

**CITY AND COUNTY NEWS**

Miss Maude Miller, of the ten-cent store is enjoying her vacation this week.

J. W. Fetter, the druggist from Maxwell was a business visitor in the city yesterday.

Dr. D. A. Foote of Omaha arrived in the city this morning for a professional visit of a few days.

A son was born yesterday morning to Mr. and Mrs. George E. Brown, residing on west Third street.

Stove repairs. P. McGovern, 511 Locust street, Phone R. 260. 56-4

Dr. J. S. Twinem left yesterday morning for Dickens where he was called to look after a case.

Milo Shieck of Platts arrived in the city Tuesday and spent some time here visiting friends and transacting business.

For Rent—Two large front rooms 503 east Third street.

Charles Bogue returned home this week from Kansas City where he spent several days on business connected with the B. of R. T.

Dr. L. C. Drost and family, who left two weeks ago on an auto trip to Saratoga, Wyo., are expected home tomorrow.

The local division of the B. of L. E. received official notification yesterday of the withdrawal of the proposed strike of the engineers.

Charles Martini, of Omaha, arrived in the city yesterday to visit relatives and friends for a few days and to look after business matters.

For Rent—Furnished rooms suitable for light housekeeping. Inquire at 503 west Fourth street.

Mrs. Irene LaRue, who was operated upon the first of the week by Dr. Twinem at the Nurse Brown memorial hospital, is reported getting along nicely.

License to wed was granted Wednesday from the office of the county judge to William H. Stull, 34, of Butte, Mont., and Mrs. Sarah A. Chism, 41, of

A new front will shortly be put in the building on Dewey street owned by W. C. Reynolds and occupied by the Stone Drug Co. and the Rincker Book and Drug Co.

Don't allow your dairy cows or horses to suffer from flies or mosquitos during the hot summer months. Use Dr. Hess's Fly Chaser. For sale at the Rexall and Nyal drug stores. If

Miss Jane Stebbins, who has been visiting here for some time with her niece, Mr. J. N. Bonner and other relatives, left yesterday for her home in Pittsfield, Ill. Mr. Bonner accompanied her as far as Omaha.

Some of the local hunters, who have been taking out their dogs to break in on chickens, say the fowls are very plentiful and exceptionally good shooting is in store when the season opens. The duck season also promises to be prolific for the hunter.

For Rent—Two large rooms for light housekeeping. 514 East 3rd St.

The old Masonic hall building now located on Locust street, has for the first time in a decade or two been treated to a coat of paint. This building can hardly be recognized as a pioneer structure of the town.

D. M. Douthett, of Overton, candidate for the republican nomination for state senator, and W. C. May of Gottenburg, were visitors in town yesterday, leaving for Keith county towns today. They are making the trip in Mr. Douthett's car.

Lars P. Jensen of the Harcourt & Jensen store returned yesterday with his wife and daughter from Council Bluffs and they will make their home here. Mr. Jensen has rented the Mylander house at 221 west Fifth street and they are now moving into it.

President Mohler, of the Union Pacific, arrived from the west Wednesday evening at five o'clock, spent the night here and left for Omaha at six yesterday morning. Mr. Mohler expects to return here next month for a few days' chicken hunting.

Under the new freight rate fixed by the state railway commission and which becomes effective September 6th, the 100-pound rate from Omaha to North Platte is reduced ten cents on first class, thirteen cents on second class, and seventeen cents on third class.

For Rent—A five room furnished house. Inquire 315 E. Eleventh. 574\*

The Kansas City Red Sox ball team comes here Sunday for a series of three games, a double-header Sunday afternoon and the third game Monday afternoon. The first game Sunday will be called at 2:30. The Red Sox team has been here in the past seasons and has always put up a good article of ball.

Two large front rooms for light housekeeping. 514 E. Third St.

Will Moran, master mechanic for the Rock Island at Little Rock, Ark., arrived in town yesterday for a short visit with his mother and friends. Mr. Moran says traffic is very heavy on his division of the Rock Island, among the freight for immediate movement being 23,000 cars of wheat. Last Sunday sixty-three engines were sent out of the Little Rock terminal.

The road angling across Sec. 33, T. 12, R. 31, will be closed after September 1, 1914. O. L. Watkins. 54-4pd

Golf links will be an added feature to the Riverside country club, and the game is likely to have many devotees. A dozen or more members visited the grounds last evening and laid out the course or links, and in a week or so play will begin. Recent additions to the club has boosted the membership to over fifty, and with the adoption of golf as an added feature the list is likely to receive a further boost.

I will be glad to show you any of the above houses.  
C. F. TEMPLE, Agent.

**Grant Bunch is Easy**

The Independents shut out the Grant aggregation Wednesday afternoon with a score of 17 to 0. A much livelier game was anticipated as the Grant boys had defeated Ogalalla twice and Ogalalla has always trimmed the Independents. Bailey, the south-paw spit-ball artist, was on the mound for the visitors. He pitched good ball until the end of the sixth inning when he went out and Flynn, another south-paw, took the mound.

The loss of the game was largely due to errors, although umpire Swope also contributed his share to the local boys. Several times he was crabbed by the crowd for decisions made in favor of the local players.

The score RHE  
Grant.....0 0 0 0 0 0 0 0 0 5 9  
Nra Platte.....1 0 0 8 1 0 2 5 \* 17 11 2  
Stolen bases, Duncan (2), Grim (2), F. Sandall (2); sacrifice hits, Pierce; sacrifice flies, Pass, Langford; two-base hits, Duncan, Pass, Grimm, Langford, B. Lyon; double plays Langford to Duncan to Pierce; Base hits off Bailey, S. Flynn 3, Vance 5; bases on balls, Bailey 3, Flynn 3, Vance 1; wild pitches, Flynn 1; struck out by Bailey 5, Vance 7; hit batsmen, Flynn 1; passed balls, Rasmussen 1; umpires, Swope and Cochran.

**ELECTRIC COMPANY EXPECTS TO START BUILDING SOON**

The North Platte Electric company expects to begin in the near future on their new buildings for their plants here. A contract was recently let to W. D. Waldo of this city for the sand and gravel for the building and as soon as arrangements can be made the building operations will be begun.

The work of excavation will be started first and that will mean employment for many of the local men who are out of work. After that the brick work and the work of installing the machinery will keep a number of them. The contract for the sand and gravel is one of no small proportions. It calls for eight hundred yards of screened gravel and four hundred yards of sand.

The contract was signed recently by the electric company with the Gas Machinery company of Cleveland, Ohio for the gas machinery and the gas holder that will be used in the plant here. The gas plant will have a generating capacity of twenty-five thousand feet daily, and the holder will have a capacity of fifty thousand feet. Engineer French hopes to have the work started within the course of a very short time so that the work can be done before cold weather.

**Library Notes**

The regular children's story hour will be held in the lecture room of the library on Saturday morning, August 8th, at 10:30. Every child in the city under fourteen years of age will be heartily welcomed at this story hour which is conducted by Miss Mabel Duke.

The library is very well equipped to furnish information concerning the war and the countries engaged in it. The reading room has on file the Omaha Bee, The World-Herald, the State Journal and the Chicago Herald. The Herald is running a series of very excellent articles by Prof. Dorsey which give a great deal of information concerning the underlying causes of the present outbreak. There is also in the library an excellent set of encyclopedias, a late Rand-McNally atlas and a copy of the World Almanac of 1914 which gives a great many items of information concerning European affairs that are of considerable interest. All of the facilities of the library are at the disposition of every citizen and the librarian is always glad to help look up any information that may be desired.

**Commissioners' Proceedings.**

August 3, 1914.  
Board met pursuant to adjournment. Present, White, Springer, Herminghausen and county clerk. The following claims were allowed on the general fund.

**COL. DAVE LOVE**

SUTHERLAND, NEBRASKA.  
AUCTIONEER.  
Experience with sales of all kinds.  
Dates made with any bank in Lincoln County.

**COMMISSIONER WHITE**

**HOLDS OVER 2 YEARS**

**FILES INJUNCTION AGAINST COUNTY CLERK TO KEEP OTHER NAMES OFF TICKET**

According to ruling of the Supreme Court and Results of Test Cases, His Term Does not Expire for Another Year.

County Commissioner D. B. White filed an injunction suit in the district clerk's office Wednesday to enjoin County Clerk Yost from placing the names of other candidates for county commissioner from the third district on the primary ballot on the grounds that his term has not yet expired and he will not be obliged to make the race this fall. Cases similar to this have been and only a short time ago Judge Grimes decided in favor of the incumbent in office in Dawson county.

This state of affairs is the result of a measure passed at a recent session of the state legislature extending the term of county commissioners to four years. The measure was made to apply to those who were at present in office. The measure was passed last year. Mr. White was elected to office in the fall of 1911 and took office in 1912. For this reason he has one more year to serve and as there will be no county election next year he will hold over for another year, making his term five years.

Mr. White is the only candidate on the democratic ticket from the third district. The republicans, however, have D. M. Lypoldt up as a candidate for nomination and he will now be obliged to withdraw from the race.

**Notice**

On July 21st the city council made the following sewer lateral district levies  
District D.....\$28.63 per lot  
District J.....21.41 per lot  
District C.....28.95 per lot  
This list has just been certified to me and these taxes are now due and payable at my office.  
F. L. MOONEY,  
City Treasurer.

McDONALD, 564 North Platte, Nebraska. Hershey, Nebraska. Anyone wishing sewing done call on Miss Katie Spies, Phone black 151. 5622p

**FALL FESTIVAL COMMITTEE TO HAVE USE OF STREETS**

At the meeting of the city council Tuesday evening a representative of the fall festival committee appeared before that body and asked that they be allowed to use the streets for the fall festival, and the council advised that they might use the streets and collect the occupation tax for same for those three days, September 1, 2, and 3.

The festival is planning to use the streets for a number of entertainment features and they will also grant concessions for certain kinds of stands. The local people will be given the first opportunity for the stands and no stands will be allowed that are not on the square. No chancery of any kind will be let in and nothing on the order of a fake or a street show will be allowed. This step is taken for the protection of the local people and of those who visit our city during the fair and festival.

The council also passed the ordinance for the tax levy for the next year and also the appropriation ordinances. The matter of a shooting gallery was brought before the body and they passed an ordinance governing the running of them here. The price fixed for this was five dollars per day for five days or less and over that they will be compelled to take out a license for a quarter. The yearly license was fixed at sixty dollars per year, payable quarterly.

A committee of the plumbers appeared again before the body in regard to an ordinance governing them and a number of questions were discussed in regard to the ordinance that was proposed some time ago. The matter was referred to the committee and it will probably be finished up in the near future.

**Card of Thanks**

We wish to thank the neighbors and friends and the Rebekah lodge for their many kindnesses during our time of sorrow at the death of our wife and daughter. Also for the many beautiful floral offerings.  
D. O. TEEL,  
MR. AND MRS. N. KLEIN.

**The local Baptist church held their annual picnic Tuesday in the Bird-wood grove.**

They left here in the morning in a special car and spent the day in the grove. A pleasant time was reported and several reports a good catch of fish. About one hundred members of the church and Sunday school attended.

**A Matter of Judgment**  
Deacon Jones' goat was king of Jonesville until the railroad came. He had butted everything into immediate flight, from the yellow dog to the tax collector. The day the first express came tearing in at thirty miles an hour, the goat met the engine "half-way." As the deacon stood thoughtfully amid a "shower of goat remnants" a friend said: "Well, deacon, what do you think of your goat now?" "Oh" said the deacon, "I admire his courage but damn his judgment."  
The man who reasons that all lumber is alike because it LOOKS alike, has several more things coming. There is a difference in lumber—a big difference, as you can readily see by comparing our fine grades with others. We refuse to accept anything from the manufacturers that is below our high standard of quality, and when it comes to lumber, shingles, plaster, cement, etc., there's not another yard in these parts can give you the values that we can.  
Show your good judgment anyway, by seeing us before buying.  
**C. F. Iddings Company,**  
North Platte, Nebraska.

**Mr. Home Owner or Home Builder**  
**The Vacuum Furnace**  
Embodies the most advanced ideas in heating plants of a generation.  
**Can be Installed in an Old House**  
in one day without cutting or marring the walls—no tinner required.  
**Costs Less to Install**  
than the old style furnace and we absolutely guarantee it to produce more heat in every room of your house with **ONE-THIRD LESS FUEL**  
than any other furnace on the market—bar none. Burns hard coal, soft coal or wood successfully.  
Note the Vacuum principle—the cold air is drawn from the rooms through the air-tight jacket that surrounds the furnace, into the radiation chamber, heated and radiated all through the house. As long as there is a particle of fire in the firebox this circulation continues.  
You are not drawing air from the outside, heating it and forcing a circulation. With the VACUUM FURNACE you heat the air that is in the house and get accleration that is both practical and scientific. The room farthest away from the main register will be the warmest.  
  
**THE VACUUM PRINCIPLE**  
  
**THE CIRCULATION PRINCIPLE**  
No pipes in the basement or between your walls—no fire risk—no heat wasted in the basement, as the cold air jacket surrounding the furnace insulates it and makes it work exclusively on the air drawn from the rooms above. To install THE VACUUM it is necessary to cut only one hole in the floor for the main register with perhaps a couple of small ventilating flues to insure complete circulation. It will heat and ventilate every room perfectly. Send for our illustrated catalogue giving detailed description with scores of testimonials from satisfied purchasers, or call at our office and examine THE VACUUM FURNACE and let us explain its excellent features.  
SAMPLE FURNACE AT FILLION SHOP  
Write, wire or telephone for catalogue.
