Rev. Claus Wiebe, Singing Evangelist, of Des Moines, has arrived in the city and will conduct services at the Bethel Mission over the week end.

Mr. and Mrs. C. O. Dedmore left the first of the week for Lincoln to spend several days. Mrs. Dedmore expected to attend the Royal Neighbors Convention.

The blue prints and specifications for the drainage construction in District No. 1 are being made and as soon as they are completed it is probable that bids will be called for.

Wesley Welch is taking treatment at the General Hospital for a badly cut hand. His right hand was caught in a shredder machine Wednesday and it will probably have to be removed.

The Lincoln County Commissioners spent part of Wednesday inspecting the land and boundaries of the proposed Drainage District No. 2. The Board will probably approve the proposition at an early meeting and order an election of officers for the district.

The evenings are getting longer—you will want more entertainment than you have been having. Why not couple it with music? Don't be satisfied with anything less than the best. Hear the New Edison Diamond Disc Phonograph and be convinced.

The pupils of Mrs. M. Henry Gilfoyl held a recital Wednesday evening at the Gilfoyl home. Eight different pupils sang on the program. During the social hour which followed, Mrs. Gilfoyl served refreshments. This private recital is coming to be a regular affair about once a month and is looked forward to with pleasure by the members of the class.

**UNION PACIFIC SAFETY BUREAU WILL TOUR SYSTEM WITH MOVIE CAR.**

Union Pacific Car No. 400, fully equipped and showing Interstate Commerce Commission Bulletin No. 70 picturized, will start today on a four month's tour of the Union Pacific Lines in Iowa, Nebraska, Wyoming, Utah, Colorado and Kansas. The car will seat seventy-five people and is equipped with one of the most unique moving picture shows ever shown in this territory. The car will be open daily except Sundays, with continuous shows to employees. An experienced machine operator will be in charge of the moving picture machine and the car will be under the general supervision of Mr. H. A. Adams, Assistant to the General Manager in Charge of the Safety Bureau, assisted by the Division Safety Agents upon their respective territories.

The car will move over the Union Pacific Railroad, stopping at the more important stations, covering a period from March 14th to June 16th.

The object of the picture is to teach employees to be careful themselves and of each other. The Safety Department is charged with teaching that lesson in the most effective manner, and has chosen the movie as the best way of impressing the lesson on the memory of all; the whole safety lesson is summed up in that one word "THINK."

**Wilcox Department Store.**

**DEVELOPING LEADERSHIP THROUGH TRAINING THE MOST LIKELY BOYS.**

The unique organization of the Junior Scout Officers' Training School is very interesting. The school represents every Scout Troop in North Platte with an enrollment of thirty Scouts. The students are selected because of their superior leadership ability and are trained to develop this characteristic. Each boy is given an opportunity to preside at the sessions, to learn real leadership principles, to organize, to supervise and to learn the technique of Scouting. The School itself is organized into a model Scout Troop. There is a full complement of officers. The program is similar to a regular Troop meeting. The success of the method is proven by the enthusiasm displayed by the students, by the progress shown and by the increasing standards of Scouting throughout the city. Upon finishing the course to the satisfaction of the faculty, each boy is to receive a certificate of recognition.

At the session Wednesday evening, the following students took and passed units of the Scout requirements: Melvin Yates, Fay Yearsley, Harold D. Ayes, Ralph Wickwire, William Elder, Glen Waltemath, Darrel Trout and Robert Ogier.

(The following was omitted from our Tuesday's issue through being crowded out at the last minute before going to press.)

**EUGENE FRANCIS GUILLAUME.**

Eugene Francis Guillaume was born April 20, 1918 at North Platte, Nebraska and died at the same place March 12, 1921. He was the son of Mr. and Mrs. Margie Guillaume of this city. The funeral services were held in the Catholic Church, Sunday March 12th at 2 p. m. and interment was made in North Platte cemetery. He is missed and mourned by his father and mother, his grandparents, his uncles and aunts and other relatives. The sympathy of the many friends of the family is extended to Mr. and Mrs. Guillaume in the loss of this loved one.

Last night the Directors of the Chamber of Commerce met and went over the local situation. They decided to hold a get-together meeting in the near future, probably one night next week, and take the entire membership into the councils of the Chamber. Full announcements will be made later. It is proposed to make the meeting a kind of Round Table where questions and answers can take the place of set speeches.

Gloom was cast over the local labor situation this week when notices were posted closing the back shops for the present and laying off approximately 75 men. It is not certain just what the policy of the Company is but it is supposed that the lay off will not continue after the opening up of spring traffic.

Chas. J. Leth is to be a candidate for the office of City Treasurer according to some of his friends who are circulating a petition this week asking that his name be placed on the ballot. L. E. Mehlman is City Treasurer at present and will probably be a candidate for re-election.

The addition to the north side of the County Court House is entirely enclosed and the inside is being finished while they are waiting for the stucco brigade. The addition has been divided into two rooms, one to be occupied by County Clerk Allen and the Commissioners and the other to be used as a private room for Judge Woodhurst. The Commissioners room on the second floor will be turned over to Highway Commissioner Salisbury and C. W. Yost will take the room now occupied by the County Clerk.

A. B. Hoagland was employed to dynamite some dead stumps in the Court House grounds Thursday and succeeded in getting the stumps out and at the same time in scaring the life out of a lot of people in that part of town. One man is said to have run out of the McCabe Hotel office exclaiming "They are blowing up the Court House".

**Health in Spite of Winter Stuffing**

The penalty of gluttony is suffering, at any time, but in winter the penalty for stuffing is colds, coughs, kidney trouble, and when resistance is low, such serious winter diseases as influenza and pneumonia.

Nearly everyone is guilty of overeating in some degree. When the spine is in good order and there is no interference with nerve impulses to the stomach, lungs, liver and kidneys, Nature is usually able to take care of the excess eaten without discomfort. If you suffer from winter colds, and find it hard to throw them off, chiropractic spinal adjustments will bring you back to normal health and strength.

**ACT FOR HEALTH TODAY**

Delay adds to suffering. Consultation is without-charge or obligation.
