THE CURB MARKET.

There was a little more activity in the mining stocks on the curb yesterday, although the general list remained stagnant. Braden Copper was exceptionally firm and advanced to 7¾. British Columbia, Greene Cananea, Yukon Gold and Butte and New York also improved fractionally on larger dealings. Though quiet the industrial list maintained a fairly firm tone. Intercontinental Rubber rose fractionally to 16. United Cigar Stores stock was dealt in to a considerable extent without important change in quotation. The United States Motor stocks both suffered rather sharp declines.

Transactions in detail in the market yesterday were as follows:
