

Prize Winners at the Lincoln County Fair.

For the benefit of the people of Lincoln county, we are printing the returns of the County Fair in full, giving the names and address of parties awarded premiums. This list also shows the names and address of parties awarded premiums at the Nebraska State Fair and the returns of the Better Baby Contest and also the money that was paid out to each precinct as a precinct exhibit.

Kindly permit us to thank you for your efforts which you expended that made our 1915 Fair a success. Lincoln county took first money at the Nebraska State Fair. This is something every citizen in the county appreciates, from the standpoint of good citizens' pride, and a boost for our county.

We further desire to say that if there has been any mistake in awarding these premiums, paying out these premiums on the part of the fair management, or in other words, if any exhibitor received too much money or failed to receive enough money, we would be glad to have you call our attention to any error that might have occurred and we will be glad to adjust the same.

Believing that the county fair interest throughout Lincoln county is growing from year to year, and hoping that our 1916 fair will be better in every respect than the 1915 fair, and again thanking you for your efforts and soliciting your heartiest co-operation for the 1916 fair, which stands for the betterment of agricultural conditions in all its branches, we remain,

Yours very respectfully,
F. C. PIELSTICKER, President.
J. E. SEBASTIAN, Secretary.
