CREEDMORE FOR NEVERMORE.

HAPPLIGHTER COLT, AT LIBERAL ODDS, WINS IN A DRIVE.

Bonnibert, With 10 to 1 About Him, Takes the Handicap for All Ages—Cinquevalli, Cameron, Prince Richard and Old Hutch Capture the Other Races.

Wintry blasts from Jamaica Bay had no terrors for the regulars and other racing enthusiasts who, to the number of 7,000, went to Aqueduct yesterday. The track was dry and fast, but just the same three long shots were sent over the plate to the delight of their backers. The Creedmore Stakes for two-year-olds at five and a half furlongs was the red letter event, in which eleven went to the post. Plater was the favorite because of his record-breaking performance at this distance at Morris Park, but he finished far back in the ruck. Navasota made the running, with W. R. Condon in attendance for half a mile. Then Counterpoise showed in front, only to stop as Lyne went on with Andrew Miller's Nevermore, who won by half a length in 1:10. W. R. Condon bear Tenar Bay by a head for the place.

The Handicap for all ages at seven furlongs afforded a surprise to the wise men when Frank Farrell's former colt, Bonnibert, now owned by George F. Johnson, carrying top weight and poorly ridden by Spencer, got home half a length before the two-year-old Happy Flower, who was four lengths before Sir Fitzgan. There was very little backing for Bonnibert. Farrell and his friends backed the Musketeer. The favorite was Whiskey King, who never had a chance.

The special condition race for three-year-olds at a mile and seventy yards was easy for Old Hutch, who galloped home four lengths before Lord Badge in 1:47 2-5. They were equal second choices at twos, with Huntress the favorite, running third, half a length back and a head before Essene.

Colin, Follansbee's Cameron, odds-on favorite, had no trouble in capturing the third event, at a mile and seventy yards. Martin sped him to the stretch, and then the Medley colt left Early Eve in a few jumps, winning by a length and a half in 1:46 4-5. Early Eve had a clinch on the place, being five lengths better than H. L. Coleman.

The Handicap for two-year-olds at five and a half furlongs attracted the list of youngsters to the post. Was Candie made all the running to the last sixteenth, where Cinquevalli, the favorite, under a hard drive from O'Connor, got up and won by half a length, with Wax Candle a head before Florham Queen.

In the fourth race for four-year-olds and upward "Tony" Asta's Prince Richard at 20 to 1, led from start to finish and won ridden out by two lengths from Kilogram, 9 to 1, who beat the 60 to 1 shot Bounteous a neck. The time was 1:50 2-5.

MONEY BURNED BY LEIPSIC.

Carefully Planned Killing at Aqueduct That Did Not Kill.

One of the most deliberately planned coups went up in thin air at Aqueduct yesterday and a regiment of wise men looked as if they did not have a friend in the world when the Creedmore Stakes was decided. Johnny Carr, one of the smart bettors who also owns racehorses, started the colt Leipsic, and the word was passed around that here was the biggest pot of jam opened this year. Jack Martin was engaged to ride and even though Leipsic had to beat such good ones as Plater, Nevermore, W. R. Condon and others, those who had the tip on the big Hamburg colt rushed into the ring pell-mell and grabbed as much as 10 to 1. Leipsic's price dropped to 4 to 1 when the horses started for the post and even lower a moment before the barrier went up. The Hamburg colt was unable to make good and Carr & Co. saw a million stars.

"Tony" Asta, the "boomback king," was made conspicuous by the performances of his two-year-old gelding Plater, and his five-year-old horse Prince Richard. Plater, a hot favorite, was beaten off after a record-breaking performance at Westchester, while Prince Richard, after a series of poor races, won at the odds of 20 to 1.

Lieber Lohengrin was in good form again. He rode Nevermore and Old Hutch to victory in the cleverest fashion. O'Connor got four triumphs in the money while Martin had three. Henry Steiner's victory on Bonnibert was liberally applauded. The "iceman" showed that he is still one of the best riders in America.

Senator McCarren's Dr. Biddle has burned up an ocean of money this year. Yesterday the money was put on him in packages. But he stopped when the final test came and the smoke from the sizzling greenbacks was blinding.

Bonnibert, who was purchased by George F. Johnson at the Farrell sale at Morris Park, ran yesterday for the first time in his new owner's colors. Johnson had a good bet down, but the talent allowed the son of Albert Bonnie Ola to run practically unbacked. Farrell lost many thousands of dollars, it is said, backing Bonnibert when he owned him, so that when the colt won yesterday at 10 to 1 Devery's friend probably felt cheapened.

James F. Keene's Gimcrack was one of the first tips of the day. He started in the second race, backed down to 4 to 1, but he was run off his feet by Wax Candle and Cinquevalli. The Fleischmann colt, by the way, carried several heavy commissions.

Jockey Shaw was set down for the rest of the week for misconduct at the post in the Creedmore Stakes on W. R. Condon.

Albert Songer, who formerly rode here for James Galway, but who has been in France for the past two years, has returned to Jockeydom. He said yesterday that he left Paris just before the recent turf scandal cropped out and that he never had an inkling of the trouble. He said that he was particularly surprised to hear of the ruling off of Johnny Reiff, as the boy's habits were everything and he never associated with the men who were rounded up by the French authorities.

On the steamship with the Keene horses which sailed for England last Saturday was John Duffy, a well-known horseshoer around the local racetracks, who was taken along by Trainer Matt Allen to look after the shing of his colts first year. W. C. Caprot, another shoer of thoroughbreds, sailed at the same time for Frankfort-on-the-Main.

BALLANTRAE'S CAMBRIDGESHIRE

Mr. Whitney's Horse Comes In First by a Head in Fast Time.

Special Cable Despatch to THE SUN.

LONDON, Oct. 29.—The race for the Cambridgeshire Stakes of 25 sovereigns each, with 500 sovereigns added, was run at the Newmarket Houghton meeting to-day and was won by W. C. Whitney's Ballantrae. Col. H. McCalmont's St. Maclou was second and Comte de Bresson's Nabot third. Ballantrae had been a hot favorite since he beat his stable companion, Spectrum, in a trial on Sunday. Spectrum beat Capt. Loder's Game Chick easily the same day.

The betting was 9 to 4 against Ballantrae, 5 to 1 against St. Maclou and 20 to 1 against Nabot. Twenty-four horses ran.

Ballantrae won by a head in the fast time of 1:46. The distance was one mile and a furlong.

Jockey Reiff After a Publisher.

Special Cable Despatch to THE SUN.

PARIS, Oct. 29.—Sport says that Johnny Reiff, the American jockey who was lately ruled off the French tracks, has issued a summons for the manager of *Le Vie au Grand Air* for publishing an article, with Reiff's portrait, which led to the withdrawal of the jockey's license by the Jockey Club.

No Bid Made for Sceptre.

Special Cable Despatch to THE SUN.

LONDON, Oct. 29.—Mr. R. S. Sievier's noted filly Sceptre was put up for sale at Newmarket to-day, but was withdrawn because there was no bid.

Parade of Sanford & Sons' Racehorses.

AMSTERDAM, N. Y., Oct. 29.—This afternoon fully 3,000 persons assembled on the streets to witness the parade of the racehorses owned by S. Sanford & Sons on their way from Morris Park to the Hurricana Stables. The horses were preceded by a band of music. A floral wreath was placed about the neck of Chautauuda, hailed by many of the turf critics the champion sprinter of the year. Employees of the Sanford Carpet Mills had half a day off in order to see the horses.

At Chicago.

CHICAGO, Oct. 29.—Elsie L., with a burden of 116 pounds on her back, won the high weight handicap to-day, the feature of the card at Worth. She showed marvellous speed made her field drizzy and covered the six furlongs in 1:12 3-5, winning easily by a length and a half from the light-weighted two-year-old Jackfish. One of the bad features of this race was the poor showing made by Mike McGarrity, the 4 to 5 favorite, who could not get up a respectable gallop and finished next to last, beaten nearly fifteen lengths. Adding insult to injury he lost ground at the start. He was backed from 15 to 1 down to 6 to 5 at post time. Flyer got off flying and was never headed. Jockey Coburn rode four winners.

First Race—Five furlongs: Flyer, 105 (Coburn), 6 to 5, won; Olivilo, 105 (Heard), 7 to 1, second; Jove, 108 (Otis), 10 to 1, third. Time, 1:01 3-5.

Second Race—Seven and a half furlongs: Cougar, 116 (Coburn), 5 to 1, won; Alec, 108 (Pieratt), 5 to 2, second; The Caxton, 108 (Robbins), 4 to 1, third. Time, 1:45.

Third Race—Seven and a half furlongs: Charlie Thompson, 109 (Buchanan), even, won; Gentlee, 87 (Robbins), 7 to 2, second; David S., 108 (Hicks), 15 to 1, third. Time, 1:35 1-5.

Fourth Race—Six furlongs: Elsie L., 116 (Coburn), 7 to 5, won; Jackfish, 93 (Pieratt), 15 to 1, second; Ander, 105 (Otis), 6 to 1, third. Time, 1:12 3-5.

Fifth Race—One mile and 50 yards: The Conqueror II., 103 (Coburn), 3 to 2, won; Wassilii, 112 (Knapp), 4 to 1, second; Pink Coat, 103 (Davis), 20 to 1, third. Time, 1:42 3-5.

Sixth Race—One mile and a quarter: Hayward Hunter, 91 (Graham), 6 to 1, won; Wing Dancer, 100 (Battiste), 5 to 2, second; Jack Doyle, 99 (Robbins), 4 to 1, third. Time, 2:07 3-5.

At Latonia.

CINCINNATI, Oct. 29.—The steeplechase was the feature of the card at Latonia to-day. Out of the fourteen starters ten finished. Crest, the favorite at 3 to 2, won the race easily. In a fall McManus broke his back and was killed.

First Race—Six furlongs: Dynasty, 97 (Helgerson), 6 to 1, won; Elnoran, 96 (Lindsey), 7 to 5, second; Sweet Charity, 97 (Goubre), 15 to 1, third. Time, 1:17.

PACERS BREAK RECORD TO POLE

DIRECT HAL AND PRINCE DIRECT GO A MILE IN 2:05 1-2.

Onward Silver Equals World's Trotting Record for Two Miles—Geers Wins the Transylmulla—The Abbot Beaten by Chain Shot in Race at Memphis.

MEMPHIS, Oct. 29.—The second annual meeting of the Memphis Trotting Association is drawing to a close in a blaze of glory. Another world's record was smashed to-day. Ed Geers, driving Direct Hal, the unbeaten son of Direct, and Prince Direct, sired by the same horse, to pole, rounded the course in 2:05¼, lowering the world's team pacing record of 2:08¼. Direct Hal carried his big partner the fastest gait Prince Direct has ever travelled for the distance, forcing him to break just at the finish. A large crowd was out and cheered the pair to the echo.

Geers also had the honor of winning the "Transylmulla," contested by nearly thirty starters. The drivers are among the best known on the circuit. The Emerald Handicap, a 2:09 class pacing event, went to Carl Wilkes, an outsider in the first betting. Sir Albert S., the well-played favorite, finished second and Dan R. came in for third money.

The Abbot, the former trotting champion, selling at 1 to 6, proved a great disappointment in his race with Chain Shot in the free-for-all trot. The gelding was not in condition for racing and Chain Shot won easily. The judges declared all bets off on the first heat, an unprecedented proceeding. The 2:30 trot went to Hugh Wynne. The Dean was made favorite, but was not seriously in the going. C. N. G. Billings drove The Monk and Louise Jefferson to pole to lower the world's team trotting record of 2:12. The best time for the pair could do was 2:14, but on a second attempt rounded the oval in 2:12¾.

Thomas J. Rank, the driver of Gentry in the 2:13 pace yesterday, in which he lost up to the first money, was suspended from the track for one year, and the judges announced that they were investigating the case, and would deal with others implicated in the affair in the same manner.

Onward Silver, driven by Scott Hudson, covered two miles, a 2:08 clipping the world's trotting record he made on the Memphis track last week.

2:30 class, pacing, the Emerald Handicap; three heats, one mile, one table and an eighth half a mile; purse $500.

McFadden Ready to Fight Gans and Seiger in One Ring.

George McFadden, the local lightweight, is anxious to fight Joe Gans again. "I am desirous of tackling Joe Gans again," says McFadden, "and to show that I mean business I will agree as a starter to take on both Gans and Charley Seiger of Jersey City on the same night in one ring, for a win bet or so-called a draw. Gans will I will be ready to fight Gans for twenty rounds or to a finish later on. I am my own manager now and will attend to my own business in the future. I fought Gans seven times. Five results was four draws, one victory and two defeats. If Gans or Seiger refuses to meet me I will be ready to make a match with any other man scaling 133 or 135 pounds."

McGovern Will Not Fight Jordan.

The proposed contest between Terry McGovern and Ben Jordan has been abandoned for good. Dr. Ordway, the American representative of the National Sporting Club of London, made this announcement yesterday. Ordway read out this conclusion after a cablegram from McGovern's manager, who admits that McGovern cannot reduce to 122 pounds, the weight at which he suggested a fight. Tim Callahan of Philadelphia may get an opportunity of taking McGovern's place and Young Jordan. Ordway has written to Buffalo suggesting Callahan.
