MEDDLER'S SON BEATS A CRACK FIELD FOR THE TWIN CITY.

Imp Finishes an Inglorious Eighth for the Rich Prize at Sheepshead Bay—Mesmerist, with Top Weight up, Again Proves His Quality in the Autumn Stakes.

The hoodoo that has followed favorites for the last three sessions at Sheepshead Bay race-track was again in evidence yesterday, and four first choices came to grief before a rift showed in the financial cloud which hung over the talent. Then Dr. Catlett and Decanter came to the rescue and the homeward procession was the personification of good humor.

A typical holiday crowd turned out to see the cream of the thoroughbreds as fully 15,000 enthusiasts were on hand when the bugler summoned the first lot to the post. The opening race could boast of little merit from a horseman's standpoint, but it was watched with general interest as a clue to the condition of the track and subsequent possibilities. When the time was hung out even the stolid regulars gasped when it was seen that Rockton had won in 1:03, the fastest mile over the course in years, except by Gonfalon last Tuesday. Many of the veterans suspected a mistake, but Superintendent Frank Clarke explained that the excessive rain of the past few days had knitted the track and left it hard and fast on top. Rockton was neglected in the betting at 12 to 1, and his victory in Doggett's hands was not only a surprise, but served to show that the handling of the colt by McGue at Saratoga justified the confidence which culminated in the suspension of the latter jockey's license. John E. Madden's stake colt Rad cred, with Maher up, ruled favorite, but the Hitchcock Brothers' Red Path beat him out for the place.

The plungers selected Dan Rice in the second race to put them on velvet, but Lucky Star upset the pot, with Judge Wardell and Queen of Song also in front of the favorite. This paved the way for the first stake feature, which was the Autumn of $3,000, for two-year-olds. Although Maher had failed to win with Bradford or Dan Rice, he was counted on to break his unlucky streak on Gonfalon, and the Belmont colt was backed accordingly. This enabled followers of Mesmerist to secure as good as 7 to 2 for their money, and the Bromley candidate carried off the honors with ease, winning by a length and a half from Golden, who beat the favorite three lengths. Gonfalon just squeezed home a head in front of Marilert, and the time was again fast, but the remarkable pace in both races run down the hill was in part attributed to a stiff breeze behind the youngsters.

The richest event scheduled was the Twin City Handicap, with $4,500 added, for three-year olds and upward, at one mile and a quarter. Bannockburn and Manuel closed equal choices, with Imp next in demand. The noted black mare showed her customary speed in half a mile but the added starter Bangle then forged ahead. On the back stretch Previous undertook to try and he raced through his field at a gait which brought him to the line four lengths in front of Bangle with Bannockburn a fair third. Imp curled up under her impost and finished eighth although the time was several seconds slower than she set up in the Suburban. Odom who piloted Muskadine into fourth position alleged that Maher had foiled him but the original pacing was allowed to stand.

Only four jumpers turned out for the Westbury Steeplechase, and after an interesting contest in which Trillion made most of the running, Dr. Catlett scored first, blood for the talent comfortably. Maher essayed to run away with the last race of the day on Chorella, and Fast Black followed the pace. When the bunch reached the stretch, however, O'Leary let out his wraps on Decanter, and the favorite won by half a length. Maid of Harlem closed very strongly and took the place by three parts of a length from Consilla. Summary:

FAST ROWING ON SCHUYLKILL.

New York and Newark Crews Hold Their Own with the Philadelphians.

PHILADELPHIA, Sept. 4.—Out-of-town crews cut quite a swath in the Middle States regatta on the Schuylkill River to-day, winning five out of eleven races. Myerhoff of the Nassaus and the Union intermediate gig crew sustained New York's reputation while the Passaics of Newark got away with the Junior and Intermediate Doubles. The Potomac Junior eight of Washington simply paddled away from the Harlem and Staten Island crews in the final heat.

The Junior Double Race had six entries, the Institutes and Passaics representing Newark while the Nassau and Lone Star crews rowed for Gotham. The Vespers had them all guessing to the half-mile when the Lone Stars took the race in hand. About two hundred yards from the finish the Passaics spurted and won in gallant fashion with Nassau second. The Passaics won the Intermediate Double in handy fashion from the fast Mattarew. The Union Club as usual, got a race, this time the Intermediate four-oared gig beating out the West Philadelphia club crew in a pretty contest.

The feature races on the card were the Senior Four-Oar between the Philadelphia champions and the Detroits and Vespers, and the appearance in the senior singles of Edwin Hedley, rowing his fifteen-year-old twin brother Harry in a sculling match, to test her reputation by winning by a length. It was a hard race, Hedley expected to meet Juvenal, but the latter said he was ill and refused to row. Hedley won after a good race with Henri Scott of the Pennsylvania Barge Club. Weizenegger of Newark and Lockwood of this city collided and were out of it. The summaries:

BOSTON, Sept. 4.—The fall regatta of the New England Amateur Rowing Association was held over the Charles River course this morning. The water was rough and a strong wind was blowing, making the events slow. In the Junior double scull event the Bradford Boat Clubs boat broke in two and sank after going half over the course. The Cumberland Double of Portland, also capsized and sank. Neither of these had a chance to win when the accidents happened. Harvard was left in the Junior single race, the only one in the novice single race.
