IN THE FOOTBALL WORLD

SCRUB TEAMS HAVE A GOOD SCORING DAY.

Harvard Subs Do Good Execution in Morning Workout Against the Varsity—Army and Navy Seconds Tally Against Big Fellows' Team Practice.

CAMBRIDGE, Oct. 12.—The varsity football practice to-day was held this morning and was in the nature of a game between teams A and B, the latter being practically the substitutes of the regulars. There was a twelve and ten minute half and it was another session of hot work for the players.

The pace was furious again, but the varsity team showed up poorly. The substitutes put it all over them and for the first time this year in practice or otherwise the varsity team was scored on. The subs tore the regulars to shreds, making a touchdown and compelling the first team to make a safety.

Lewis, end on team B, nailed an onside kick and after Farmanier had gained twenty-five more with a fumbled forward pass eleven of the substitutes went through the line for a touchdown. Tabor Gardner, of the varsity, caught a ball on his 5 yard line and Lewis hauled him and three him back for a safety.

Lewis, by the way, is coming up fast as an end. He is long limbed and big boned, fast and active and a clever all around athlete. Potter, on team B, outplayed Gardner, on team A, this morning. O'Flaherty and Wendell were other players who did well. Corbett was in the scrimmage, but showed his lack of practice.

On the varsity team were: Left end, Felton; Lewis, left tackle, McKay, left guard, Minot; Keays, centre, Perkins, P. Smith, right guard, Fisher, right tackle, Withington, right end, E. Smith, quarterback, Gardner, left halfback, Corbett, Morrison, right halfback, Grasstom, Corbett, fullback, Tryon.

The other team was composed of: Left end, Lewis, Felton; left tackle, Hann; left guard, Keays, Minot; centre, F. Smith, Huntington; right guard, Stow; right tackle, Parmenter, Jowett; right end, O'Flaherty, Amory; Hollister, quarterback, Potter; left halfback, Pierce, Grausteen; right half back, Wendell; fullback, E. H. Frothingham.

The scoring was all done before any changes were made, so that the substitutes weren't strengthened any by having varsity men shifted to their team. O'Flaherty hurt a couple of fingers in getting an opponent by the straight arm. Jimmy Knox, Harvard halfback in the fall, was in the practice. Asked what he thought of the team he said: "The varsity did poorly this morning. There's a lot of good men on the squad, but it's eleven men as a unit that count, not eleven men individually."

The Andover afternoon game down at Soldiers Field was a afternoon and beat the Harvard second team, 9 to 0. Andover had a wildfield team and outclassed the Harvard seconds in nearly every detail. Rogers, the Andover captain, made a place kick from the field and late and sent the ball squarely over the bar. Rogers also broke through on an attempted punt and when the Harvard punter dropped the ball in his hands Rogers picked it up and ran thirty yards for a touchdown. Andover's backfield was fast and the pretty best running seen here this season. Either with or against the wind he drove the ball far.

NEW HAVEN, Oct. 12.—The Yale freshmen showed improvement strength in the game with the Trinity boys at Brookline, scoring in the first period without allowing the varsity to cross the line and holding the varsity to three scores afterward. The freshmen touchdown was made by Betcham in the first period after a seventy yard run, in which the ball man bowled over several varsity men in the broken field. The goal from the touchdown was kicked by Lord.

In the next period the varsity braced. There was a fumble on the line and Sax and Walter Camp, Jr., recovered the ball for the varsity. Dall made several line plunges and Philbin took the pigskin over from the 10 yard line. Sax then kicked the goal. In the second half no touchdowns were made in the third and fourth periods respectively were from forward passes. Potter to Torrey and Stroup to Torrey. Sax made the goal for the varsity kicked.

PRINCETON, Oct. 12.—Princeton was in order on the Lawrenceville field to-day. The chilly weather put all sides of chain in the teams work, and a lot of regulars were in the game for the first time. Lawrenceville scored twice, the final score being 19 to 0. The second team was used in the second half of the game, and Mercer made a touchdown for Princeton just before the whistle blew for the first time. Lawrenceville's work was good.

The Lawrenceville team showed some fine plays. Coach Hoyt, who was there, was delighted at the fight. Sparks was excellent and running the pick of the team. He was supported by Lewis, Ewing, Ellsworth, Macgregor and McLean, of the team. Princeton had to work hard to beat a strong set of boys of last year's material. The backs gained at will through the line, and the second touchdown resulted from short gains due to the splendid work of the men in the line. The second team showed up well.

Princeton's first down kicking was in the air. Time for the first half. The forward pass, long and well thrown, was a feature. Bailey, who played good ball, kicked the goal after the touchdown.
