AUTO LICENSE FEES EXCEED $1,000,000

State Collects That Much in About Two Months; Half Here.

CONTROL OF CHAUFFEURS

Commissioner Woods Fancies Plan of Supervision by Police.

How quickly the money paid in for automobile licenses mounts up is shown by the report of Secretary of State Mitchell May covering the period from February 1 to April 25. Since the opening of new registrations motorists have contributed $1,008,598.25, against $891,472.80 collected in the period last year.

The importance of the New York bureau may be seen from the fact that this city received about one-half the sum. The takings at the office in West Seventy-fourth street were $556,337.25. The rest was divided about equally between the Albany and Buffalo offices.

Police Commissioner Woods, speaking at the dinner to William P. Eno given at the Automobile Club of America the past week, said that Gen. Bingham had tried to get the Legislature to put the matter of passing on applicants for chauffeurs' licenses in the hands of the Police Department. Commissioner Woods commented that this seemed proper to him and he thought that the members of the Citizens Street Traffic Commission should work to that end.

Mr. Eno, the guest of honor, expressed the opinion that affairs in the traffic squad had gone back since the days of Gen. Bingham. He said he believed in "isles of safety" and thought that the rotary or gyratory system, rather than the block system, of regulating traffic would vastly increase the traffic capacity of the streets. He also said that he thought the business of taxicab inspection and supervision was being splendidly handled by John Drennen, who is inspector in charge of such matters.

Capt. A. R. Piper, who was despatched abroad to study traffic regulation systems when Gen. F. V. Greene was Police Commissioner, told about the early days of regulation. He said that in his opinion the hardest place to regulate was at Park Row and Centre street.

The directors of the Orphans Automobile Day Association of New York, Inc., have arranged for the use of Witzel's Park, College Point, on June 4. This park affords a pleasant automobile ride of about twelve miles and gives the children ample room in which to play and get the noonday luncheon.

The response to the hundreds of letters sent to automobile dealers and private owners of cars asking for the use of their machines for the day has been generous, but it is evident that many are waiting until the week or so prior to the day of the outing before entering their cars.

A ladies' auxiliary has been organized with Mrs. Joan Newton Cuneo as chairman to assist in the work. Any ladies wishing to give their aid and who desire to become members of this committee may communicate with the secretary, A. L. Prindle, 7 East Forty-second street, New York. Donations of cars, trucks or cash may also be sent to the secretary.

Treasurer Bonnell reported additional contributions as follows: Bosch Magneto Company, $25; Mrs. William Church Osborn, $25; Hess-Bright Company, $5; Mr. and Mrs. Martin Saxe, $10; Bromfield & Field, $10; Hartford Lunch Company, $10; Alfred Reeves, $10; August S. Hutchins, $10; J. S. Josephs, $5, and C. B. Zabriskie, $5. Use of touring cars has been offered by J. W. Scott, George L. Woodruff, F. J. H. Kracke (two cars), Mrs. N. D. Downs and Truly Warner. The Hecker-Jones-Jewell Milling Company offers the use of two trucks and Burns Bros. and the Innovation Ingenuities, Inc., one truck each.

W. J. Morgan, better known as Senator Morgan, who has been associated with the automobile business since its inception as a promoter of contests and also in the news and advertising end, is going into selling, probably as factory representative of a line of accessories. The Senator announces his retirement from the *American Motorist*, of which he has been of late advertising manager, to take place May 1.

When the publication moved from New York to Washington the Senator preferred not to go with it, as he has a new home in Newark. For the time being he is doing some spring gardening at his place there in Voorhees street.

Johnny Hayes, the Marathon winner, started two packs of harriers from the clubhouse of St. Peter's Club in Jersey City yesterday, and both were won by members of the Holy Family Lyceum. G. Becker, who won over the eight mile course, had the distinction of beating Harry Jensen, a noted marathoner, by a full minute. His clubmate, A. Fordham Will Try to Even Score.

Columbia and Fordham University nines meet today for the second time this season. The game will be played on Fordham Field. The Maroon nine suffered a defeat at the hands of Columbia over a week ago and is keen for revenge. Three of the Fordham nine are on the hospital list. Flanigan at first base, Kiernan in left and Conway behind the bat are still in the hospital but are expected to appear against Columbia to-day. Either Martin or Lynch will be on the mound for Fordham.

RUTT AND DROBACH WIN RACE.

Fail to Finish, but Total Points Give Them Victory in Team Contest

Walter Rutt, the German cyclist, who holds the title of world's champion, can thank his inherent national habit of industry for the victory of his team in the 100 kilometer race at the Newark Velodrome yesterday afternoon. Rutt, who was coupled with Peter Drobach, carried off the chief honors, which were decided on the point system, although his team did not finish the event. The big German's chain came off his wheel a lap from home and he was unable to continue. Yet by accumulating points earlier in the race on the sprints every odd mile for sixty-two miles he did not need any of those apportioned in the final scramble, and his total of 50 points enabled him to come through ahead by a margin of 10 points over the team of Alfred Goullet and Gordon Walker, who were second.

The race had many queer angles and as a real contest it was a fizzle. None of the first three teams was one, two, three in the final sprint. This was won by Albert Tribel, about a fourth rater, who with Clarence Carmen, another second class man, stole away from the field in the last mile while the fast men were jockeying for advantage among themselves. Then, when the scramble among the fast men started, Rutt's chain came off while he was riding in the rear of the field. Jackie Clarke, the Australian, here assumed command and easily defeated Grenda and Goullet, the remaining Class A men, in the dash to the tape.

Frank A. Whitney upheld the colors of the New York A. C. in the two-third mile handicap. Whitney had an allowance of fifty-five yards and beat Frank Harenburgh of Irvington, a fifty yard man, in a close finish. Tommy Smith and MacDougall, the two scratch men, had a merry chase, Smith leading MacDougall to the tape and taking third place. The novice race was called off because of the absence of riders, who were evidently scared off by the weather.

HICKEY LEADS NOVICES IN PASTIME ROAD RUN

Mott Haven Youngster Wins Easily From Large Field in 3 3-4 Mile Race.

Eighty-one novices faced the starter in the open run of the Pastime A. C. yesterday, and in the last mile of the three and three-quarter mile course T. Hickey of the Mott Haven A. C. came away from the other struggling tyros to win by eighty-five yards. Heavy roads were too much for many of the contestants and only fifty-five of the ambitious youngsters finished in time to be checked off by the judges.

Though the Mohawk A. C. did not land a man in the first three the consistent work of the Indian band resulted in the team prize going to that club with the low total of 32 points. It was a narrow squeeze, for the Trinity Club, which placed second and third men, landed its five men with a total only 4 points higher than the Mohawks.

Leaving the clubhouse at Jerome avenue and 162d street, J. Dolan of the Mohawks set the pace, but after the first half mile he was joined by half a dozen contenders. One after another of these took turns in leading, until half the distance had been covered, when John Tripp and D. Berry, the two Trinity men, went to the front and ran shoulder to shoulder until Hickey passed them a mile and a half from home. Hickey drew away steadily until he reached the finish a comparatively easy winner. The order of finish:

PRINCETON HOST TO OXONIANS.

Great Relay Runners, Heroes of Penn Meet, Entertained.

PRINCETON, April 26.—Princeton acted as host to-day to the Oxford relay runners A. N. S. Jackson, G. M. Sproule, D. S. Gaussen and Substitute Robinson. Norman Taber was the only missing member of the team that won the four mile relay at the Penn games yesterday.

Capt. T. Fiske and Trainer Keene Fitzpatrick of the track team and Football Coach Heff Herring acted as the committee to receive the champions.

The Britishers were met at Princeton Junction at noon and took lunch and dinner at the training table; during the afternoon they were shown around the campus and taken through the buildings. They showed great interest in the graduate college buildings, which are similar to the Oxford quadrangles. The party had tea with President Hibben. They left this evening for New York.

Coppers Arrange for Field Day.

Arrangements are being made for an athletic field day of the Police Department, which will be held some time in June. The proceeds will go to the Honor Legion Fund. The programme will include a drill by the mounted squad, an exhibition by the police dogs, stopping runaways, exhibition of bicycle and motorcycle and athletic exhibitions. Patrolman Young, president of the Patrolman's Benevolent Association, has appointed a committee which includes among its members Martin Sheridan, John J. Eller, Egon Erickson and Pat McDonald, all noted athletes.

Brooklyns Defeat West Hudsons.

HARRISON, N. J., April 26.—The Brooklyn Football Club defeated the champion West Hudsons in the series of the National Football League at Harrison Oval to-day by the score of 3 to 2. It was the first defeat the National League title-holders had incurred in the series this year and will jeopardize their chances of retaining the supremacy. In addition they have played three drawn games. The Brooklyns, on the other hand, have not lost a game and have drawn only one.
