RELIABLE WINS A FINE RACE.

TAKES UP 142 POUNDS AND EASILY DEFEATS A BIG FIELD.

Bad News Trims Hurst Park in Fast Time —Escutcheon a Surprise—Flammula, Cloverland and Flinders the Other Winners at Brighton Beach Track.

Five favorites won at Brighton yesterday afternoon. The chief event was the handicap for all ages at six furlongs, which was won in comparatively easy style by John J. Ryan's Reliable, who picked up 142 pounds, made all the running and was eased up at the end by Hildebrand. The big Waterbury colt was favorite over a big field of sprinters at 11 to 5 and was never in trouble, having a length to spare in the fast time of 1:12 4-5. Gay Boy, with 130 pounds, quoted at 10 to 1, came from behind and secured the place by 2 lengths from Lady Uncas, also a 10 to 1 shot, the latter beating Stalwart, second choice, a head.

E. R. Bradley's Bad News, even money favorite, received eighteen pounds from Mattie Corbett's Hurst Park, the top weight in the handicap, at a mile and a furlong, and won with plenty in reserve. C. Kelly, who rode Bad News, allowed Hurst Park, who went back to 13 to 10, to make the pace clear to the head of the stretch, where he let the son of Flying Dutchman have his head and it was all over. Kelly drew a fine finish, however, and Hurst Park, under the whip, was beaten a head in 1:53 3-4. Four lengths back Keystone, 20 to 1, beat Sonoma Belle a head for third money.

David Gideon's Escutcheon, backed down to fours, provided a surprise for the form players by winning the first race, for two-year-olds, at six furlongs. He led all the way, but was hard driven to win by a head from Brush Up, a 25 to 1 shot, who was half a length before Confessor, 30 to 1. Virgo, even money favorite, was shut in early. The time was 1:14.

Flammula, another favorite at evens, spreadeagled her field in the third race, for three-year-olds, at a mile and a sixteenth, Hildebrand bringing her home four lengths before Marmee, 7 to 1. Canteen, backed down to eights, was a good third. The time was 1:46 1-5.

It was not until the last few races that Cloverland, the favorite in the fifth race, at a mile and a sixteenth, gotup from the ruck in time to win by a head from Seymour, 5 to 1, who had been the pacemaker all the journey. The latter finished a half a length in front of Conkling, played down to tens. The time was 1:47 3-5.

Flinders, a receding favorite in the last race, for maiden two-year-old fillies, at five and a half furlongs, won galloping by half a dozen lengths in 1:07 4-5. Little Buttercup, 7 to 1, was tiring at the end, but managed to keep the plane from Ismallian, backed down to 8 to 1. Gotowin, equal favorite with the winner, was pocketed and could not get out. The attendance was 12,000.

At Chicago.

CHICAGO, July 22.—Amusing incidents were numerous in the steeplechase, the second and feature event of a poor card at Hawthorne to-day, which was won by the extreme outsider, Farthingale, at 30 to 1. Kingalong at 8 to 1, was second and Weird third, after the latter had fallen and his jockey had remounted. Poorlands and Weird were the two choices, but both fell, while King Tatius, the only one left to race for third, refused the tenth jump.

L. O'Brien made a dozen futile efforts to get the old horse over, as third was a certainty if he would only go over the course. Pemberton, who rode Weird, was lying on the ground at the sixth jump apparently badly injured, but the mount had stopped close by, and when he saw that King Tatius would not jump he remounted and finished third, five minutes or more after Farthingale and Kingalong left the infield.

First Race—Six furlongs. Favorite, 107 (W. Knapp), 13 to 10, won; My Alice, 106 (E. Morrison), 6 to 1, second; My Gem, 102 (Lamon), 40 to 1, third. Time, 1:16 2-5. Circulator, Freeslan, Arab, Charlie Miller, Polk Miller, Thor Anderson, Amhora, Unique, Shower and Armorer also ran.

Third Race—Six furlongs. Americano, 110 (C. Bell), 6 to 1, won; Frontenac, 110 (Helgerson), 6 to 1, second; Skillful, 110 (Feicht), 5 to 1, third. Time, 1:16. Princess Tulane, Big Ben and David Harum also ran.

TROTTING AND PACING.

Good Harness Horse Races at Old Saugus.

BOSTON, July 22.—With two unfinished races left over from Thursday and three other events on the card, there was plenty going at the old Saugus track this afternoon. It only took one heat to put the 2:25 class trotters on the shelf. When the sport began this afternoon, Alrymont quickly settled the business by taking a heat and the race in 2:22.

Two heats had been trotted in the 2:18 class yesterday, a different winner turning up each time. Hardy Jr. took the third heat this afternoon, and Mamouroko the fourth. Then Mike Bruen began to show her speed and captured the next two heats and the race.

Princeton, W. won the 2:11 pace in straight heats with ease. McGregor won the first heat in the 2:30 class, but after settling badly in the second and third, captured the race by getting the fourth and fifth heats. Gilbert had trouble in winning the 2:20 pace, after being badly pocketed in the first heat.

Scrappers to Meet in a Shoot-the-Chute Race

Frankie Neil, the bantam champion, was matched yesterday to meet Young Corbett. Neil is not to fight in the ring, however. He will simply have it out with Corbett in a shoot-the-chute race at Dreamland some day next week. The match is best three out of five heats. The man whose boat first reaches the platform at the end of the chute will be declared the victor. Senator Reynolds has been asked to act as referee.

GOSSIP OF THE RACETRACK.

GIDEON AND LEWISOHN WIN $30,000 WITH ESCUTCHEON.

They Also Frame Up Another Killing With Ismallian, Who Is Backed From 100 to 1 to Fives, the Filly Running Third —Still Investigating Flying Buttress.

Dave Gideon, Jesse Lewisohn and their racetrack associates pulled off one killing with Escutcheon in the first race yesterday and framed up another with Ismallian, in the last race, that was not so successful. Escutcheon, who showed a distinct form reversal, according to the sharps, was played down from 15 to 1 to fours a moment before the field got away, the books paying out $30,000 on his victory. Ismallian, owned by the Manhattan Stable, and trained by "Snapper" Garrison, had worked five furlongs in 1:03, yet the fact was kept so quiet that the layers quoted 100 to 1 against the St. Andrew filly. The betting agents of Lewisohn and Gideon got busy at these odds, and before they got through placing the money they had succeeded in hammering the odds down to fives. Ismallian would surely have been second with a better getaway, but as it was she finished third, beaten a head. Had she won the books would probably have lost close to $60,000.

John J. Ryan of "get-rich-quick" fame bet $6,000 on Reliable at 11 to 5. Frank Hayes also placed $5,000 on the Watercress horse at the same odds, while nearly all of the heavy players followed suit. Henry Harris and Sol Lichtenstein between them placed $7,000 on Flammula, who was loyally supported by the clubhouse contingent. E. R. Bradley wagered $4,000 on Bad News and after the race he regretted that he had not doubled his commission.

M. L. Hayman, the clubhouse commissioner, made two tremendous wagers that were kept by the chalkers. He went up and down the line on Hurst Park and got down $25,000. Later he placed $15,000 on Gotowin in the last race. The heavy play on Gotowin and Ismallian caused the favorite, Flinders, to soar in the betting from 6 to 5 to 4 to 1 in many books, with few takers.

H. T. Griffin cooked up a hot trick with Conkling in the fifth race, backing him down to tens from 20 to 1 and standing to win big money if the colt landed in front. John A. Drake wagered $1,000 straight and $1,000 a place on Naughty Lady in the same race. Lewisohn had a big bet on Seymour, who was beaten in the last few jumps by Cloverland. The Sullivans dug holes in their bankrolls by playing Homestead.

Tony Ante tried to cut a melon with Canteen in the third race, the Mirthful filly being lowered in price from 13 to 1 to eights. Alexander Shields dropped a large commission on Stalwart, who was also supported by many shrewd players. Billy Dubois lost a good wined bet on Workman in the opening event.

The stewards of the National Steeplechase and Hunt Association are still looking into the alleged in and out running of Flying Buttress. Mr. Chamblet came down from Boston yesterday and joined the other stewards in their deliberations. J. H. Alexandre, one of the powers that rule the jumping game, held an extended conflab with George Wheelock, president of the Metropolitan Turf Association, before the races, and it was said that the Flying Buttress case was discussed. There has been so much ugly talk about the jumping races lately that numerous bookmakers have declared that in future they will turn their slates down and make no prices on these events. That the stewards are seriously thinking of taking action in certain directions is the opinion of those who are trying to keep in close touch with the situation.

E. R. Smathers has received a telegram from S. C. Hildreth that McChesney, who is going along nicely again in his work, will be shipped to Saratoga the latter part of next week to fill his numerous engagements. He may be a starter in the Saratoga Handicap.

There is stable room at the Springs for 2,300 horses and indications point to an overcrowding of the accommodations.

Jack Joyner's fame as a trainer is far reaching. From an obscure Ohio town he received this letter yesterday:

My Dear Mr. Joyner: Won't you please send me a tip. I want to buy a little piece of land here and make a living. You ought to know some good things. Please send one early, as I have to go 10 miles to a poolroom. Please find enclosed one dollar for your information.

All the horses of the Fairview Stable, including Golden Maxim, who has not started this year, will be sold at auction in a few days.

Don Sirrett has leased a number of horses from James R. Keene and will race them in the West. Toboggan and Kommot are in the lot.

Bryn Mawr and other horses of the Gaughacres Stable left for Saratoga yesterday.

While being schooled over the jumps yesterday morning Candling fell and wrenched his shoulder, while a stable boy who had the mount escaped with a broken collarbone.

Walter Arnold, one of Brown Dick's string, died of pneumonia yesterday.

J. M. Dexter's Good for Nothing, a filly by Jim Gore—Maurine, was entered in the last race yesterday, but when she came out of the paddock with McCafferty on her back she was so refractory that nothing on earth could persuade her to go to the post. After a long delay the stewards ordered her withdrawn, and those who had bet on her at 100 to 1 lost their money, under the rule prevailing in the ring. As soon as the boy dismounted the filly was as docile as a lamb and walked off quietly to the paddock.

Nightmare, another starter in this race, gave an exhibition of kicking in front of the judges' stand that created widespread merriment. Hildebrand, who had the leg up, looked decidedly uneasy for a while.

Coleman was guilty of some flagrant rough riding on the first race. He rode Confession, and when Martin shut him off with Brush Up he bumped into Redfern on Tommy Waddell. The latter in turn was thrown against Gray Lad, who was carried wide at the head of the stretch. At the start of this race Cochran, on Escutcheon, cut across Virgo, the favorite, and Hildebrand, after the finish went before the stewards with a fruitless claim of foul against the winner.

Mike Clancy's Tommy Waddell broke down badly in the first race, and Frank Farrell's Grail had pulled up very lame.

After spending three days on the ground, Hildebrand got back into the saddle yesterday with two winners and a second.

Pass Book, with whom Walter Fessenden has pulled off a couple of big killings, started in the fifth race, and the tip was abroad early. But after running prominently for half a mile the Order gelding dropped back and finished thirteenth, next to last. When Fessenden cuts Pass Book loose he will have a wagon handy to carry off the booty.

There was a hot tip on the Delaware Stable's Lucy Young in the last race, and she was backed from 20 to 1 to sevens. She showed a wonderful turn of speed and led to the turn, but after that she stopped as if shot. Tyrolean, Katie Caffrey and Meadow Horn were also backed down in the same race. Somebody played Meadow Horn, a filly by Meadowthorpe—Fannie Horn, from 100 to 1 down to 30, but she was not equal to the emergency.

As Get Rich Ryan has won big money with both Monster and Reliable in two days, the men who ask questions want to know whether he really intends to retire from the turf. Ryan says that Reliable is the greatest racehorse at six furlongs in the world.

Some of the touts handed out Inquisitive Girl as a good thing in the fifth race and her price dropped. She was of no account.

Amateur Cycle Racing Stimulated.

Amateur cycle racing is experiencing a marked stimulation this season owing to the two tracks, Manhattan Beach and Vailsburg, being run on Sunday and to the big prizes offered. To-morrow at Manhattan Beach there is to be a coup in the form of a twenty mile race for amateurs with a grand piano for prize, besides an intercity team race in which both the rival century organizations and several clubs are entered. Great rivalry has been aroused and a tremendous field is assured.

WEETAMOE BEATS NEOLA.

Exciting Race in Stiff Breeze at Larchmont Regatta.

In a stiff easterly breeze and a jump of a sea, the fifth series race of the Larchmont Yacht Club was sailed yesterday on Long Island Sound. It was one of the fastest and best held during "Race week." Thirty-nine yachts started and every one finished without a mishap of any kind.

The starting signal for the sixty-foot sloops Weetamoe and Neola was given at 11:35. The first leg of the course was a thrash to windward for all hands. The Weetamoe secured the weather berth, but the Neola went through her lee in a few minutes, and these two had some close work all the way to the weather mark, which the Weetamoe reached first. The second leg was a run, with spinnakers and balloon jib topsails set. Such close racing is rarely seen as between these two sloops.

Sybling at the second mark off Bempstead, they came across the Sound to the home mark at a ten knot clip on a close reach with the Weetamoe in the lead. The Neola took in her jib topsail nearly two minutes before reaching the mark, allowing her rival to gain, and rounded it 47 seconds in the lead. The second round of the course showed equally close racing, the Weetamoe winning finally by only 19 seconds.

There was a close race between F. M. Smith's Effort and the Aspirant, owned and sailed by the Hatch boys. The Aspirant won by 52 seconds, corrected time.

Great work was done by the racabouts. Eight of them started and they never had a harder thrash to windward than this one. The Tartan won by 1 minute 45 seconds from The Kid. W. B. Dunson, Jr., won again with his Una, beating the Rogue by 1 minute 10 seconds.

The winners were the Weetamoe, Aspirant, the Mimosa III., the Nike, the Tartan, the Una (on elapsed time), the Snapper, the Dorothy, the Wa Wa, the Miss Modesty, the Chickbicker and the Ace.

AMERICANS BAT WELL.

Haverford Cricketers Score 338 Against Charterhouse School.

Special Cable Despatch to THE SUN.

GODALMING, England, July 21.—The visiting Haverford cricketers began the thirteenth game of their English tour here to-day and laid the foundation for another victory by scoring 338 runs in their first innings. The young Americans had Charterhouse School as opponents and they kept their hosts in the field during the greater portion of the day while the Americans were making their big total.

Quite a large crowd was present at the game, for the defeat of Harrow by the visitors has attracted considerable attention to them. Haverford, having won the toss, lost no time in solving the bowling, and runs came at a rapid rate from the beginning of the innings. W. P. Bonbright and F. D. Godley made a most useful stand with innings of 54 and 48, respectively, while K. L. Pearson, H. H. Morris and J. D. Phillips made their presence felt. A. R. Priestman and H. Pleasants also made a good stand for the eighth wicket, the former getting 50.

With the total at 338 for its opponents Charterhouse began its innings and started most inauspiciously by losing 3 wickets for 10 runs. J. N. Buchanan and F. Somers Foot, on the occasion, however, and defied all efforts of the Haverford bowlers to dislodge them. They were still unseparated when play ceased for the day, the former having 47 to his credit and he latter 46. The score: Haverford, 338; Charterhouse, 187 for three wickets.
