NOW FOR THE HOME GAMES.

EASTERN CLUBS END THEIR FIRST SERIES IN THE WEST.

New Yorks Win More than Half of Their Games on the Trip—They Come to the Polo Grounds To-morrow—Brooklyn Opens with the Louisvilles at Eastern Park.

The first Western trip of the New York club did not prove so disastrous as expected, after the poor showing made by the local players against the Eastern teams. Of the seventeen games played by Irwin's men on Western soil nine resulted in victories. At Chicago, Cincinnati, Louisville, and St. Louis the New Yorks won two out of each series. Only two games were played at Pittsburgh, one being postponed by rain. The men fared poorly at Cleveland, dropping three games. None of the Eastern teams won more than one game from Tebeau's aggregation, so the New Yorks were not very far behind the other visiting teams.

For four weeks baseball enthusiasts in this city had to be satisfied with Atlantic League ball, but they will now have the New Yorks at home for a long stretch of games. To-day they will stop off at Baltimore and play their first game of the season with the champions. Their prospects of winning against the Southerners are very good, as the latter won only one of the five games played last week. To-morrow, Wednesday, and Thursday the Clevelands will be the attraction at the Polo grounds. Louisville will meet the New Yorks on Friday, and is also scheduled to play two games on Saturday. The Blue Grass men have been playing excellent ball since Billy McGunnigle assumed command, their two victories over the champions causing considerable comment.

The Brooklyns will make their reappearance at Eastern Park to-morrow, when they will try conclusions with the Louisvilles. They play the same team on Wednesday and Thursday. Chicago is booked to play a game on Friday and two games on Saturday. Baltimore, after the New York game, will play St. Louis and Cincinnati, while Philadelphia will try to make up lost ground at the expense of the Chicago and St. Louis teams. Boston, after a game at Philadelphia to-day, will return home to meet the Pittsburghs and Clevelands. The Washingtons will play at home with the Cincinnatis to-morrow, Wednesday, and Thursday, and will then journey to Pittsburgh for two games on Decoration Day.

The following are the records of the New York and Brooklyn players up to date:

SUNDAY ON THE DIAMOND.

A Pitchers' Battle, in Which St. Louis Defeated Brooklyn.

ST. LOUIS, May 24.—The game to-day between the Brooklyn and St. Louis teams was a pitchers' battle for mastery. The twirlers were about even, but Donohue was especially effective with runners on bases. Only for Griffin's cleverness in hitting himself with a pitched ball in the sixth inning the Brooklyns would have been shut out. The centre fielder waited for a ball to cut the inside corner, and swerved in front of it. Hurst was in a dream, and did not see the play. Only eighteen of the Brooklyns had faced the St. Louis pitcher up to the seventh inning, with a total of two scratch singles.

In the sixth inning, with the score 2 to 0 against them, the Brooklyns got two unearned runs and tied the score. Griffin came to the plate, and after hitting several fouls managed to get an inshoot on his ribs, as described above. There was some delay caused by the very gentlemanly kick registered by Capt. Connor, during which Griffin indulged in contortions as if a rib was broken. When perched on first, however, it was noticed that he became frisky as a monkey. Jones and Lachance sent the runner to third on outs to centre field. Corcoran got a single past Quinn and stole second on the failure to catch Griffin at the plate. Corcoran scored the tying run on Cross's error of Shindle's pop fly. The score:

CINCINNATI, 6; LOUISVILLE, 0.

CINCINNATI, May 24.—The home team kept up its record of winning Sunday games by shutting out the Louisvilles to-day. Rhines and Foreman were almost invincible, while Frazer was hit hard. The Kentucky men fielded loosely and played and batted like amateurs. Rhines had a finger broken in the fifth inning while attempting to stop a liner. He was left at home when the team went East to-night. Attendance, 10,000. The score:

CHICAGO, 4; WASHINGTON, 3.

CHICAGO, May 24.—The Chicagos closed the spring season on the home grounds with a victory over the Washingtons to-day in a ten-inning contest that created great excitement. German held the home team down until the eighth inning, when they batted in two runs and went to the front. A hit by a pitched ball and Lush's triple to right enabled the visitors to tie the score in the ninth, but in the last half of the tenth Ryan's three bagger past Selbach and Cartwright's failure to handle Decker's hot grounder gave the game to the home team. BATTLE OF THE COLLEGES.

NOTED RIVALS WHO WILL MEET FOR TRACK AND FIELD HONORS.

Entries All In for the Big Tournament at Manhattan Field—Wefers, Burke, Chase, Hollister, Orton, Bremer, Sheldon, Clark, and Other Public Favorites Engaged.

The entry list for the annual track and field championships of the Intercollegiate A. A. represents a very formidable aggregation of athletic talent this year, and the team that pulls through will have thoroughly earned the prestige attaching to premier position when the last event is decided. A start will be made on Friday, when the officials in charge will dispose of as many preliminary heats as possible in the track events and weed out candidates for the field honors down to the five best in each contest.

This arrangement is expected to leave a card of compact proportions for Saturday, and if the scheme works as satisfactorily as when tried last year visitors can count on an early adjournment each day. The choice of Manhattan Field as the scene of the tournament should also prove popular with both patrons and competitors, as the facilities for keeping the two elements in their allotted places are much better than at Berkeley Oval, where the greatest vigilance was needed in maintaining the "dead line." The big Harlem enclosure is also much more accessible to the majority of visitors, and there will probably be a large muster of onlookers, especially at the finals, which should appeal strongly to the sporting instincts of the holiday crowd.

With good weather and other favorable conditions record performances are looked for in several of the events. Many of the aspirants have already achieved world-wide fame, and their efforts will be watched with general interest. Among the most noted record holders engaged are Bernard J. Wefers, Georgetown University; Thomas E. Burke, Boston University; Stephen Chase, Dartmouth; E. Hollister, Harvard; George Orton, Pennsylvania; J. L. Bremer, Harvard, and L. P. Sheldon, Yale.
