RECORD FOR SEVEN FURLONGS

THE MUSKETEER COVERS THIS DISTANCE IN 1:25 AT THE SPA.

Fastest Time Ever Made in America on a Circular Track—Blues, a 1 to 7 Favorite, Beaten—Douro Takes the Handicap in a Drive—Orloff Wins.

SARATOGA, Aug. 18.—Two of Frank Farrell's horses attracted attention this afternoon—The Musketeer when he established a new American record of 1:25 for seven furlongs on a circular track, and Blues when, as a 1 to 7 favorite, he allowed a despised three-year-old filly Huntressa, 20 to 1, to beat him easily at a mile. The Musketeer's great performance was in the second race, in which he met a good lot of horses. He was the favorite at 9 to 5, though Ordnung, King Pepper and Clorita were all held high in esteem. King Pepper made the pace for a quarter of a mile, but he could not stay in front of The Musketeer's rush, who passed him at that point and, driven to the wire by O'Connor, won by a length and a half from Clorita, who was the same distance before the Keenes' Delagoa, 15 to 1. The best previous time for the circular track was 1:25 2-5, made in 1894 at Sheepshead Bay by Clifford, then a four-year-old, with 127 pounds up. The Musketeer is a four-year-old by Masetto—Sis Himyar, and he carried 107 pounds to-day. He ran in the name and colors of Frank Farrell's wife.

In striking contrast was the performance of Blues. The erratic son of Sir Dixon—Bonnie Blue II. appeared in the last race of the day against such a poor lot that the layers made him a prohibitive favorite. Odom had the mount, and when half a mile had been completed Blues had a lead of four lengths, Extinguisher and Huntressa following. But at the three-quarter pole Blues began to hang in his stride. Then Cochran moved up with Huntressa and as the filly caught the Farrell horse at the last furlong pole the latter appeared to collapse utterly, Huntressa dumfounding the crowd by drawing away with an easy victory in the fast time of 1:38 4-5. Blues finishing in the place, three lengths away and two lengths before Extinguisher.

The feature of the card was the Mohawk Selling Stakes for three-year-olds at a mile and a furlong. The Keenes' Port Royal, who was an odds-on favorite, when let down by Shaw at the conclusion of the mile had no trouble in going to the front and winning by a length from Pearl Finder, who in a drive beat Andy Williams a neck. The start was so poor that the crowd hissed Mr. Fetzinsull. With an even break Andy Williams might have won. The time was 1:53 1-5.

The handicap at a mile and a quarter for three-year-olds and upward provided a red-hot finish. S. Sanford & Sons' Douro was the favorite, with an ocean of gold poured over Baron Pepper, Ethics and Par Excellence. Baron Pepper made the running until near the finish where both Douro and Ethics came with a rush and joined the Kantaka colt in a fierce drive to the wire. Douro was the winner by a head in 2:06, with Baron Pepper a head before Ethics. Rice, who rode Baron Pepper, lodged a protest of foul with the stewards, but it was not allowed.

Orloff, the two-year-old gelding by Kingston—Katherine II., who belonged to the Keenes until E. K. Wheeler took him out of a selling race the other day, won the first event, a handicap for two-year-olds at six furlongs, in handsome style. Orloff was allowed to soar to 40 to 1 in the betting, the wise men making J. E. Madden's Yarraman, with 123 pounds, the favorite, and also backing Astafita and Allan at short prices. But Orloff, well handled by Cochran, took the lead early in the race, stood a long hard drive down the stretch and defeated Allan by a neck in the track record time of 1:12 2-5.

In the fourth race eighteen maiden two-year-olds faced the barrier, the distance being five and a half furlongs. The winner turned up in the last furlong in Ella Snyder, a good-looking filly by St. Florian—Esther Cleveland, who was backed down to 8 to 1. She beat Sweet Alice, also a good thing, by a head, the third horse being Epidemic, 15 to 1. Sir Preston was the favorite, but his showing did not warrant the support that he received. Three favorites won and Cochran rode two winners, thereby breaking his losing streak.

SARATOGA TURF GOSSIP.

Shaw Will No Longer Ride for Frank Farrell and the Fleischmanns.

SARATOGA, Aug. 18.—Jockey William Shaw will no longer ride the horses of Frank Farrell and Julius Fleischmann. At least that is the decision arrived at by Trainer Tom Welch, who refused to allow Shaw to have the mount on The Musketeer and Blues to-day, O'Connor riding the former and Odom the latter. It all came about through Shaw's ride on Bonnibert, owned by Farrell, in the Delaware Handicap last Saturday which caused an investigation by the stewards. Welch was so put out about it that he decided to punish Shaw without further ado. Shaw has been riding the horses trained by Welch for several years past and the breach between them has caused no end of talk. The jockey is under contract to J. R. & F. P. Keene and his riding in the "white, blue spots," has been generally satisfactory this year.

Among those who were disagreeably affected by the defeat of Blues in the last race to-day was "Dave" Johnson, who from time to time retires from the turf and then comes back for one last plunge. Johnson thought he saw a little sure money at 1 to 7, so he bet $14,000 to win $2,000. It is needless to say that Johnson feels like retiring from the turf forever to-night.

Jockey Bullman was suspended for one day and fined $50 for breaking the barrier with Ordnung in the second race this afternoon.

Orloff, the winner of the first race to-day, cost E. K. Wheeler only $1,000 to take him out of a selling race the other day. The gelding was so well thought of by Trainer James Rowe that he made a strong effort to get him back, but Wheeler could not see it. Allan, who ran second to Orloff, is the colt that "Johnny" White took away from John A. Drake not long ago.

"Lucky" Baldwin's colors were seen to-day for the first time in the East in five years. They were carried by Diamantite, a maiden two-year-old colt, by Santiago—Lady Diamond. Shaw had the mount and the opening price was 4 to 1, but the figures soon went up in jumps. Diamantite ran a poor race. Wheeler B. in the same race carried the colors of the Lotos Stable, owned by W. J. Arkell.

L. V. Bell and his associates came near burning up the ring with Baron Pepper in the handicap at a mile and a quarter. The colt was backed down from 10 to 1 to 9 to 5, and was only beaten a head by Douro. He might have won, too, had not Burns crowded him a trifle at the head of the stretch. As it was, Mr. Bell and his friends won big money on the race.

It is said that the Keene Stable will have five starters in the Futurity if enough jockeys of merit can be engaged. If not five, three are sure to start, the jockeys being Shaw, Spencer and Rice, who has been secured from H. M. Bell for the occasion.

John J. Madden denies the report that he offered $10,000 to C. R. Ellison for the colt Skiffat. Madden says that if he had wanted the colt he would have been a bidder for him at the Mackay sale.

Disguise II. is by Domino—Bonne Gal. On the steamer were 122 other horses owned by various persons.

The improvements begun at Bennings by the construction of the new grand stand, clubhouse and paddock last spring have been completed with the building of an entirely new track, around which a deep ditch has been dug and the turns carefully banked. Irish Handball Player Ill From a Mosquito Bite.

Oliver Drew, the champion handball player of the world, is liable to lose his left leg owing to a mosquito bite. Drew was bitten several days ago on the ankle by a veteran Jersey "skeeter," and the sting was so effective that the leg swelled and yesterday amputation was suggested as the only way to save Drew's life. Dr. George Fyfe of Bergen avenue is attending the Irishman and he is of opinion that Drew's ball playing days are over. Drew recently defeated Egan, the American champion, in a match at Jersey City.

CLOSE FINISHES AT READVILLE

UPSETS ON OPENING DAY OF GRAND CIRCUIT MEET.

Sufreet the Only Winning Favorite—McHenry Drives Wentworth to Victory in the Blue Hill Stake—Major Muscovite Wins in 2:08 Class for Pacers.

BOSTON, Aug. 18.—While there were no sensational performances at the opening of the Grand Circuit at Readville to-day, there was some excellent racing. The weather was cool and cloudy, keeping the attendance down, although 5,000 persons were present. Sufreet was the only favorite of four to win. The betting was small in comparison to previous meets. The Blue Hill Stake for $5,000 was the big event of the day. Chase was favorite, but McHenry did not have to push Wentworth to win. In the first heat he had it all his owa way, but Hudson made a drive for the second heat and nosed out a winner. In the next two heats Hudson chased McHenry all the way, but the result was never in doubt.

The 2:08 pace furnished some exciting finishes. Major Muscovite, who sold for $5 in the auctions, won the event after three hard heats. Sufreet had an easy time in the 2:16 pace, which the mare won in straight heats. Wilque was a big favorite in the 2:18 trot. Wilque and The King made a great race in the first heat, the former just nosing out. In the second heat Wilque made a bad break and Baron Deshay won after a great drive with Curry. Aggie Medium made a bid for the third heat, but was beaten at the wire by Baron Deshay.

Dan Patch will go against the world's record of 1:59¾ at the Readville track on Saturday. The meeting was originally intended to finish up on Friday, but the management are now arranging a card for Saturday. It was said at the track this afternoon that negotiations were in progress for a special match race between Dan Patch and Prince Alert at Providence next week.

QUALIFY FOR BOSTON CUP.

The Monk and Lord Derby Trot in a Slow Heat at Empire City Track.

A special matinée was held yesterday at the Empire City Park to enable The Monk, 2:07, and Lord Derby, 2:05¾, to qualify for the $2,500 Boston Challenge cup at Cleveland next month. As Lord Derby started here against Louise Jefferson a week ago it was currently supposed he had qualified, yet on that day Scott McCoy, a professional, drove the mare. It was considered necessary to make one undisputed start, hence the calling of the matinée. As a race, however, it was a farce. Owner Smathers was in Boston and asked that the clerk select some good, careful man to drive and that Derby be sent merely a road gait, as he is entered ahead pretty well and no chances should be taken at this moment.

The Hon. Dowitt C. Flanagan consented to drive and got up behind the horse even though Fred Spear had jogged him but one mile the reverse way of the track. Fred Gerken had an open bridle on The Monk and had him out half an hour ahead of time jogging mile. Frank Jones added Battleton, 2:09¾, and the trio got away on the first score, Battleton cut in front several lengths. As the timers had been told that only The Monk and Lord Derby were to start, Battleton was ignored and The Monk's time, 2:30¾, was taken, he having the pole. It was so slow the limited attendance roared and gave vent to catcalls. Starter Coleman explained why it was so slow. The Monk could have trotted in 2:07 to wagon had he been asked for a supreme effort.

Imogene, coming from the rear, took event No. 2 by a length from Battleton in 2:15¼, trotting the home quarter in 30¾ seconds, timed separately. Richard B. beat Diego handily; then the races were over, Mr. Billings having Mazette, 2:04½, two miles in 2:11¼, and 2:08 to wagon, accompanied by the runner Carrie Nations. Lucille, 2:07, went a pretty mile in 2:25, her owner carrying the reins in one hand throughout. Col. Fred N. Lawrence drove Gracie Onward, 2:12, in 2:16 and earlier sent her the last eighth in 15¾ seconds handily.

Joe Choynski to Box Two Men in the Same Ring.

Joe Choynski is to return to the ring again and will inaugurate his reentry by meeting two men in one ring on the same night at Chicago. According to a despatch from the Windy City, Choynski has signed articles to box Jim Driscoll and Jack Beauseholte, two heavyweights, at Doughas Hall on Aug. 29. Choynski is already training for the event and feels confident of being able to take care of himself. Each bout is limited to six rounds. Jack O'Brien of Philadelphia recently got a decision over these two men and if the Californian is as successful he will be matched to box the Quaker. The contests will be under the auspices of the Illinois A. C. of Chicago.

GOLF.

Byers Beaten by an Unknown Player at Misquamicut.

To-day the junior teams of the Fairfield and Apawamis clubs will play their third and decisive match at the Innis Arden links. Each has a victory scored. Ralph C. Carroll plays No. 1 for Fairfield and H. Morse for Apawamis.

In the competition on Saturday George S. O'Flyn drove the fifth green at the Dyker Meadow Golf Club, which has never been done before. Vardon, using a solid ball, Low, W. Griffwood Stewart and one or two others have driven into the bunker just before the green, but no one has ever succeeded in getting safely on the putting turf before from the tee. The distance is 253 yards, but on account of the bunker there is no chance for the ball to roll to the green unless it hops it.

E. M. Byers, who put out Travis in the national championship and was beaten in the final by Louis N. Janes, took part in the tournament for the Clark cup last week at the Misquamicut Golf Club at Watch Hill. Byers led in the qualifying round with an 84, but was beaten in the final for the first cup by Jack Pope, hitherto an unknown quantity in golf. The second cup was won by C. Perin, jr., who beat William Clark by 7 up and 6 to play, and the third cup went to F. H. Wesson, who put out Charles L. Bartlett by 5 up and 3 to play. There is a great deal of play now on the Misquamicut links, the tournament this week being for the women's cups.

There was a thirty-six-hole four-ball match at the Deal Golf Club on Sunday which attracted a great deal of interest. It was between Archibald Graham and Bernard Nichols, the Hollywood professional, against J. Stewart Gillespie and Will Norton, the Deal professional. The former pair won by 7 up and 6 to play. Their best ball score each round was 74. The scores were: Nichols, 80, 78—158; Graham, 80, 79—159; Norton, 79, 81—160; Gillespie, 82, 87—169. On the morning round Graham, who was the New Jersey State champion of 1900, equaled the amateur record of 80 held by Samuel Allen and George J. Brokaw, and in the afternoon he cut the amateur mark to 79. But for an extra put on both of the last two greens Graham should have had a 77.

MANCHESTER, Aug. 18.—Mr. and Mrs. C. B. Cory won the mixed foursome handicap tournament held on the Ekwanok links here to-day. The summary:

Mr. and Mrs. C. B. Cory, 100, 12—88; Miss M. Andrews and Findlay S. Douglass, 93, 0—93; Mr. and Mrs. Austin, 102, 8—94; Miss Eager and W. L. POLAND SPRING, Me., Aug. 18.—The tournament for the Ricker cup was completed today after one of the most exciting finishes of the season. C. G. Sanford and J. W. Chick played the finals Saturday and they were all even at the eighteenth hole. Nine more holes were played and they were still even. Owing to darkness the match was postponed until to-day. C. G. Sanford winning by 1 up after playing forty-five holes. The following are the scores in detail:
