# WORK BUYS PETER STIRLING.

## WELL-KNOWN ROAD DRIVER SECURES THE FAST TROTTER.

### Pays $9,200 at the Big Sale—He Also Buys His Half-Brother for $2,200—In Seven Days 735 Head Have Sold for $450,040—Maggie Mills Will Go to Vienna.

The "Old Glory" sale of harness horses being held by the Fasig-Tipton Company at the Madison Square Garden started on its second week yesterday and the attendance all day was very large. The horses are selling just as well as on the first day of the sale and prices are averaging well. The 112 head disposed of yesterday brought $67,180, an average of $598.90 each.

Among these was the consignment of D. C. Palmeter, several of which were by Baronmore. Six three-year-olds by this stallion averaged $1,881 each, which is said to be the highest average made by three-year-olds at an auction sale. Mr. Palmeter was very much pleased with the result of the sale.

Since the sale began 735 head have been sold for $450,040, averaging $612.30 each.

The sale will be continued this morning with several small consignments among which are some very attractive animals.

One of the best consignments of the sale was thirteen head from the Riverside Park Farm, Berlin, Wis., belonging to D. C. Palmeter. Peter Stirling, with a record of 2:11¼, the champion three-year-old gelding and winner of the Kentucky Futurity and Louisville Prize, was the best of the lot. Peter Stirling is a handsome chestnut, by Baronmore—Medio. It was expected that he would bring a big price and Henry Titer, M. Bowerman and a few others started in bidding. Then David Bonner, representing Frank Work, took a hand in the contest. Bowerman bid $9,100 and Mr. Bonner $9,200. The auctioneer could not coax another bid and the gelding will remain in this city. Mr. Bonner also paid $2,200 for Black Robert, a six-year-old half-brother to Peter Stirling. This gelding was also for the Work stable. The thirteen head brought $17,040, averaging $1,310.75 each.

Two ex-champions, Mascot, 2:04, ex-champion pacer, and Azote, 2:04¾, champion trotting gelding from 1895 to 1900, were also disposed of. Their days of usefulness are gone and Mascot was purchased by M. S. Pine of Jersey City for $360 and Azote by Joseph E. Leggett of Troy for $425.

Bi-Flora, a mare by Expedition, caused some keen competition. John Splan secured her for $6,000. Maurine, 2:13¼, by Hinder Wilkes, brought $3,000, the purchaser being B. Tappan of Vienna, Austria. Albert Moser, also of Vienna, gave $3,000 for Maggie Mills, 2:16¾, by Chime Bell. Harold, by William C., was bought by E. M. Jacobs, Berlin, Germany, for $140.

King Chimes, with a trotting and pacing record, was bought by A. C. Fiske for $1,700. When the Floyd-Jones lot was offered Mr. Floyd-Jones announced that Peppina, one of a team, was lame. He would not withdraw the team, but bid $1,000. No one raised this and the team was bought in. The sales yesterday follow:
