Wheat declined a fraction early in the day, owing to favorable weather and crop reports, a decline of 1c to 3d at Liverpool where prices were depressed by large arrivals of coast, favorable foreign and crop reports and selling here and at Chicago, where the Southwest sold pretty freely. The weather in the Northwest was generally clear and promises an increase in the crop movement in that section. There was a persistent selling of September at Chicago. But the pressure to sell abated later on and on a good decrease in the visible. Former Continental cables, larger seaboard clearances and smaller receipts, as well as more or less new buying prices partially rallied. Bradstreet's reported a decrease in the available supply in this country of 1,317,000 bush, and a decrease in Europe of 1,100,000, making a total loss in the world of 2,417,000. Paris was unchanged to 10 centimes higher while Budapest advanced 20 kr. and Berlin 3 to ¼ mark. Corn declined on larger receipts, Chicago getting 524 cars, favorable weather and crop news, a decline of ¼ to 3d in the cables and selling for both accounts, but later there was a rallying on the recovery in the Southwest and shorts. The available supply decreased 2,000 bush. Oats fluctuated with corn. The available supply increased 51,000 bush. There was considerable hedging by commission houses in the West. Crop and weather news was favorable.

Police Books at a Trial; Case Held Up.

Detective Sergeants Kinsley and Duggan arraigned Samuel Sulcus of 163 Eldridge street in Jefferson Market court yesterday, charging him with the larceny of $1,500 on Jan 2 of this year. The detectives could not tell Magistrate Pool the names of the complainant as the robbery took place in the Fifteenth precincts, the books of which are in use at the Churchill trial. The complainant is said to be a farmer from Long Island, who was held up on the East Side just before starting on a European journey. Sulcus was held in $2,000 bail until Thursday, when the complainant will be in court.

PROPOSALS.

PROPOSALS

For the purchase of bonds of the City of Vauco.

Office of the Mayor,
Vauco, Porto Rico,
May 21st, 1902.

Under and by virtue of the authority granted in the Act of the Legislative Assembly of Porto Rico entitled "An Act to authorize and regulate the issuance of bonds by the cities of Porto Rico," approved January 31, 1901, and Section 38 of the organic act of the Congress of the United States, approved April 12, 1900:

Sealed proposals will be received by the Mayor of the City of Vauco, at his office in said City, until four (4) o'clock P. M. on Saturday, June 21, 1902, for the purchase of the whole of one hundred thousand dollars ($100,000) of bonds of the City of Vauco, Porto Rico, at not less than their par value, the bonds to be delivered and the purchase money therefor paid, as soon as such bonds shall have been regularly executed, delivery of the bonds and payment of the purchase money therefor to be made either in the City of New York or in the City of Vauco at the option of the purchaser hereunder.

The purpose of the proposed loan are for the construction of an Aqueduct, for the construction of a filter for said aqueduct, for the construction of an electric plant for the lighting of said City, and for the construction of an iron market house for the use of said City.

The said bonds are to bear date January 1, 1902, to mature in twenty years after their date, and to bear interest at the rate of six (6) per cent per annum, payable semi-annually, the first semi-annual instalment of interest to be payable on July 1, 1902, and thereafter on the first days of January and July, in each and every year; the City reserving the option to redeem and pay said bonds, or such portions thereof as may be called, at par, with the interest thereon, on any interest paying day on and after January 1, 1912, upon giving sixty (60) days printed notice in one or more newspapers in the City of New York, or in the City of Ponce, to be designated for such purpose by the purchaser hereunder.

The bonds will be issued in denominations of one thousand dollars ($1,000.00), with coupons attached, suitably lithographed or engraved, in English, consecutively numbered, duly registered in the Office of the Treasurer of the City of Vauco, certified copies of such registration transmitted to the Treasurer and Auditor of Porto Rico for record, in their respective offices, the interest and principal to be paid in gold coin of the United States at some bank in the City of New York, or in the City of Vauco, to be designated by the purchaser.

The total assessed valuation of the taxable property of the City of Vauco for the year 1901 is $2,000,000. In the event of a failure on the part of the City to make prompt payment of the interest or principal of the bonds, or any part thereof as the same shall become due, the City, as a pledge of its good faith, authorizes the Treasurer of Porto Rico to retain and set aside from revenues and moneys thereafter to be collected by the insular government and due to the City, a sum sufficient for such payments in arrears.

A certified check of any National Bank of the United States payable to the order of the Mayor of the City of Vauco for the sum of two thousand dollars ($2,000.00), or cash for the same amount, must accompany each proposal, as a guarantee of good faith.

If the terms and conditions of the proposal of the successful bidder are not complied with, he shall forfeit his deposit; otherwise the deposit shall be returned upon completion of the contract. The checks or deposits of unsuccessful bidders shall be returned immediately after the awarding of the bid.

Proposal for the above-named bonds and the certified checks or deposits therewith must be in conformity with the terms and conditions of this notice and without other provisos or conditions. Proposals in conflict herewith will not be considered.

At the hour of four o'clock P. M. on Saturday, June 21, 1902, the bids will be closed, and the Mayor of the City of Vauco shall forthwith cause the proposals received to be opened and scheduled in the presence of the City Council. The City Council shall thereupon proceed to consider the proposals and take proper action thereon within forty eight hours.

The award shall be made to the highest bidder complying with all the terms and conditions of this notice.
