Wheat advanced a fraction on the war news, a decline in consols, higher foreign markets, moderate receipts, light world's shipments, and covering as well as more or less foreign buying for both accounts. Liverpool rose ¾ to 1d. and Paris 5 centimes. The Northwestern receipts were nearly 250 cars smaller than a year ago. The world's shipments were 5,801,000 bush against 5,149,000 last week and 7,150,000 last year. The quantity on passage decreased 320,000 bush. The visible decreased 909,000 bush, the English visible 756,000 and the European visible 1,920,000. Berlin rose ⅝c. and Budapest ¼c. The primary receipts were 476,654 bush, against 948,000 last year. On the advance local and Western longs sold and prices reacted. Liverpool, too, lost most of the early improvement, closing ¼ to ¾d. higher, the cash demand was dull, and the clearances were only 190,000 bush. But toward the close the early sellers bought and prices moved upward again. There was further talk of interrupted Argentina shipments, and the French crop is estimated at 21,000,000 bush. less than last year. Corn was dull and easy. Liverpool was ¼d. higher, and there was a decrease of 1,200,000 bush. on passage, but the visible increased 482,000 bush, and there was pretty free selling of long corn at the West, while the world's shipments were nearly a million bush. larger than last week. Oats were featureless. The visible increased 244,000 bush.

Futures here closed steady with this exp unchanged to 5 lower, and the next 5 to 6 higher. Estimated sales 400,000 bales. Prices as follows:

Unexpectedly strong Liverpool cables in view of the British reverse in South Africa, foreign buying of the summer months and some Wall Street buying and covering of shorts caused a moderate advance in cotton early in the day. The South sold here and local longs took profits, but the offerings were readily absorbed. The strength of Liverpool in the face of the unfavorable South African news, however, was the chief factor. Still, on the rise, Wall Street and local operators sold and prices reacted, the near months declining slightly. The receipts at the ports and the interior towns were larger and Liverpool lost part of the early improvement while the net sales there dropped to 8,000 bales. The ports got more than double the quantity received on this day in 1897 and the New Orleans and Houston estimates for to-morrow were heavier than for to-day.

COFFEE.—Rio on the spot was quiet at 8½c. for No. 7. Sales, 600 bags Central American. Futures declined 10 to 15 points and closed steady. Sales, 44,000 bags. Havre declined ⅝ to 1 f., and Hamburg ⅛ pfg. American warehouse deliveries last week 92,327 bags, against 151,075 in the previous week and 116,087 last year. Rio was steady at 57 reis decline. Exchange, 7 9-16d., 1-32d. decline. Receipts, 11,000; stock, 157,000. Santos was firm at 100 reis advance; receipts, 19,000; stock, 519,000. Prices here as follows:

Lower cables than had been expected, foreign selling and local liquidation caused a moderate decline on coffee. The American warehouse deliveries showed some falling off for the week, the total being 98,000 bags.

METALS.—Tin was higher in London, but here the general list showed little change. Tin closed steady at £127 for spots and £124 10s. for futures. Copper both here and in London was unchanged. CHICAGO, Jan. 29.—Provisions opened higher with the hog and grain markets, but the demand was only moderate and free short selling of pork together with liberal realizing sales caused a sharp decline, from which there was a slight reaction, the market closing steady. Packers bought sparingly. The market lacked support most of the day. The cash trade was fairly good.

REAL ESTATE NEWS.

In spite of the fact that Monday is usually one of the dull days in the realty market, two of the most important transactions reported in some time were closed yesterday. The new twelve story fireproof business building, Nos. 632 and 634 Broadway, was sold for about $800,000. A. D. Juillard, the buyer of the property, gave in part payment several parcels of property on Eighteenth and Nineteenth streets, near Sixth avenue, on which Mr. Corn will erect a twelve-story building. The second sale of importance involved Nos. 4 and 6 East Twenty-third street and No. 7 East Twenty-second street, which were bought by a client of Horace S. Ely & Co. for about $400,000. It was not possible to learn yesterday the uses to which this property will be put.

Outside of these two sales the business reported by the brokers was good. An apartment house on West Ninety-second street was sold to an investor for $120,000; the stables, 75x100, Nos. 18 to 22 East Thirty-fourth street, were sold for the Hilton estate and others, and the triangular plot at 126th and Manhattan streets was resold, and will be improved by the erection of a three-story business building.

Two of the three offerings in the auction room were secured by outsiders. Two tenements on Ninth avenue, sold in foreclosure, were bought by an outsider for $3,000 less than was paid for them in 1899.

The organization of the Alliance Realty Company, which will build the $4,000,000 sky scraper at Exchange place and Broad street, has been completed and the following officers have been elected: Frederick Southack, President; George R. Read, First Vice-President; J. C. Cobb, Second Vice-President; and Alwyn Ball, Jr., Secretary and Treasurer. Among the directors are James Stillman, H. O. Havemeyer, George R. Read, and William A. Read, Charles Francis Adams, second, of Boston, Charles E. Ayer of Boston, Henry Morgenthau and Michael Coleman.

Private Sales.

Frederick Southack & Co. have sold to A. D. Juilliard for Henry Corn, the new twelve-story and basement modern fireproof building, Nos. 632 and 634 Broadway, for about $800,000. Mr. Juilliard gives in part payment, his property situated in Eighteenth and Nineteenth streets, about six and a half lots, adjoining the Siegel-Cooper Building.

Horace S. Ely & Co. have sold for Joseph T. Loubat to a client, for about $400,000, the properties Nos. 4 and 6 East Twenty-third street and No. 7 East Twenty-second street. The Twenty-third street property is 50x98.9 and the Twenty-second street property, 20x98.9.

F. R. Wood has sold for Emilia Vigna to an investor, for $120,000, the new six-story apartment house, 50x87x100.8, Nos. 288 and 290 West Ninety-second street. The buyer gives in exchange at $50,000, property in New Haven, Conn.

George R. Read has sold for the estate of Henry Hilton and Charles J. Clinch, the three two-story stables, 75x100, Nos. 18 to 22 East Thirty-fourth street.

William Baumgarten & Co. have bought the old buildings, on plot, 130x100, on the south side of Forty-fourth street, 125 feet west of Second avenue.

Charles E. Schuyler & Co. have resold the triangular plot on the west side of Amsterdam avenue, at the junction of 126th and Manhattan streets, to a client.
