Now, wouldn't you thank the good fortune that brought you a stylishly made seasonable costume for less than your dressmaker would charge for her work? That's the story of a new lot of

## Ladies' Spring Suits

we have had made to begin selling to-morrow morning. Here's the picture—Stylish Walking Suit, made after the very latest foreign ideas in solid colors—Brown, Navy and Black, and trimmed with the same material as the skirt. Skirt hangs gracefully and is of imported Scotch Cheviot, in Black and White, Blue and White, Brown and White and Green and White, in broken checks. The Skirts are well lined, and the coats are three-fourths lined with silk; these suits were made in our own workrooms, of the best materials, by expert men tailors. You will get a spanking good suit worth $25 at..... **$17.98**

## Persian Gowns.

Here's a Ladies' Persian Lawn Negligee Gown made in the newest empire style, trimmed with insertions of ruffles of the finest Valenciennes Lace, and finished with an insertion of Embroidery. That's not all; it has a fancy figured satin ribbon worked about the neck and tied in a bow. The sleeves are just as large as the picture shows; the skirt is extra wide, in fact our illustrator has made a very clever cut of the gown as you'll find it. Deep lace cuffs, smooth seams and everything that makes a $4.00 garment. We've got a big stock of these gowns, but we don't expect to have them long, when the price is only **$1.98**
