# DUAL WIN FOR W. C. WHITNEY.

## KING HANOVER FIRST IN GRAND UNION HOTEL STAKES.

### His Stable Companion, Goldsmith, Runs Second and Rose of May Also Carries the Whitney Colors to Victory—Belle of Lexington Upsets the Talent.

SARATOGA, Aug. 21.—The Grand Union Hotel Stakes, valued at $10,000, for two-year-olds at six furlongs, was the main event decided here this afternoon and W. C. Whitney had the pleasure of seeing his colts take first and second money, King Hanover winning and Goldsmith finishing in the place. Rose of May also won, carrying the Whitney colors. The Grand Union Hotel Stakes was the third event to be run and eight took part in the race. August Belmont took Leonid out and allowed Masterman to run, while Mr. Whitney, who had three down to start, withdrew Pretorius. Peninsula and Albert were also withdrawn. Goldsmith was thought to be the best of the Whitney pair, and as he had 127 pounds to carry against Saturday's 110 pounds, the latter was selected as the probable winner and made an 8 to 5 favorite with the Whitney stable at 2 to 1. Goldsmith and King Hanover were well played, however, so that when the final quotations were in Saturday and the stable were each at 9 to 5.

The flag fell to a ragged start, after a short delay, and Burns rushed King Hanover to the front to make the running. Masterman lay in second place, a length back and a head in front of Goldsmith. Saturday ran in fourth place, but he never improved his position. The other three did not change positions until the stretch was reached, where Masterman began to tire under the 127 pounds he had to carry and left Goldsmith to go after his stable companion. The stable had not declared to win with either one, so that when Goldsmith closed Burns sat down and rode King Hanover hard, and he held out to the finish and beat Goldsmith by a neck. Turner did not ride Goldsmith out in the last five or six jumps. The victory on King Hanover takes away all his allowances in the Futurity. On the showing of Goldsmith to-day turfmen are beginning to concede the Futurity to Mr. Whitney. He has Goldsmith, Nasturtium, King Hanover and Pretorius eligible for the big event, and it is said that Pretorius is even better than Goldsmith and King Hanover.

Rose of May, Whitney's other winner, landed the closing event, City Bank was the favorite opening at 5 to 2 and closing at even money, because Rose of May was tacked from 8 to 1 to 2 to 1. Rose of May led all the way and won easily. The first race was a dash of six furlongs, and the betting on the race was very lively. Chuctanunda and Demurrer were equal favorites at 3 to 1. It was the biggest upset of the day, for Belle of Lexington, quoted at 20 to 1, led all the way and won easily by three lengths with Chuctanunda in the place. Belle of Lexington ran the six furlongs in 1:12 2-5, which is a new track record. The crack sprinter, Voter, held the former figures of 1:12¾, made on Aug. 1, 1899, with 123 pounds.

Alfred Vargrave closed at 2 to 1 and Bowen at 11 to 5 in the second event. After Inshot had led to the far turn Bowen and Alfred Vargrave moved to the front and after a battle race all the way to the finish Bowen received the verdict by a head. Inshot won the fourth race and he made a big winning for his owner, "Pittsburg Phil." The race was a handicap at a mile and 70 yards, with Isidor having top weight at 126 pounds, and as it was not thought he could go the distance, as good as 5 to 1 was laid against him at one time, Ben MacDhui being the favorite. There was a delay of half an hour at the post caused by Burns, who rode Ben MacDhui, and the result was that Isidor went very lame in the false breaks. Isidor took the lead at once and, holding it all the way, won in a drive by a length from Ben MacDhui. Summaries:

## SCHOOLBOY DELEGATES HERE

### To Assist in Forming State Interscholastic Athletic Association.

Delegates from several of the schools along the Hudson River arrived in the city yesterday afternoon to get information in regard to the State Interscholastic Athletic Association to be organized in this city on Saturday, Sept. 7. They are the guests of some of the local schoolboys and will remain here for a few days. All say that the youngsters up the State are anxiously awaiting the day when the association will be perfected. The season for the Hudson River schools will open the latter part of this month, but nothing will be done until after the meeting.

The rumor that the Bronx School Interscholastic Athletic Association would not join the new organization is without foundation, Thomas Donnelly Donahue, who is not in favor of the association joining, said: "The reason I do not favor the scheme is because we have not the material to cope with larger associations and to be continually defeated would knock the interest out of our boys and probably we would be afraid of breaking us up. But, however, the matter is in the hands of a committee and whatever they do is satisfactory to me."

The public schoolboys of this city see in the new association an opening for them. From what could be learned these youngsters are going to make a strong fight to become members of the new body. Although not fully organized the Bronx School Association has taken them in as members and they will be backed up by that body in the new association. Should they be admitted which is not at all unlikely they will organize at once and from present indications will get together as strong an association as any in the city. One of the boys in a Harlem school said yesterday:

"I don't see why we should always be barred from competition with scholastic teams. Whenever we say we are trying to join an interscholastic athletic association the cry is raised that we are not members of a private institution. That is wrong. We want to show the public what we can do and the only real test is with an association outside of our own."

### Roque.

NORWICH, Aug. 21.—The third day of the National Roque tourney wrought quite a change among several of the lower players, but as far as the leaders are concerned, Condon, Strong and Cox hold the first division honors among them. In the second division to-day H. P. Howard secured a clear title to first place. For the Van Wickle gold badge Cox has defeated Wahly three matches and as it is for the best four out of seven he is practically assured of the trophy. The annual meeting was held to-night and resulted in the following election: President, J. B. Bell, Wilmington. Vice-Presidents, L. C. Bryant, Northampton; S. Metcrosby, New York; H. P. Howard, Jr., Washington; Secretary and Treasurer, N. L. Bishop, Norwich. The committee on change of location decided the headquarters of the association should remain in Norwich. ### Flanagan Will Get Discus Record, After All.

The report sent out on Tuesday that the discus used by John Flanagan, when he broke the world's record at Celtic Park last Saturday, was four ounces light was incorrect. The weight was not officially tested until yesterday, when H. J. Buermeyer, of the firm of William Avis & Co., took charge of it and had it weighed by United States weighers. Mr. Buermeyer presented a certificate to James E. Sullivan, Secretary of the A. A. U., that the discus weighs exactly 4½ pounds. Mr. Sullivan said that as everything else in connection with the throw was regular, Flanagan would undoubtedly receive credit for the record of 136 feet six inches.

### Taylor Wins Y. M. C. A. Handball Tournament.

The handball tournament which has been in progress at the Prospect Park branch of the Y. M. C. A. since April was ended yesterday. There were forty-eight competitors, four of whom were handicapped while the rest were scratch. The three prizes were won by William Taylor, Jr., J. H. Higgins, Jr., and A. McLeod. The most interesting games were played yesterday between Taylor and Higgins. Each played his best to carry off the first prize. The result was: Taylor, 21-6, 21; Higgins, 10-21, 15.

## QUAKERS BEAT BROOKLYNS AND NEW YORKS LOSE.

### Pittsburgs Lose to St. Louis—Chicagos Outplay Cincinnatis — A Forfeited Game in the American League, Baltimore Refusing to Abide by Decision.

The Brooklyns were defeated by the Philadelphias yesterday just missing taking six games straight from the strong Quakers. Five out of six, however, from Jennings's hustlers is a splendid record and shows that the Champions are formidable in form. Kitson was hit hard yesterday for the first time in several weeks. The Brooklyns are still third, one point ahead of St. Louis, the latter winning from Pittsburg. Boston beat the New Yorks once more, the Harlemites moving closer to the tail end as Chicago defeated Cincinnati. Chicago's lead in the American League is dwindling rapidly. Yesterday the leaders were shut out by Washington, Boston meantime downing Milwaukee. Trouble with the umpire again cropped out conspicuously in this League. The Baltimores forfeited to Detroit, refusing to abide by Umpire Connolly's ruling. This is the second time this season the Orioles have resorted to this procedure. Philadelphia took two games from Cleveland. The National League results and standing follow:

Boston, 5; New York, 2.

Philadelphia, 6; Brooklyn, 2.

Chicago, 8; Cincinnati, 1.

St. Louis, 4; Pittsburg, 3.

BOSTON, 5; NEW YORK, 2.

BOSTON, Aug. 21.—Boston hit more timely than the visitors to-day and won. Dineen and Denzer pitched excellent ball, with matters very even. Both teams played a clean, fast game in the field. In the sixth and eighth innings the locals bunched their hits, scoring five runs. In the first inning Van Haltren singled and scored on Davis's double. In the ninth New York made a rally. Selbach started in with a two-bagger. After Murphy fanned out Bowerman singled and Ganzel flied out to De Montreville, Selbach scoring. Warner singled but was forced at second by Hickman. The score:

CHICAGO, 9; CINCINNATI, 1.

CINCINNATI, Aug. 21.—"The great Reub" was the central figure in the show at League Park this afternoon. Waddell made the Reds look like a lot of understudies for Gus Hill. There was only one bright spot in the performance, the Chicago point of view, and that was when Crawford swung around the circuit on a drive to centre with his thirteenth home run of the season. There was a big crowd present, owing to an anticipated double header, but only one game was played, for it began to drizzle in the second inning and continued to the finish, and when Kelly came to the second game to start the weather conditions were such that it was called off. The Chicagos remain over to play the game to-morrow. The score:

### Umpires Mobbed in American League.

BALTIMORE, Aug. 21.—While umpiring the Baltimore-Detroit game here to-day, Umpire Connolly was mobbed by an angry crowd, and one of the spectators, Frank Allen, struck him a stunning blow in the face. Allen was arrested and fined $10 and costs. In the third inning Casey of the Detroits, hit a high ball to right field. Connolly called the ball fair and the crowd went wild. The game went on and Foreman was getting his knocks when Howell was substituted. There were three on bases and two out when Barrett hit to Williams, who took his time throwing to home to get an assist. Connolly declared Miller out. Meidnotts then walked up to Connolly and trod on his feet, whereupon the umpire declared the game forfeited. Howell caught hold of him and proposed a ducking. Elberfeld of the Detroits, thinking him in earnest, tried to pull Howell away, whereupon the police swarmed on the field, followed by the spectators. One of the latter, Allen, forced his way through and struck Connolly in the face and others were trying to get at him when the umpire was hustled into the ticket office. Allen was arrested. Elberfeld and Howell were also taken into custody, but acquitted. To-night the police department notified the management that Connolly will not get any protection in the future. Connolly fined McGinnity and Howell.

WASHINGTON, Aug. 21.—During the Chicago-Washington game to-day Umpire Haskell was assaulted by two of the Chicago players, who objected to a decision. The men, Katoli and Shugart, were arrested and released on collateral for their appearance in the police court to-morrow morning. The trouble occurred in the fourth inning. Clingman of the home team was on third when a wild pitch hit Umpire Haskell, who ordered Clingman to come in. Katoli, angered by the decision, slammed the ball viciously at Haskell, hitting him on the leg. Haskell ordered him out of the game, whereupon Shugart rushed up and struck the umpire in the mouth, knocking him down. Both men were dragged from the field and locked up. But for the excellent police protection at the grounds it would have gone hard with the Chicago players as the spectators took a hand and were handling Katoli and Shugart very roughly when the police interfered.
