We're ready to respond when the usual salute is fired for the first cold snap.

Winter overcoats this winter show a wider variety of fabrics and shades than fashion has permitted for several years past.

Beside more sorts of Oxfords and blacks, we've a good many fancy cheviots lined through the shoulders only—a type of overcoat which as an advanced style corresponds to our young men's suits.

We've not only one $1.50 glove to boast of—we've a number of gloves at that price which will stand up in any company, and which of course we stand back of absolutely.

Whenever there's a cold snap Schlichten Ramie underwear has an innings—the fibre which wards off colds.

With the approach of

Thanksgiving Day

comes the old time custom of the gathering of families and friends. How have you planned to amuse and entertain the folks this year? Why not settle the question to-day and have a

Sterling Playerpiano

It will provide the entertainment for all; the older as well as the younger members. If they wish to sing you have the accompaniment; if they wish to dance you have all the popular dance music of the day. Just think what a day of real Thanksgiving it will be, to possess this wonderful instrument that can be played with perfect accuracy and marvellous artistic effect by any member of the family.

If you really knew about the Sterling Playerpiano and what it can do, you would not be without one. Come in this week and hear it and try it yourself.

Liberal allowances made on your old piano if given in exchange.
We meet any reasonable suggestion as to terms.

"The best car I have ever owned"

"I would say in reply to your inquiry that the 6-cylinder PIERCE ARROW CAR has given me perfect satisfaction. I have made a mileage of 27,000 miles since July 2nd. Have had no unusual tire troubles. The long wheel base in my opinion is easy on tires. I consider the 6-cylinder PIERCE ARROW the best 'all around' car that I have ever owned, and I cannot see how it can be further improved."

This letter is one of a large number on file at our office which can be shown to anyone interested in Pierce Great Arrow Cars. The letters are all signed with the names of well-known New Yorkers, but naturally we do not like to give the name of the writer of this letter in this public place, although we will be delighted to show the original letter.
