#### Locals Again Prove Prowess.

The North Platte high school eleven defeated the Sterling, Colo., bunch Friday afternoon on the local gridiron by the score of 37 to 0. The game was one-sided in the first quarter, but after that the visitors played a fairly good game. Cool, Kelly and Boal starred for the locals although all played a good game. Fitch, right end, Pippin, fullback and Frame, quarterback, starred for the visitors.

In the first quarter Cool got away three times for long runs for touchdowns. Sterling kicked off and Gregg received the kick. The ball was put in play on the sixty-yard line and with a few line bucks it was advanced to the forty-yard line. There Cool got away for a forty-yard run and a touchdown. In the first quarter he made a fifty-yard run and another forty-yard run for touchdowns. No goals were kicked.

In the second quarter no scores were made. In the third quarter the ball was advanced to the sixty yard line when Kelly was pushed over for another. Two more touchdowns and one goal were made in the fourth quarter. The Sterling boys had the ball to the twelve yard line and there they lost on a fumble. The ball was advanced up the field and Cool got away for another forty-yard run on a forward pass from Hoxie, scoring again. Fitch then made a sensational thirty-yard run for Sterling, but on the next play Boal intercepted a forward pass and after a forty-yard run by Cool on a fake play from Loudon Kelly was pushed over for the sixth touchdown and Loudon kicked goal.

The visitors used the mass formation nearly altogether and would probably have scored had they used it more as they made consistent gains with it while on other plays they often fumbled. The officials were Baskins, referee, Knowles, umpire, and Schilling, head linesman.

#### Packard Pleases Good Audience.

Alton Packard, cartoonist, appeared Saturday evening at the Presbyterian church on the second number of the lecture course and pleased a good sized audience. In addition he proved quite a talented musician and sang some very funny songs, accompanying himself. The closing part of his program, consisting of pictures of sentiment, was exceptionally good and held the rapt attention of the audience.

The next number of the course will be the Princeton Players who will appear Wednesday evening, November 11. The date given on the season tickets is November 1st, but this is a mistake and the holders of tickets must notice this error.
