Wheat declined a fraction at first on lower cables, foreign selling, liberal Northwestern receipts, weakness at St. Louis and liquidation here and at the West as well as more or less short selling on generally favorable weather and crop reports. Paris declined 50 to 50 centimes, Liverpool ¼d., London ⅛ to ¼d., Berlin 1¼ marks and Budapest ⅝c. The Northwestern receipts were 140 cars larger than a year ago. But on the decline shorts covered rather freely and prices quickly rallied. Increased clearances caused some buying and so did a rally of 5 to 10 centimes at Paris and reports of damage to the Northwestern crop. Corn declined on lower cables, better crop accounts, a sluggish cash trade and liquidation in which the month took part. Liverpool declined ¼ to ⅛d. and London ¼ to ½d. Covering caused a rally later on. Oats fluctuated with the rest of the list. Elevator people sold.

FLOUR Quiet and steady. Sales, 9,500 bbls. Receipts were 10,493 bbls. and 25,712 sacks. Exports, 9,539 bbls. and 7,015 sacks. Winter in bbls.: Superfine, $2.35@$2.45. COTTON Spot cotton here advanced ¼c. Sales, 425 bales for spinning and 3,300 delivered on contracts. Middling uplands, 8 3-16c., against 10c. last year. New Orleans and Gulf, 8 7-16c., against 10¼c. Galveston and New Orleans advanced 1-16c. and Savannah and St. Louis ⅛c. Liverpool advanced ⅛d. on the spot, with sales of 9,000 bales; futures advanced 4½ to 7½ points, but lost part, closing at a net rise of 3 to 7. Manchester quiet. The movement to-day was as follows:

	To-day.	Last Wk.	Last Year.
Port receipts	2,452	1,062	1,158
Augusta	12	34	159
Memphis	26	16	11

April	7.66	7.62	7.62@7.63

There was a further moderate rise in cotton early in the day, owing to unexpectedly strong cables, Liverpool rising equal to 14 to 23 American points, bad crop reports from the South-west, the absence of rain in Central Texas, further heavy rains in the Atlantic States where they are not wanted, an increased demand from outsiders and local Southern and foreign buying. Later on, reports of rains in Texas caused some reaction. The rains were light, but they had more or less effect, especially as showers were predicted for Texas during the next thirty six hours. Local and Southern operators took profits. There was no disposition to sell for short account, however, for spot markets were strong with an increased demand and the situation in Texas is regarded as critical.

COFFEE Rio on the spot was more active and steadier at 5¾c. for fair. Sales, 2,000 bags this week. To be shipped, at 5¾c., short terms 1,000 Santos, Nov. 5 and 6c. and 3,000 Maracaibo, 2,000 Sabanilla. Futures advanced 5 points, but lost it and closed steady at unchanged prices. Sales, 75,250 bags. Havana and Hamburg were unchanged. American warehouse deliveries, 7,847 bags. Rio firm with prices and exchange unchanged. Receipts, 15,000 bags. Stock, 411,000. Santos firm at 100 reis advance. Receipts, 47,000 bags. Stock, 1,000,000. Interior movement, 25,000 bags. Prices and exchange unchanged.
