FAIRY QUEEN CAPTURES TRIO OF BLUE RIBBONS

Threefold Victory for Myron Oppenheim Marks Opening of Sea Girt Show.

MRS. FITLER WINS CUP

Tops Her 1911 Triumph, Mark Hanna Earning Final Leg on Trophy.

Fairy Queen, a show mare, rich in quality, cast a spell over the judges at the opening of the Sea Girt and Spring Lake horse show yesterday, and aided by Miss Madge Nathan, who rode with grace ability, captured three blue ribbons for owner Myron H. Oppenheim. This was the sensation of the fixture, started four years ago, which has already attained importance in the circle of summer shows.

Following close on the heels of Long Branch, many of the horses that won last week repeated their triumphs, but Fairy Queen, which had to take a back seat in all except the local event at the Branch, caused a reversal of form by defeating several horses that were placed before her a week ago. A slight accident in her stall rendered her coat a little rough last week, but careful attention had her in perfect condition yesterday and she swept everything before her. Fairy Queen gave a sample of her all around excellence by opening her series of victories in the combination class. Miss Nathan, on Fairy Queen, and Miss Marie Louise Thompson, on A. W. Atkinson's Rosemont, were the only two women riders, but so skilfully did they handle their mounts that they were placed first and second, to the delight of the crowd. In the regular saddle class Fairy Queen won from Kensington King and wound up with a victory in the largest class of the day, that for ladies' saddlers. The Queen was on her best behavior for Miss Nathan and in this she had the advantage of Barry of Ballymore, ridden by Miss Thompson, a gelding which rivalled Mr. Oppenheim's mare in looks. In spite of all that Miss Thompson could do her mount persisted in bucking when breaking into a canter, a fault that resulted in his being placed third to Fairy Queen and Rosemont.

With the triple win in sight, Mr. Oppenheim thought it wise to keep Fairy Queen out of the opening event, a thoroughly sporting proposition that called for the competitors to travel six miles under saddle before being judged in the grounds. This allowed Mrs. C. Cecil Fitler to win outright the valuable cup presented last year by J. W. Waring, which had to be won twice by the same owner. Mrs. Fitler scored a leg in 1911 with Lady Sandy and yesterday sent Mark Hanna to battle for the silver trophy. Mark Hanna entered the grounds after the six mile canter from Asbury Park in excellent condition and showed off at the walk, canter and trot to the entire satisfaction of the judges, who placed him first and Kensington King second.

Pandora Queen and Sporting Extra, which won so easily in the tandem class at Long Branch, had a narrow escape from defeat, and the judges hesitated a long time before pinning the blue on the bridle of Pandora Queen. Mrs. E. Seelig's Hob Caw and Maudeda made a fine appearing tandem, while Mrs. Fitler's pair seemed a trifle too high in flesh. For conformation, however, it would be hard to beat Pandora Queen and Sporting Extra, and their action, save for one break while taking the sharp turn, was all that could be desired. Mrs. Cecil Fitler won her third blue when Pandora Queen and King Dora defeated Mrs. SeSelig's Maud and Maudeda in the class for harness pairs.

There was a reminder of old racing days when, toward the close of the programme, one of the horses came out for a warm up prior to the running events that ended the day's sport. Three jumping competitions over obstacles that were more varied than at Long Branch provided thrills for the spectators. Most interest was taken in the Corinthian class, in which the riders wore the colors of their respective hunts. The Glen Riddle Farm carried off first and second prizes with Willow King and The Virginian, the latter winning also in the heavy and middle weight class. The show will continue to-day and to-morrow, polo ponies being scheduled to appear on the getaway day.

MORE OLYMPIC WINNERS BACK.

Adams Brothers After Scoring Points Must Look for Jobs.

Olympic point winners returned on the White Star liner Majestic, the talent being mostly composed of men with Platt Adams, winner of the high jump at Stockholm, in the figure. His brother, Ben, was a party, and if reports are true they will have to hunt for a job. They gave up good positions for the trip abroad and score eight of them for the Stars and Stripes.

Fred Gehring, Mohawk A. C., H. J. Stokes, New York A. C., and Edward Matt Hagen A. C., were those who begged to entertain the passengers with exhibitions of skill. Other members of the team on board were Dr. F. J. Farrell, H. W. Holden, L. Loftus and J. Becht.

McCARTY FIT FOR STEWART.

Big Missourian Gets His First Local Chance at Garden Monday.

Luther McCarty, the big Missouri boxer who became famous by stopping Carl Morris, went through his training stunts yesterday for the benefit of Manager Gibson of the Garden A. C. McCarty is matched to box Jim Stewart in the Garden next Monday night. He convinced Gibson of his fitness and also surprised the visitors by his great hitting. Stewart is not an easy mark by any means, and McCarty will have to be all that he says he is to score a cleancut victory.

Willie Lewis, who will shape up with Freddie Hicks in another ten round bout, is boxing daily with Joe Jeannette and Jack Denning. This will be Lewis's first appearance here since his return from France, where he lost a twenty round verdict to Carpentier. The other ten round bout will bring together George Cheney of Baltimore, a crack featherweight, and George Kirkwood of St. Louis. Both are winding up their training here.

EKWANOKS MUCH IN EVIDENCE.

Win Team Prize and Low Medal Score and Create Course Record.

MANCHESTER, Vt., Aug. 1.—F. A. Martin of the Ekwanok contingent led the field in the qualifying round of the Vermont State Golf championship at Dorset to-day with a card of 73. Martin also is credited with lowering the record for one round of the nine hole course, as he negotiated the first half of his match in the first round in 31 strokes and won his match from a clubmate, C. S. Clark, 4 up and 3 to play. The Gov. McCullough cup will remain in the possession of Ekwanok, owing to the efforts of Martin, H. K. Kerr, C. H. Gardner and Paul Waterman, whose aggregate score in the qualifying round was 303. Ekwanok claims one-half of the survivors of the first round of match play, no other club having more than one representative.

The summary:

Championship Division—Qualifying round: F. A. Martin, Ekwanok, 73; H. K. Kerr, Ekwanok, 74; F. H. Jennings, Mount Anthony, 75; Elliot Holt, Waubanakee, 76; A. J. McClure, Ekwanok, 76; D. W. TRIPLE TIE RESULT OF FIRST DAY'S OPEN GOLF

Aleck Smith Even With Boston and Canadian Stars at 147 Strokes.

BUFFALO, N. Y., Aug. 1.—With the eighteenth annual tournament for the national open golf championship of the United States half finished there is a triple tie for first place between Matthew Brady of the Wollaston Club, Boston; Percy F. Barrett, Lambton Club of Toronto, and Aleck Smith of Wykagyl, N. Y., with 147 strokes. The title, with the completion of the first day's play, is as much in doubt as ever.

At the end of the morning's round there was also a tie at 72 between three contestants, George Sargent, Washington title holder; M. J. Brady and Dan Kenny, previous Dominion champion and once professional of the Buffalo Country Club, but now at Lake Rosseau, Canada. In the afternoon Kenny went to pieces, while Sargent failed to keep his pace of the morning. Barrett was two strokes behind low on the morning's play.

Aleck Smith had a 77 in the first round, but, irritated by his morning's play, pinched out a 70, the low score of the day, in the afternoon, tieing for low at the completion of play. Tom McNamara, last year's Metropolitan champion, took a 74 in the morning and 80 in the afternoon. McDermott, present open title holder, scored 74—75—149. W. J. Travis of Garden City was low amateur with 152.

No one with a total exceeding fifteen strokes above tenth place can start to-morrow. This eliminated exactly fifty contestants. Thirty-nine pairs start the third round to-morrow morning at 8 o'clock. The course was in splendid condition to-day. A slight shower at lunch time made the greens ideal for the second round. A large gallery followed the more popular players during the entire day.

VOSHELL BEATS LARNED AS DAVID DID GOLIATH

Not Conceded a Chance, He Puts Gallery on Edge With Brilliant Play.

FINAL AN OVERTIME SET

Veteran Makes Game Fight, but Backhand Stroke Fails in Crises.

S. H. Voshell caused a notable form upset yesterday at the Crescent Athletic Club, when he eliminated E. P. Larned from the New York State tennis championship tournament. It was the display match of the opening afternoon and went the full three sets before Voshell won by 6—3, 3—6, 7—5. Larned displayed some pretty generalship at times, but his backhand was particularly weak, and by centring his attack on this Voshell gained most of his advantage.

Voshell put lightning speed in his serves, and usually took the points with them in quick succession. Larned's serves were slower, and he attempted to skim the net so closely that frequent net serves resulted. In fact, Larned was especially fond of driving the ball low over the net all through the game. As play progressed both players gained such splendid control of their strokes that most of the deep drives went right to the edge of the court.

Each man played all his strokes to win or lose the point, and often let a ball pass when a little extra exertion might have returned it. Voshell, however, was less inclined to let chances slip by, and tired himself slightly by his hard running to field more balls than his opponent, who played more of a waiting game.

In the first set the score favored Voshell by 4—0 before Larned got going. Then he came up to the net more and made the games 4—3, at one time making a brilliant backhand overhead drive when leaping in the air. But this was the shining exception in his backhand play, and Voshell soon learned how to pass him on his left side so that the set ended 6—3 to Voshell's advantage.

In the second set Larned began to force the play more and employed better strategy at the net, where he executed some brilliant cross court chops. He had Voshell on the run through the first half, when the scoring was the exact reverse of the opening session, standing 4—0 in favor of Larned. Voshell rallied toward the end and caught Larned off his guard again on his backhand. But Voshell scarcely changed the swift pace of his smashes and Larned confidently stuck out his racquet with little force and simply directed his shots as they bounded back toward his opponent. He made his deceptive short jabs at the net effective, though they looked as if they would send the ball into the obstacle, and he took the set.

Both players started the final set in grim earnest, but Voshell again took a lead of three games. Larned then ran the games to four all by his overhead smashes. Voshell decided to vary his speed, and this new method, combined with his ceaseless peppering of Larned's backhand, gave him the set and match, his last point being driven through a wide opening on his opponent's left side.

QUAKER LEADS AT SHAWNEE.

George A. Crump Makes an 82 and Then Wins in First Round.

STROUDSBURG, Pa., Aug. 1.—With a score of 82, George A. Crump of the Philadelphia Country Club won the medal in the 18 hole testing round of the invitation golf tournament on the links of the Shawnee Country Club to-day. He was closely pressed by S. D. Bowers of Brooklawn, W. D. Johnson of Garden City and R. S. Worthington of the home club, all of whom got round in 83. The surprise of the day was the failure of Howard W. Perrin of Merion to equalify in the first sixteen. A disconcerting beginning, wherein he took 5 for the first hole, started him wrong, and when he finished his card showed a 98, which gave him a second sixteen berth.

Metropolitan players appear in all three divisions. In the first round of the chief set Bowers and Hugh J. Donnelly of Brooklyn Forest Park had the hardest kind of a match. Bowers was dormie, but got bunkered at the home hole and lost that. From the nineteenth tee he pulled his drive out of bounds, but won the hole and match when his opponent came to grief in the dreaded ravine, guarding the green. Crump and Worthington won their matches handily.

CHIEF JUSTICE GETS DECISION.

Many Think Patsy Dillon Winner, but Judges Rule Otherwise.

Chief Justice, a black gelding, entered and driven by R. H. Mackenzie of Englewood, N. J., furnished the sensation of the third day's professional meeting at the New York-Parkway Driving Club's half mile track in Brooklyn yesterday. He won the 2:17 class pacing event, after finishing seventh in a field of nine in the first heat. The New Jersey horse left the bunch on the last turn in the second heat, passed the four leaders at the head of the stretch, gained second position within 100 feet of the wire and was accorded the heat. To many of the spectators it appeared that M. L. Metcalfe's Patsy Dillon, from Albany, which had led all the way, was the winner by a head, but the judges declared Chief Justice the winner. The remaining two heats were easy for the Justice.

I Am It, a bay mare, driven by Hart Curry, was an easy victor in the 2:27 trotting class, winning in straight heats. C. E. Pitman's Foote Prince captured first prize of the $1,00 purse for 2:09 class pacers after being badly beaten in the first heat. The meet will close to-day.

FAVORITES HAVE THEIR DAY IN GRAND CIRCUIT

Four Heavily Played Choices Go to Victory Out of Five Races Listed.

CLEVELAND, Aug. 1.—The talent showed better judgment in picking the winners at North Randall to-day than at any time since the Grand Circuit meeting opened here. In four of the five races heavily played first choices were victorious. Baden, driven by A. S. Rodney, caused the only upset by winning the Ohio Stake for 2:10 class trotters and defeating the heavily played first choice, Chatty Direct.

Annie Kohl won the opening event for 2:20 pacers in straight heats. Wydrad, that magnificent black colt piloted by Valentine, won the second event for 2:07 pacers with comparative ease. Brace Girdle could not even furnish good competition for Billy Burke in the championship sweepstakes. They were the only entries. Baron A. swung home in first place in all three heats of the final event for 2:14 pacers. Records successfully resisted the attacks of the speeders.
