A Change in Time

The rural carriers now leave the Nemaha postoffice at 8 o'clock a. m. and are due back at 3 p. m. This change was made Thursday of this week, by an order from the department. This will make it much better for the carriers, though perhaps not quite so satisfactory to the patrons. But now they will return in time to get mail collected out on the afternoon train.

Mrs. Alice A. Minick came down from Brownville Tuesday evening, stopping over night with Mrs. F. L. Woodward, and the next morning went with her to Lincoln to attend the W. C. T. U. convention.

Fred Rohrs has made a good sheriff. He has attended to the duties of the office faithfully and has made a good official. There is no question of his reelection. He is deserving of a big majority and will get it.

A few days ago C. W. Roberts was compelled to part with his old family driving horse one that he thought a great deal of. The horse had been sick a long time, and though Mr. Roberts called in two of the best veterinarians he could get, they did not know what ailed the horse. It was some nervous disease evidently. Mr. Roberts finally had the horse killed, as there was no hope of its recovery.

Herbert Brimble Married.

A very pretty wedding was solemnized at the home of Mr. and Mrs. John R. Lewis, immediately north of town, Wednesday morning at 11 o'clock when their daughter, Mary, was united in marriage to Herbert J. Brimble by Rev. W. H. Hoole, pastor of the Presbyterian church. Miss Edith Lewis, a sister of the bride acted as bridesmaid and Healy D. Brimble, brother of the groom, officiated as groomsman. The bride wore a beautiful champagne silk dress, trimmed with aplica and carried a bouquet of flowers. The groom was arrayed in regulation black. Excepting Mrs. Levi Salmon, only relatives of the Lewis and Brimble families witnessed the happy event, after which they all partook of a splendid wedding dinner.

Herbert J. Brimble is a son of Mr. and Mrs. David Brimble of this city. He owns a fine ranch near Jean, is industrious and upright and possesses every other quality to make a good husband.

The bride has lived in Coulee City all her life; is bright, vivacious and of gentle temperament. She is unusually well liked in this city. The News joins many friends in wishing this young couple a very happy wedded life.

Mr. and Mrs. Herbert J. Brimble left the same day for their future home near Jean.—Coulee City (Wash.) News, Oct. 4th.

There is no opposition apparently to the reelection of Geo. D. Carrington jr. as county superintendent. He was urged to be a candidate by those who felt that the interests of our public schools would be best served by keeping Mr. Carrington in that office for another term. He will be elected by acclamation.

Geo. W. Cummings has made a good record as county commissioner. He has done the very best possible with the means at hand. With his experience of three years he is better fitted than ever to perform the duties of this important office.

Do not fail to vote for him on the 5th day of November. You will not regret it.
