THE PASSENGER SERVICE OF THE METROPOLITAN LINE fell into great favor from the very first and while being the only All-the-Way-by-Water Route between New York and Boston, is now recognized as the most popular route both for Commercial and Pleasure travel between the two cities.

SUCH A VARIETY OF DELIGHTFUL WATER STRETCHES in the night run which is required to make the trip from City to City by the Metropolitan Line is not to be found elsewhere, and an unbroken night's rest is thus provided over the most fascinating Salt Water Route in the world.

Beginning with this Season they will burn Oil Fuel, which has just been installed. They are outfitted with Wireless Telegraphy, Submarine Signal Service, Searchlights, and all other modern devices to insure Safety, Comfort and Convenience.
