 2, second; Fannie Rowena, 99 (A. Barrett), 15 to 1, third. Time, 0:16.

Second Race—One mile. Whisper, 101 (Schorr), 9 to 10, won; Robert Latta, 117 (Thorpe), 4 to 1, second; Sanctoval, 116 (R. Williams), 15 to 1, third. Time, 1:44¾.

Among the Harness Horses.

If the weather is fair to-morrow there is likely to be some good sport with the trotters at Fleetwood. Magnolia, 2:09¾, who trotted a half in 1:03¾ on Thursday, is to be sent along at speed, and her owner, H. B. Carroll, expects to see her cover the distance in 1:03. John Gibbs says he will let Cephas, 2:11¾, step a quarter or a half if the track is good just to show that the bay son of Cyril is himself this spring. W. R. Janvier and others timed Cephas a half in 1:02¾ at Lexington last October in the final heat of the Transylvania Stakes. The three-year-old pacer Rudd is another one of the track-a-jacks that may be turned loose for a quarter.

Lewis Frobisher, the export agent of the National Trotting Association, reports a number of recent shipments of trotting stock to England and Europe. In addition to the fast stallion Sacasna, 2:18¾, sent over last week by Clarence Mackey, R. Clegg of Chicago shipped to Liverpool by the steamer Tauric the chestnut stallion Lord Seamont, by Onward, 2:25¼, dam Julia Janvier, by Mambrino Patchen. P. Kahns of Hamburg will sail to-day, by the Persia, with the five trotters recently purchased from James Walker of Coldwater, Mich. Among the lot is the speedy little bay stallion Bullet, 2:25¾, by Lumps, 2:31. The others are well-bred broad mares and fillies. On the same steamer the two-year-old bay filly Golden Tassel will be shipped to P. N. Nord of Copenhagen. W. R. Janvier, who recently sold Alcandre, 2:26¼, for $8,500 to European parties, will ship to-day by the steamer Mohawk a colt of fashionable breeding, from his Silver Spring Stock Farm, that is to be used as a stock horse in Holland.
