

North Platte Merchants Unanimous in Wishing to Serve Entire Community in Best Possible Way.

At a mass meeting they lay aside all personal feeling and consider

- THE RAILROAD EMPLOYEES
- THE FARMERS
- THE LABOR UNIONS
- THEIR OWN EMPLOYEES

and after hearing from all of these decide that ALL are entitled to CONSIDERATION and that so long as Post Office, Court House, and Rail Road MUST be run on Government time and that labor insists on working on Government time, that to meet the wishes of the farmers, that commencing Monday, June 23, and until September first, they will change the hours of opening and closing the stores, opening from 7:30 to 8:30 and closing at 6:30.

Trusting that this action will meet with the approval of the entire community,
Yours for the development and upbuilding of a greater Lincoln County,

North Platte Chamber of Commerce.

NORTH PLATTE GIRLS

IN CAMP AT CRETE

Six hundred and fifty Camp Fire Girls, mostly from Nebraska towns are spending the week in Camp Metecomeesh at Horkey's Park near Crete during the week of June 14-21. This is the largest camp of girls ever held in the United States. The camp is an experiment. If it proves a success, the plans worked out for Nebraska girls will be used for a similar camp near Chicago, another in New Jersey and a possible one on the Pacific coast.

The spirit generated during the first three days assures the success of the experiment. The girls who have been brought together for a week of concentrated work and play are going to leave camp with a greater appreciation of their power and influence on community life. The towns fortunate enough to have had some of their girl under such an influence of American democracy will all profit during the year.

The day's schedule is full of activity. The girls are called by the reveille at 6:30. The flag raising and setting up exercises are held at seven with breakfast at 7:30. Camp inspection is held at 8:45 and a community sing at which each girl must be present is held at 9:15 under the leadership of Miss Elizabeth Ertle of Geneva.

Classes in first aid, arts and crafts, nature study, folk dancing, camp singing, swimming, boating, story telling and guardian training are held from ten to twelve. Each girl is supposed to register for two of these classes.

Rest hour is observed from one to two. The afternoons are left open for individual camp activities. Swimming and boating tests are made from two to four. Girls passing the swimming requirements are awarded the red ribbon to be worn on the left arm. Boating achievements are awarded by a blue ribbon.

Other camp honors may be won in athletics. On Friday a camp symbol will be given to a limited number of girls who stand out as all round camp girls. It is a much coveted honor and nearly every girl is working for it.

The evening programs are planned for enjoyment primarily, but with the idea of giving the girls and guardians as many ideas as possible in community program planning. On Saturday evening an impromptu program of songs, dances and recitations was given by talent discovered in the camp during the day. Open air services were held Sunday morning. Mrs. C. O. Bruce, junior leader for the Standard Chautauqua Company was in charge. In the evening a pageant written by members of the Zhasagazee Camp Fire of Uni Place, was given. Those taking part were representatives of the various camps. Monday night's program was in the hands of the red haired girls in camp. It was called the Night of the Golden Fleece. The committee worked out an illustration from the story of the Search of the Golden Fleece.

On Tuesday morning the ladies' double quartette and the male quartette from Doane College at Crete gave a number of selections during the community sing hour. In the

evening the Svenson twins and their company put on the program which they will give up and down the Atlantic coast during the summer months.

Wednesday evening was made community night. Representatives from the business men and members of the Commercial club from Lincoln gave talks on the school bond issue over the state and the municipal hospital proposition from Lincoln.

The largest girls' track meet ever staged in the Missouri valley is scheduled for Thursday evening. Stunt night will be held Friday the last night in camp. The council fire will be held Thursday morning at sunrise.

The park has never been as beautiful as it is this year. The rains of last week left the grounds clean and green. Danger from high water was eliminated by a bathing pond which made river swimming unnecessary.

The camp will be repeated next year. Business men over the state are boosting for it. The support of the federated women's clubs of the state was promised by Mrs. A. R. Sheldon, state president, on her visit to the camp Tuesday morning.

The Donegan brothers are the owners of a Willys-Knight car, purchased through the agency of the Buskirk Brothers of this city. Arthur Donegan, who has just returned from Hastings where he went with Mr. Buskirk to drive the car to North Platte, reports there are more "Knights" owned in that city than any other make of car.

Blacksmith to begin July 1st. Write Box 177, Sutherland, Neb. 46-4

**JUST IN TIME
A MERCILESS JUDGE
One Who Shows No Favor.**

A merciless judge is Father Time. Before him the weak and the wanting go to the wall. Only the truth can stand. For years the following statement from a North Platte resident has withstood this sternest of all tests.

August Ackermann, retired farmer, 629 E. Fourth St., says: "I used Doan's Kidney Pills for backache and other kidney trouble and they soon rid me of the pains and aches. I believe they are the best kidney medicine to be had. It has been over three years now since I used Doan's Kidney Pills and my health has been splendid. And not a symptom of kidney trouble has bothered me."

Almost six years later, Mr. Ackermann said: "Kidney trouble which Doan's Kidney Pills cured me of, has shown no signs of returning. I certainly recommend Doan's highly for having permanently rid me of the suffering I endured several years ago."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Ackermann had. Foster-Milburn

GOVERNMENT URGES PEOPLE TO BUILD THIS YEAR

Every week The Tribune receives several circular letters from the government departments at Washington asking this paper to use its columns in advocating the construction of municipal improvements and the erection of business buildings and homes. The officials at Washington realize, as do all thinking people, that if the present era of prosperity is to continue, operations in building lines must be speeded up; that prosperity can only be maintained by giving employment to men, and that in all construction work the employment of labor is an important factor. In these building operations the farmer is vitally interested, for he knows, or should know, that idle men means stagnated business, that stagnated business means a low price for the products of the farms, that low prices of products means a lowering in price of farm land. It is unreasonable to believe that if farm products drop to the level of ten years ago that the price of farm land will continue at the present high level. If products drop twenty-five per cent it is certain that the price of farm land will drop correspondingly. The people of Lincoln county must do their share in continuing the present prices of labor and commodities. They cannot lay back in the traces and say "we'll let the people in other parts of the country spend their money." Suppose the other people hold the same view; how much building would be done?

For this and other reasons The Tribune advocates street paving and the erection of a new court house. It wants to see every laboring man and mechanic employed at the present good prices; it wants a continuation of the present prices for products of the farm. The people of Lincoln county were never so prosperous as now; let us do our part to have this prosperity continue.

See 'Clinton & Son' about your Eye troubles, satisfaction every time. Son is over in Germany, will be home in a few weeks or months. Sign of the Big Ring.

Clerk-Carrier Examination.

The examination for Clerk-Carrier at the North Platte postoffice announced for June 14th has been postponed until June 28th on account of the scarcity of applicants. Any person who will reach the age of 18 within thirty days from the date of the examination may take it. The usual entrance age is not younger than 18 on the day of the examination.

LOCAL AND PERSONAL

Roland Ginn has accepted a position as salesman for the Walker Music Co. and will be on the road the greater part of the time.

Please leave orders for weaving 8 a. m. to 6 p. m. Will receive special orders. 308 south Walnut street, Phone Red 975. 46-4

Frank Frederici returned the latter part of last week from a two months' visit in Deadwood and other South Dakota towns and in the west part of this state.

Best Paint and Varnish at The Rexall. 46-2

Mrs. Mike Salcetti is planning a trip to Italy where she will spend several months visiting relatives and friends.

The household furniture of ex-Governor Keith Neville has arrived from Lincoln and Mr. and Mrs. Neville and children will arrive shortly from their winter home in Florida.

You can get a Dependable Germ Free Vaccine for 25 cents per dose. Why pay more? It has stood the test of time; it saves the calf. Ask Gummert-Dent Drug Co. 46-1

Frank Ebele who recently sold his ranch north of town and has not taken a vacation during the thirty-five years he has resided in Lincoln county, will leave next month for the east and thence sail for Argentine, South America. He has had a hankering to visit South America for the past dozen years and has concluded that this is the opportune time to go.

HAVE YOUR EYES EXAMINED EVERY TWO YEARS.

By doing this and changing the lenses of your glasses, if examination proves it necessary, you will experience sight satisfaction to a ripe old age.

We are at your command.

We Grind Our Own Lenses.**

Columbus Also Paves.

Harry Block, who returned from Columbus last week hands us a copy of the Columbus Daily News which contains a notice to contractors asking for bids for construction of paving at an estimated cost of \$178,542. Columbus, which has a less population than North Platte, has already paved several miles of its streets, and proposes to keep at it until practically all streets are paved. Noting as we do through newspapers received at this office that nearly every town in Nebraska of 2500 or more people is paving its streets, it is hard to understand why so many North Platte people insist on sitting on the shirt tail of progress.

For Sale—Auburn Six, Chummy Roadster—like new—at a bargain. Maxwell '17 touring cheap. Romigh Garage.

Hereford Bulls for Sale.

Some extra good registered Hereford bulls of serviceable age for sale. Address Fred McClymont, North Platte, Neb., or phone 786F4. 47-2
