GARDNER BOATS SUCCESSFUL

CYRIC AND ALICE WINNER IN LOWER BAY YACHT RACES.

National Club Regatta Sailed in Fresh Wind—New Course Gives Weather Test—Suelew Beaten by Alice and Wink by the Cyric—Motor Boats Race.

The National Yacht Club held a regatta yesterday afternoon on the lower bay. This club is the successor to the old and better known Brooklyn Yacht Club. The regatta was the second of the scheduled events of the Gravesend Bay Association and the first of the new club. Twenty-six sailing craft took part in the different races and four motor boats went over a special course.

For the sailing craft the weather was ideal, there being a fresh wind from the southwest. The sloops of class Q were sent over one of the new courses, No. 16, and they had a splendid test at windward work. This course took them from the starting line to the Bensonhurst mark, to Craven Shoals, to Ambrose Channel Buoy No. 14 and then to the finish, eleven miles. It was a reach to Craven Shoals and then on the wind to Buoy 11 and a broad reach home.

There were three starters in this class, Alice, a Gardner boat, Suelew, a Mower boat, and Soya, a Crane boat. Alice did remarkably well and on the wind she gradually worked out a fair lead, holding it to the finish and beating the Suelew at the line by 1 minute 27 seconds. Suelew did better than in her first race and she will improve very much as soon as she is properly tuned up.

The class S boats sailed course 6, going to Fort Hamilton, Sea Gate and Bensonhurst, twice around. The Cyric, another Gardner boat built for Dr. C. L. Atkinson, showed that she will be hard to beat in any kind of weather. She met the Wink, the new Herreshoff boat, M and F, and Gunda, and won the race easily. She defeated the Wink 8 minutes 38 seconds in the ten and a half miles, which is rather remarkable work. The Wink did not beat the older boats nearly as much as she was beaten.

Three sloops of class M, Gardenia, Margaret and Adyta, sailed a course that took them to the southwest spit buoy No. 5 off the point of the Hook and home again. The Gardenia found another soft spot and her victory will help bolster up her record at the end of the season.

Four motor boats went over a course twenty-nine and three-quarters miles long. Vice-Commodore A. C. Soper's Sim Too finished first, but was beaten on corrected time by the Suia Moi.

In the handicap class Joy finished first again, but Miana won the race with her allowance and Joy had to be content with second place.

In the knockabout class there were three disqualifications for fouls. The race was won by F. L. Billingham's Skylark, with R. B. Moore's Scud second. Just how it happened no one is able to figure out, but Skylark managed to get home ahead of the crack skipper of the lower bay by ten seconds.

The New York Canoe Club's dingies race again was won by the Arie, with Viva, Commodore Allerton's boat, second. The summaries:

JOYANT WINS FIRST RACE.

Defeats Corinthian by Small Margin at Oyster Bay's Special Regatta.

Commodore William H. Childs's new 31 rater Joyant, built to win the Manhasset Bay challenge cup for the Indian Harbor Yacht Club, sailed her first race yesterday. It was in a special regatta of the Seawanhaka Corinthian Yacht Club and her competitor was the Corinthian, owned by a syndicate of the Seawanhaka Corinthian club, also built to try for the challenge trophy. These are Herreshoff boats. The Corinthian is of normal type, while the Joyant is larger in every way than her rival and has extreme beam. The yachts sailed in a fresh southeast wind over an outside course of 10¼ miles. It was a close contest and Joyant won by 1 minute 12 seconds.

In the race for the New York Yacht Club 30 footers Johnston de Forest won again with the Nepsi, and Caprice, owned by Ralph N. Ellis, once more was second. Clinton Mackenzie's Thelema won the race for 15 footers with George Tuckerman's Iris second.

Atlantic Y. C. Opening.

The Atlantic Yacht Club house at Sea Gate was formally opened for the season yesterday. The yachts in the fleet by order of Commodore William H. Barnard gathered at the club anchorage at 11 o'clock. At noon a gun from the flagship Sagamore gave the signal for the burgee to be hoisted on the staff in front of the clubhouse. This staff was originally the mast of one of the Shamrocks and was presented to the club by Sir Thomas Lipton. Three minutes later the yachts in the fleet dressed ship and then each yacht, led by the flagship, fired a salute. In the afternoon official calls were made on the commodore and from 4 until 5.30 o'clock there was a reception on the flagship. There was music in the clubhouse and dancing in the evening. The gathering of members was a large one.

YACHTS RACE ON THE SOUND.

Harlem Y. C. Opens Season With a Fleet of Fifty-four Vessels.

The yacht racing season of Long Island Sound was opened yesterday with the annual regatta of the Harlem Yacht Club in which fifty-four vessels took part. The races were sailed in a light wind from the southeast over triangular courses starting off Execution Rock. It was the first race, too, in which point count for the championships.

The 31 raters and two divisions of the handicap class sailed eleven miles, the two small classes six miles and all the others nine miles. In each division the first leg of the course was windward work, the second a close reach and the last a run with spinnakers carried to port. The regatta committee, Walter S. Sullivan, Edward M. Hartmann and W. J. Fowler, sent the first class away at 1 o'clock, the others following at proper intervals.

A feature of the regatta was the first appearance of the new Gardner racer Vodka, which has been built here for a Russian yachtsman and which will be shipped abroad at once. The yacht was sailed by Robert Jacob and she was an easy winner in her class, defeating the Scylla 6 minutes 20 seconds.

Ten new boats sailed their first races in this regatta. J. A. Crowley's Ediana, the winner in class P, was one that attracted much favorable attention, and so did Zingara of the same class. She is owned by Newton brothers. There were five new one design boats in the star class owned by well known racing men. They were the Snake, Twinkle, Gold Bug, Little Dipper and Cat. Lindeman's Mile Rocks of the new Manhasset Bay class and the Dolly of the fourth division handicap class are also new boats.

The winners in the various classes were as follows: Handicap class, first division, Sally IX.; second division, Fearless; third division, Robin Hood; fourth division, Victory; class P, Hyperion; class O, Naiad; Raceabouts, Olphora, Larchmont interclub class, Salas; class R, Sabrina; class S, Nereid; Manhasset Bay new class, Scylla; Manhasset Bay (old), Ahoy; New Rochelle one design, Nereid; star class, Little Dipper; bug class, Iney.

EXETER ATHLETES WIN.

Defeat Andover by 57 Points to 37—New Records Made.

ANDOVER, Mass., May 30.—Phillips Exeter Academy had no difficulty to-day in winning the nineteenth annual dual track and field meet from their old rivals, Phillips Andover Academy. The Exonians piled up 57 points and their opponents totalled but 37. A new record for the New England interscholastic half mile run was established by W. J. Bingham of Exeter and the dual record for the mile run was also shattered. Bingham's time was 1 minute 57 2-5 seconds, which beat his record of 1 minute 58 4-5 seconds made last year. J. A. Mackenzie of Exeter cut the time for the mile run from 4 minutes 30 seconds, made in 1909, to 4 minutes 29 2-5 seconds. Burns of Exeter and Mahan of Andover ran almost a dead heat in the 100 yard dash, the judges giving the former first place by an eyelash. His time was 10 1-5 seconds.

The summary:

100 Yard Dash—Won by Burns of Exeter. Time, 10 1-5 seconds.

220 Yard Dash—Won by Burns of Exeter. Time, 22 2-5 seconds.

Athletic Feats at Hartford.

HARTFORD, Conn., May 30.—A large number of intercollegiate and interscholastic champions competed in the annual field and track games of the Trojan A. C. on Trinity Field this afternoon. Yale and Dartmouth had the most college entries, while Williston Seminary and the various high schools of the district reaped a rich harvest of prizes in the interscholastic events. Drew of Springfield scored eighteen points, besides assisting his school in a relay victory.

Tilley of Dartmouth threw the hammer 140 feet 8 inches, beating Kilpatrick of Yale by almost 10 feet. Kilpatrick won the shot put with 42 feet ¼ inch. Birge, a prep school star, cleared 5 feet 8½ inches in the high jump and Wagoner of Yale won the pole vault at 12 feet.

Manhattan Team Wins at Chess.

RECORDS GO AT CELTIC PARK

DAN AHEARN SUPREME IN HOP, STEP AND JUMP.

He Twice Beats His Own World's Figures, Putting the Mark at 50 Feet 11 Inches—Gwinn Henry, the Texan, Shows His Speed—Eller Clips Hurdle Time.

Memorial Day was indeed a memorable one for Celtic Park. At the annual spring games of the Irish American A. C. three records were smashed, in the hop, step and jump, the 125 yard dash and the 250 yard hurdle events respectively. Dan Ahearn of the home club, the holder of the world's record for the hop, skip and jump, broke his own record twice by pushing the figures from 49 feet 7½ inches to 50 feet 4½ inches and then to 50 feet 11 inches. Gwinn Henry, the Texan wonder, then sustained the reputation that heralded his advent in the East by negotiating the 125 yard run in 12 1-5 seconds. The next record broken came as a sinecure for Jack Eller, the national champion hurdler. It was a hurdle race over the odd distance of 250 yards over 2 feet 6 inch obstacles, for which the standing record was 31 4-5 seconds, made by Schmegler at Staten Island way back in 1889.

The weather conditions were almost ideal, the track fairly fast and the card exceptionally attractive. Some disappointment was felt at the non-appearance of Guy Haskins, the Australian, who was booked to start in the two-thirds mile handicap. His absence was accounted for by the fact that he sails to-morrow for England to compete in the coronation sports. The 10,000 track enthusiasts who turned out to watch the games were furnished with an unusual treat. Frank Riley, the track captain of the Irish American team, broke away from the large field at the beginning of the final lap and held his advantage to the finish. He won by at least twenty yards in the fast time of 2 minutes 41 4-5 seconds. Jack Monument, his club mate, ran a faster race from scratch, but could not overcome the enormous handicaps.

A brilliant field lined up for the special invitation run from scratch at 125 yards. Lauer, the New York University lad, drew the pole, with Gwinn Henry at his side. Jim Rosenberger, the national 100 yard champion, Jack Eller, the national low hurdles champion, and J. J. Archer, the 70 yard military champion, started from the positions in the order named. The start was perfect. Henry, who is perhaps one of the fastest starters on the track today, was two feet in front before twenty-five yards had been covered. He gradually increased his lead and by the time he reached the tape he had five feet to spare. Rosenberger fought desperately for second place, but he was beaten by Lauer by a foot and a half. There was some doubt about the record being broken because of the breeze that was blowing, but Referee James E. Sullivan decided that since the wind was blowing across the track it could not be considered as a favorable factor in the record breaking. Henry's performance bettered the time of C. H. Sherrill made at Berkeley Oval in 1909.

Dan Ahearn had it all his own way in the hop, skip and jump. He was in perfect form and broke his former record on the first try by jumping 50 feet 4½ inches. On the last attempt he went 4½ inches further. This is over a foot better than the world's mark that he set last Memorial Day on the same field. In spite of his superb work he had to yield the first prize to his big brother from the New York A. A., who had a handicap of 3 feet. Tim Ahearn will be remembered as the Olympic champion of 1908.

Jack Eller broke the hurdle record with comparative ease. Starting from scratch, he won both his heat and the final in 29 1-5 without flicking a timber.

Another event of interest was the one mile open relay. Rosenberger, the anchor man, had to extend himself to the utmost in order to win. Several of the timers caught him at 48 2-5 for the quarter. This is a record for the Celtic Park track.

George V. Bonhag ran two miles in 9 minutes and 29 seconds. Experts looked for him to better Tel Berna's time and the chances are that he would have succeeded had he been coached correctly. His times for the half and one mile were 2:13 2-5 and 4:39 4-5 respectively.

The summaries:

One Mile Medley Relay Run, Handicap—Won by F. Riley, Irish American A. C., 20 yards; Bart Freeman, Xavier A. A., 50 yards, second; B. McCherry, Xavier A. A., 70 yards, third. Time, 2 minutes 41 4-5 seconds.

Greenman Navy Crew Captain.

ANNAPOLIS, Md., May 30.—By the election of Midshipman William G. Greenman of New York captain of the Naval Academy crew precedents were overturned, as Greenman did not row regularly on the first crew, but stroked the second eight. He weighs about 150 pounds, but is strong and a clever oar and will probably stroke the big eight next year.

YALE NINE OUTPLAYS BROWN

BLUES FIND PITCHER WARNER IN THE FIRST INNING.

Hartwell Holds the Providence Varsity Team Down to Two Hits, Both Made by One Man—New Haven Men Square Accounts Before 10,000 Spectators.

PROVIDENCE, May 30.—In return for the 5 to 1 defeat handed to Yale at New Haven the Bulldog to-day got his revenge on Andrews Field and took the Brown Bear into camp 4 to 1. Yale won the game in the first inning, when her batsmen fell on Warner for four singles and a base on balls and Warner hit Merritt.

Coach Woodcock was criticised for not taking Warner from the box at once. He waited until the end of the inning, however, and Yale stood three runs to the good. Conzelman went in and pitched great ball up to the ninth, when he passed three men. With two on bases Yale scored a double steal and Reilly scored from third.

Brown's lone run came in the first inning when Dukette, the second man up, singled, stole second and scored on Durgin's sacrifice fly. Dukette starred for the Providence team, making both of Brown's hits, stealing two bases and scoring the only run. Both teams played a sharp fielding game and Hartwell pitched a sharp, steady game for the Blues. The score:

GEORGETOWN BEATS FORDHAM.

Wins the Catholic Championship From the Maroons by a Score of 5 to 2.

In a hard fought contest before the largest crowd ever assembled on Fordham Field Fordham lost its claim to the Catholic championship by suffering defeat at the hands of Georgetown yesterday by a score of 5 to 2. The game was fast and Fordham played a harder game than the score indicates.

Capt. Scanlon for the home team started the scoring in the second inning, getting first on an error by Connelly, second on a passed ball, then sacrificed to third and scored on a passed ball. After this O'Connor had the Maroon batters in a hole until the ninth inning, when the Fordhams started a threatening batting rally. The Maroon batsmen reached the Southern twirler for three scattered bingles up to the final inning, when they landed on him for three more, and this inability to hit at the needed moments cost Fordham the claim to the Catholic championship. O'Connor made the Maroon batsmen work hard, allowing no passes.

Georgetown secured a one run lead on Fordham in the third inning by gathering five runs. With two down Kehoe was touched for three successive hits. Connelly and Riley singled and Sitterding's long triple scored two for the Southerners.

Again in the fifth with one down Georgetown added another pair of runs to its score by a present of first to Hunt, a single by Connolly and an error of Sitterding's which allowed the Southerners to put a pair of runners across the plate.

Georgetown made her last run in the ninth on runs by Donnelly and O'Connor. The score:
