CHICAGOS BEAT NEW YORKS, WHO DRAW NINE BLANKS.

Brooklyns Take a Fall Out of St. Louis, Pittsburgs Win From the Philadelphias and the Bostons Defeat the Cincinnatis Again — American League Results.

The New Yorks ran foul of one of their numerous shut-outs yesterday, the Chicagos doing the trick. The Brooklyns were too much for St. Louis and Boston put another crimp in Cincinnati's first division hopes. The Pittsburgs indulged the Philadelphias for a while and then won out.

CHICAGO, 6; NEW YORK, 0.

In seventeen of the eighteen half innings played at the Polo Grounds yesterday afternoon there was no scoring, but the stray half inning was a period of great profit for the Chicagos. While they were at it they made every moment count and made enough runs to put the New Yorks completely out of it. For the New Yorks there was nothing but blanks. They showed no symptoms of recovery from the light hitting malady which has held them in its grip most of the season, making only five hits of Menefee, and their fielding was nothing to brag of. Likewise they did not do anything on the bases. In the fifth inning Wall, after leading off with a scratch two-bagger, stood off the bag motionless as a graven image, and was caught napping by Kling's quick throw right after Smith had struck out. It seems to be no harder for a camel to pass through the eye of a needle than for the New Yorks to advance a base runner. McGann was on first in the second inning with nobody out, but that was as far as he got. Menefee puzzled the New Yorks with a change of pace and had them reaching for a slow ball before it was due to arrive and consequently hitting easy grounders or lifting the ball in the air. Brodie ended the sixth inning with a pop fly when there were three on bases, two infield singles and a base on balls having placed them there.

BROOKLYN, 6; ST. LOUIS, 3.

From good fast ball on Thursday the St. Louis men switched to indifferent ball yesterday and were beaten by the Brooklyns, who braced up over night. The Cardinals did not show their usual hustling qualities and what there was of that element in the game was confined mostly to the Brooklyns. The first Brooklyn score was due to a fumble by Hartman after hard hitting and a base on balls had filled the bases. Dolan's hit followed Hartman's error and there were two more runs. Brooklyn's succeeding runs were made in much the same way, errors on batted balls intermingled with hits. However, full credit is due the Brooklyns for coming along with the hits when they would do the most good. The Cardinals fared briefly in the sixth inning. O'Neill and Yerkes got bases on balls in succession, Brashear hit for two bases and Barclay and Donovan singled.

What Can a Woman Do for a Man?

In Times of Suffering and Critical Illness She can Honestly Recommend

PAINE'S CELERY COMPOUND

As a Saver of Life and a Banisher of Disease.

Woman's power for good in the home can never be truly estimated. In times of suffering and danger, her judgment and experience are invaluable; her smiles, words of cheer and comfort help to dispel gloom and sadness. The faithful, discerning wife has a full knowledge of the value of Paine's Celery Compound as a banisher of disease; she has noted its wonderful effects and cures; she has faith in its virtues and recommends it with full confidence. Mr. Rudolph M. Hunter, of the well-known Hunter Corporation, Philadelphia, Pa., says:—

"I feel it is but right that I should acknowledge my appreciation of Paine's Celery Compound. That you may understand my appreciation, I might say that for nearly twenty years I have continually suffered from neuralgia, poor circulation at night, and general nervous weakness from overwork due to daily labors of from twelve to eighteen hours upon the most intricate and exhausting of brain work. To retire at night meant the worst of headaches and lack of sleep. I received no relief from physicians, and my enormous work upon my electrical inventions and litigations has prevented me taking the rest so much needed. Some time ago I began to take Paine's Celery Compound, and I soon felt like a new man. All my physical troubles practically ceased. Paine's Celery Compound has done for me what the medical profession could not do. I now work from twelve to fifteen hours daily in peace and comfort, and secure restful sleep."

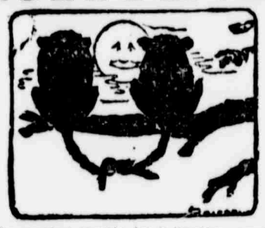
R·I·PANS



The simplest remedy for indigestion, constipation, biliousness and the many ailments arising from a disordered stomach, liver or bowels is Ripans Tabules. They have accomplished wonders, and their timely aid removes the necessity of calling a physician for many little ills that beset mankind. They go straight to the seat of the trouble, relieve the distress, cleanse the affected parts, and give the system a general toning up. The five-cent packet is enough for an ordinary occasion. The family bottle, 60 cents, contains a supply for a year. All druggists sell them.
