A Set of Dickens' Works Free.

Being anxious to make a showing of 1500 new subscribers added during 1889, the COURIER has decided to make an unprecedented offer in order to accomplish that end. Commencing October 15 we will give to every new subscriber paying \$2.50, a set of

12—TWELVE VOLUMES—12

of Charles Dickens' works, and send the COURIER from now until January 1, 1891. Addresses may be changed at any time without extra charge, in case of removal.

The books are neatly bound in paper covers and a paragon of excellence generally. Now is the time to subscribe. The COURIER for nearly fifteen months and a set of Dickens' works for only \$2.50. Just think of it! The COURIER from now until Jan. 1, '91, would cost \$2.50, and thus by ordering now you get a young library free.

Old subscribers may also take advantage of this by paying up arrears, if such be the case, and the amount as above specified.

Address all communications relative to the above to  
Wessel Printing Co.,  
Lincoln, Neb.

P. S.—If you would like the set of Dickens and don't care for more papers than you are now taking, the above offer also holds good for papers to be sent out of town.

Change is one of the irresistible laws of nature, and fortunately the change is almost invariably for the better. As an instance of this, St. Patrick's Pills are fast taking the place of the old harsh and violent cathartics, because they are milder and produce a pleasanter effect, besides they are much more beneficial in removing morbid matter from the system and preventing ague and other malarious diseases. As a cathartic and liver pill they are most perfect. For sale by A. L. Shader, druggist.
