ZEUS WINS THE ADIRONDACK

IN HILDRETH'S COLORS ADAM COLT IS A SURPRISE.

Backed Down to 12 to 1. He Beats Round the World and Iron Mask in Remarkable Fast Time Sir John Johnson's Handicap Rye Straw Disqualified.

SARATOGA, Aug. 24. S. C. Hildreth offered another big surprise here to-day when his colt by Adam Shaft, for which he paid $4,000 at the Newcastle Stable sale, won the $5,000 Adirondack Handicap, for three year olds, six furlongs, in sensational fashion. Zeus hitherto was regarded as an ordinary colt, but in Hildreth's hands he suddenly developed stake winning qualities and enabled his shrewd owner more than win him out. Zeus was sent down to 12 and he had no trouble in proving that he ran the distance in the remarkable fast time of 1.11 1-5, close to the world's record.

Willie Lake added his star filly Round the World, who had well fancied at 4, but James R. Keene's Iron Mask was a strong favorite, hammered down to 13 to 10. At the start Round the World cut out a terrific pace and assumed an early advantage. Nothing went after her with Iron Mask, who carried 124 pounds, while Zeus, from a slow beginning, began to look dangerous at the far turn. When Butwell finally got the Hildreth colt he came with an overwhelming rush in the homestretch and as the pacemakers were leg weary the son of Adam won in a mild drive by a safe margin. Round the World beat Iron Mask a neck and a half for the place, Sentiment, a factor for a part of the way, carrying 126 pounds. Watervale ran a good race but Textile had no chance after the getaway.

Sir John Johnson, taking up 129 pounds, and leading at 7 to 5, made all the pace in the handicap at a mile, winning in a drive by a length in 1.43. Superstition, 8 to 1, always the contender, beat Danoscara, 3 to 1, a head for the place.

Cohort, 11 to 5, led practically from the start in the first race, for platers, six furlongs, and won galloping by four lengths in 1.15. John Sanford's Iron Man, backed down to 5, finished third in this race, with Fuller's Toy Boy, 15 to 1, third. Big Stick, 4 to 1, was shut off and knocked out of it.

A hard drive by Jockey Lynch enabled Thomas Hitchcock's Stoure, 13 to 10, to win the steeplechase, at about two miles, by a length. He was always the pacemaker and ran his best race. Aunt Jule, 9 to 10, with 160 pounds, could not concede the weight to the winner, but ran second, twenty lengths in front of Diebold, 8 to 1. The time was 4.18 2-5.

Henry Munro, 15 to 1, came from behind in the third race, for beaten horses, one mile, and won by a length from Frances Ray, 7 to 1. Glandore, 8 to 1, was third, three lengths back. The mile was run in 1.49 1-5.

After making all the running and winning the last race, for two-year-olds, five and a half furlongs, by a head, Rye Straw, 15 to 1, was disqualified by the stewards for carrying gold of Ophir, 4 to 5, wide in the homestretch. This ruling gave first money to Gold of Ophir, with Crash, 12 to 1, second, and Aldivia, 15 to 1, third. The time was 1.07 1-5. The summaries:

There were thirty-two starters and ten men were left at the finish. Kramer punctured a tire at twenty three miles and stopped. Root dropped at twenty miles for a similar reason. Fred Hill won the five mile prize, Hehir taking second and fifteen mile prizes and De Maria led for twenty miles. There was a special prize for the rider who made the strongest effort to break the record, the award to decide and the spectators were about evenly divided between Phil Wright and William "Pedlar" Palmer. GOLF.

Wykagyl Pair Wins Preliminary of Championship at Deal.

Amateurs and professionals engaged in a four ball competition yesterday at the Deal Golf and Country Club, the prizes being the gift of that organization. The professionals regarded it as a tryout for the two day M. G. A. open championship that begins this morning, in which only six amateurs, Ward, Radell, Shanley, Jr., Turner, Jr., Kendall and Platt will compete. Aleck Smith and T. V. Birmingham won with this score:

Out	4	5	5	4	4	3	5	3	4—37
In	4	3	5	2	5	5	3	3	4—34—71

The same pair were the victors last year for the Wykagyl Country club in this contest and it is taken by believers in luck to mean that Aleck Smith is to retain the title of the M. G. A. open champion.

Tom MacNamara of Boston, an eleventh hour entry, took second prize with W. D. Vanderpool, the Morris County amateur, as partner. They scored 72. Jerome D. Travers of the Upper Montclair Country Club, had Davy Hunter, the Essex County Country Club professional, as partner. They did 76 and but for a couple of bad holes would have been more prominent.

REGULAR SHOOTERS SUPREME.

Infantry Wins National Match for the Third Time.

CAMP PERRY, Ohio, Aug. 24.—For the third time the United States Infantry to-day won the national trophy, for the first time a Western team landed in the first four money places, for the third successive year the regulars overwhelmed the militiamen, getting three of the four leaders, and the Western State teams have finally beaten the Eastern for membership in class A.

The Infantry won the trophy and $450 with 3,186, 71 points ahead of the Cavalry. The Iowans coached by Lieut. M. C. Mumma, Second Cavalry, bagged third prize, $300, with 3,112; the navy was fourth and the Naval Academy fifth. Massachusetts was driven to sixth rank.

In class A for 101 crowded upon Western States, Colorado twenty seventh last year, now eighth. Michigan, which pulled up from twenty fifth to ninth, just ahead of New York and Minnesota, now twelfth, last year sixteenth, all of which proves that the West has arrived with a dash. The District of Columbia, sixteenth last year, with thirteenth rank, also enters class A.

The victory of the regulars would have been more surprising had not the entire skirmish score of the Marine Corps, once been thrown out by the executive officer. Lieut. Col. F. K. Evans, twenty seventh infantry, because of an infraction of the rule against unauthorized coaching from behind the firing line. With that 1,002 the mariners were second with 3,138, without it they are forty-second, 2,101, next to Montana, which was not able to take the skirmish run because Lieut. Edwin Norris called the team home for duty at the forest fires. New York got its teeth into 2,001, a hundred ahead of New Jersey, which ranks fortieth. Pennsylvania's 2,979 gave her eighteenth place. Contests of twenty seventh with 2,980. The twenty leaders rank as follows:

United States infantry, 3,186; United States Cavalry, 3,115; Iowa, 3,112; United States Navy, 3,111; United States Naval Academy, 3,107; Massachusetts, 3,105; Wisconsin, 3,100; Colorado, 3,096; Michigan, 3,095; New York, 3,085; Ohio, 3,084; Minnesota, 3,021; District of Columbia, 3,020; Texas, 3,009; Oklahoma, 3,000; Kansas, 2,981; Illinois, 2,980; Pennsylvania, 2,979; California, 2,958; New Jersey, 2,952.

Interesting Play in Tournament at Rochester.

ROCHESTER, Aug. 24.—Play in the various tourneys of the New York State Chess Association was resumed at an early hour this morning at the Rochester Yacht Club house. Principal interest is evinced in the doing of the five experts engaged in the masters' tourney. In the game between Daly and the Brooklyn matador, Black, the latter lost a piece which he might have saved if he had adopted a different line of play at one stage of the contest. In the game between Walcott and Daniel both players executed brilliant onslaughts which gave rise to no end of difficulties, and when this game stood adjourned the men were even on even terms as far as material was concerned. Full of fight was also the Daly-Daniel game. The latter, however, managed practically to block his adversary's piece on the king's side of the board, beating his man rather neatly.

The Brooklyn champion, Black, on the other hand, had Daniel at his mercy from the start. He won pawn after pawn, finally getting his force well into line and winning a game by altogether brilliant and daring play. Daly and Clark played a Ruy Lopez, which was altogether void of rushing tactics. These men gave an example of sound play. Attack and defence were thoroughly up to date.

Bedwell Ruled Off for Good.

LEXINGTON, Ky., Aug. 24.—The Kentucky State Racing Commission to-day went on record for clean racing and refused to even recognize mercy. H. G. Bedwell, who was ruled off at Latonia for the alleged doping of Nadzu, was before the body, represented by his attorney, Gray Falconer, president of the Kentucky Racing Association, pleading for at least to reinstatement of his big stable of horses. The members of the commission listened to the arguments almost all day and after the attorney had finished they decided that the case should stand as formerly, sustaining the action of the track officials in ruling Bedwell off. The finding is final.
