Unofficial Davis Cup Team Made Official---Pop Geers Wins His First Victory of Season

ALL DAVIS CUP MEN SCORE AT LONGWOOD

McLoughlin Defeats Niles and Will Meet Bundy, Who Beats Holmes Without Trouble.

WILLIAMS TRIMS GARDNER

Behr, With Pell as Partner, Is Victor in Two Matches of Doubles.

BOSTON, July 22.—In a rather brilliant three set match Maurice E. McLoughlin, leader of the Davis cup tennis players, easily disposed of Nathaniel W. Niles, Massachusetts champion, to-day in the tournament at Longwood. As a result he meets Thomas C. Bundy, another of the Davis cup team, to-morrow. Bundy came through with an easy win over Harold Holmes of New Bedford. R. Norris Williams, a third Davis cup player, had a difficult task disposing of G. P. Gardner, Jr., and Karl Behr, the fourth member of the team, was on the winning end in two doubles matches with T. R. Pell for a partner.

Each one of the cup players acquitted himself with glory and it was the opinion of the majority of the large gallery that the cup committee had made no mistake in its selection of a team. Williams had the hardest time of all, but he demonstrated his ability in no uncertain way, for, pressed by a stiff opponent, he pulled a hard match out of the fire.

Yesterday's rain upset the plans of the Longwood committee considerably and as a result there was almost continuous tennis to-day. Between the starting time in the forenoon and sunset, when the last match was completed, eight singles matches and eighteen doubles matches were played. Of course there was no question which were the popular attractions, for McLoughlin versus Niles and Williams against Gardner held the galleries. There were not a few who remained to witness a brilliant doubles match in which the former national champions, Hackett and Alexander, opposed Fred Inman and Raymond Little successfully.

McLoughlin was ever a brilliant player in his match with Niles. His vicious drives passed Niles time and again when the latter attempted to go to the net, and if the latter essayed to play from the base line he was baffled completely by McLoughlin's light touches which barely went over. Once or twice during the match Niles passed McLoughlin, but there was never an instant when the outcome was in doubt. In the opening set McLoughlin scored nine points on service aces and these, coupled with five placements and twenty-six errors by Niles, gave him the needed points.

In the second set McLoughlin was careless at the outset and ere he knew it Niles was leading by four games to three. However, McLoughlin settled down and took the next six running on some placement shots down the side lines. In the concluding set he earned eight points and received twenty-one on Niles's errors. In that set Niles was tiring badly and due to his weakness four double faults were counted against him.

There were not a few who were surprised considerably when Hugh Tallant and Wallace F. Johnson disposed of G. F. Touchard and W. M. Washburn in one of the doubles matches after five stiff sets. With the sets one all Touchard and Washburn won the third, but thereafter they were outclassed by Johnson's brilliant play. The summaries:

KRAMER WINS SECOND TRIAL.

Heat Rerun After Moretti Finishes First—Goullet and Rutt Qualify.

NEWARK, July 22.—Frank Kramer, Alfred Goullet and Walter Rutt qualified in the semi-finals of the Criterion Stakes, completed at the Velodrome to-night, and will meet in the final Sunday. The heat in which Kramer competed was ridden twice. His opponents were Cæsar Moretti, the Italian, and Alfred Grenda, the Australian. In the first attempt Moretti dashed away at the pistol and got a lead of about fifty yards. Kramer sprinted after him for half a lap and then eased up for Grenda to take a turn at pacing, but the Tasmanian didn't show any inclination to hurry particularly, whereupon Kramer let up and raised his hand in protest. The heat was finished with Moretti a winner by nearly half a lap, but the referee declared the heat "no race," ordered it rerun and fined Grenda $20. Kramer won on the second attempt, with Grenda pressing him hard.

Goullet defeated Jackie Clarke and Iver Lawson and Rutt outrode Joe Fogler and Frank Cavanagh. Bob Spears won the half mile professional handicap from scratch in 53 4-5 seconds. Gus Laying, a fifty yard man, captured the one-third mile amateur handicap after several of the fast men, including Champion Donald MacDougall, fell.

NAME UNOFFICIAL FOUR TO DEFEND DAVIS CUP

McLoughlin, Williams, Behr and Bundy Chosen as Best of American Players.

The Davis cup committee of arrangements, composed of Robert D. Wrenn, chairman; George A. Adee and H. W. Slocum, announced yesterday that Maurice E. McLoughlin, R. Norris Williams 2d, Thomas C. Bundy and Karl H. Behr had been selected to defend the international tennis trophy at the championship matches to be held on August 13, 14 and 15 on the new turf courts at Forest Hills. The members of the team, Chairman Wrenn said, will come to this city and begin active training directly after the Longwood tournament is over.

Chairman Wrenn had no comment to make about the official confirmation of the unofficial selections, which do not seem to meet with the approval of many who have seen them play. The team, it is thought, needs another singles player, and either R. Lindley Murray of California or William M. Johnston, another coast player and holder of the Longwood singles cup, seemed slated for the honor. Both Bundy and Behr are at their best in doubles, but are not strong enough as a pair to be depended upon.

It was rumored that McLoughlin said he could not play his best with Behr, as he does not know his game as well as he knows that of Bundy. Mr. Wrenn said nothing about his denial of the report from Boston yesterday that the four eventually picked were the four the committee had selected.

Comment over the retention of Bundy could not be downed. Behr, teamed with Theodore R. Pell, swept the country and did not meet defeat with the exception of the final at Seabright last week when the pair forced McLoughlin and Bundy to five sets. Behr has further claim to the position, since in 1907 he and Beals Wright defeated N. E. Brookes and A. F. Wilding of the Australian team.

MISS WAGNER IN FINAL ROUND.

Beats Miss Grove in Straight Sets and Will Meet Mrs. Hitchen.

MOUNT VERNON, N. Y., July 22.—Miss Marie Wagner of the Hamilton Grange Lawn Tennis Club moved into the final round in the women's singles of the lawn tennis tournament at the Siwanoy Country Club courts to-day. The indoor champion will meet Mrs. T. Hitchen of Mexico city in the final round on Friday. Miss Wagner kept up her deep driving and was able to defeat Miss Grove in the semi-final round in straight sets, 6—0, 6—2.

James S. O'Neale, the Columbia 'varsity pitcher and runnerup in the University Heights tournament, met two reverses. He bowed to A. J. Ostendorf in the fourth round of the men's singles in straight sets and then teamed up with Miss Alita Hamilton in the first round of the mixed doubles only to lose in straight sets again to Mrs. Humphrys and Mr. Hunter. The second set was a hard one, but he and his fair partner lost out, 7—5.

AT LAST GOOD THING TAKES EMPIRE EVENT

Andrew Miller's Roamer Runs Up to Expectations, but Price Is 1 to 50.

SHORTEST ODDS QUOTED

Six Furlong Handicap Develops Stirring Race From Flag Fall to Finish.

Andrew Miller's crack three-year-old Roamer galloped for a mile and a half yesterday to win the Midsummer Stakes and pick up the neat amount of $2,925 for his owner. The race was exclusively for three-year-olds and only Ral Parr's Robert Oliver had the temerity to oppose the horse which is generally recognized as the champion of his age. The race was thought such a sure thing for Roamer that he started at odds of 1 to 50, which, according to old time racegoers, is the shortest price ever quoted against a thoroughbred in America.

As expected the race developed into a procession with Roamer leading all the way. Butwell, on the favorite, opened a gap of a length in the first half mile and increased it to two lengths at the end of a mile. At the finish Roamer had a lead of three lengths without being extended in the slightest. The strangest part of the alleged race was that though $250 was offered as third money neither E. F. Cooney nor C. H. Robbins thought it worth while to start their entries.

The handicap at six furlongs furnished a stirring race and made amends for the lack of competition in the feature event. With the exception of Isidora all the five starters were well supported, the Montpelier Stable's Hester Prynne closing favorite at 11 to 5. Surprising and Leochares cut out the running, but at the quarter pole Butwell shook up Hester Prynne and in a remarkable burst of speed she shot from fourth place into the lead. Leochares hung on going around the bend, but Hester Prynne had a lead of nearly two lengths entering the homestretch. Turner saved ground with Surprising on the last turn and coming through on the rail made a bid for victory. Carman's horse, however, never had a chance to run down the leader and Hester Prynne won handily by two lengths. Surprising staving off the rush of Frederick L. and taking second place by a length.

Mrs. A. C. Blume's Mr. Specs, until recently a moderat performer at hunt meets, startled the talent by winning the fifth race and equalling the track record of 1:06 for five and a half furlongs. The shock was the greater because the race was generally conceded an easy thing for Water Welles, the 1 to 2 favorite. Mr. Specs was the extreme outsider at 12 to 1 and the fast pace of 10 4-5 seconds for the first furlong set by Othello found Mr. Specs in last place. Water Welles, which had to carry 120 pounds, tired after chasing Othello to the bend and Mr. Specs went flying by, winning by a length and a half. Yellow Eyes got clear sailing in the stretch and beat Water Welles a length for the place.

Malay and Delegate were the two strongly played horses in the second race, at a mile and seventy yards. The last named was pinched off at the first turn and never had a chance to win. Malay was outrun all the way by the 5 to 1 chance Earlymorn, which won easily by five lengths from Delegate.

There was another upset in the last race, in which J. J. Lillis was played as though the race was over. The Western jockey, Neylon, had the mount on P. J. Miles's Be and handled him in fine style. He ran J. J. Lillis into the ground in the first mile and just lasted to beat J. Hogan's Reno by a nose. Paton was third, half a length in front of J. J. Lillis. The summaries:

VANITIE TRIES OUT LOT OF NEW AND OLD SAILS

Those Already Used Are Recut —Allowance to Resolute May Be Barely a Minute.

The Vanitie was out sailing yesterday and trying out new headsails. She also tried some of her older ones that have been recut. When she races again she will have a better lot of sails than in any of her former races and also spars suitable for all conditions. Her aluminum club topsail spars and gaff have been tested thoroughly and have done well. She has a hollow wooden gaff that also will be useful under certain conditions and she has a hollow tubular steel boom and gaff and a hollow wooden boom. Just at present it is questionable which is the better of the two booms. The wooden one has acted well and some interested in the yacht want it used throughout the whole season. Others wish the steel spar tried.

The steel spar has its drawbacks. Swinging, as it does over the compass, it rather interferes with the accurate navigation of the yacht. It would be a rather intricate job to work out the errors of compass with the boom swinging over it. The error would change with almost every angle to which the boom was eased and it might be detrimental to plotting the course of the yacht, especially in a fog. This spar, however, is to be tried out. It was shipped on board yesterday and will be used in to-day's sailing, and those on the yacht will study it carefully. It then will be ready in case of an accident to the wooden spar.

Some changes have been made in the trim and shape of the sails which have reduced the Vanitie's rating a trifle and cut down the allowance about five seconds. Further changes are contemplated which will make a still further reduction in the time. At the same time the sail spread of the Resolute has been increased slightly and it is probable that when the two yachts meet next the allowance will be cut down to very close to a minute unless Herreshoff decides to try out the single head rig again. This is what, it is said, he intends to do. It is possible that he may put a larger jib on the yacht and try the experiment of a single head sail carried on a bowsprit, as was tried on the Shamrock IV. This scheme if it worked well would allow the yacht to carry a large spinnaker and balloon jib topsail when off the wind, but at the same time it would not reduce her rating as the single jib set on the stem head did.

The Resolute is hauled out at Bristol and her mast has been removed. This revives the rumors of structural weakness which have been circulating since the yacht was launched.

The Defiance is to haul out at Jacob's yard at City Island on Saturday for a thorough cleaning and painting. Her white underbody has stood well and she is still very clean in spite of the time she has been in the water. The Vanitie will haul next Monday and have her underbody burnished and when she is put in the water just before the yachts gather for the cruise she will be as good as new and thoroughly seasoned.

Ball Bruise Causes Operation.

PHILADELPHIA, July 22.—Umpire Monte Cross of the Federal League was operated upon yesterday by Dr. John A. Boger at the Stetson Hospital for a badly swollen ankle that made walking almost impossible. Five weeks ago while umpiring a game in Buffalo a ball carromed off the bat and hit Cross on the shin. He paid little attention to the injury and it gradually grew worse.

GEERS GETS "FIELD" HORSE HOME AHEAD

Lifts Napoleon Direct Under Wire by Head in Deciding Heat of 2:12 Pace.

RECORD TRIAL BY ETAWAH

Anvil, Under Pop's Guidance, Trots in 2:02 3-4, Fastest Mile of Season.

NORTH RANDALL, Ohio, July 22.—Hungry for the sight of Pop Goers seated behind a winner the racegoing public had its appetite satisfied to-day at North Randall when the old man piloted Napoleon Direct to victory in the 2:12 pace, the final event of the card. The race went six heats.

Geers did not stop at winning this sensational race, but further jumped into the limelight by driving Etawah to the world's four-year-old record for a trotting stallion, the great colt stepping the distance in 2:04. Also Geers drove Anvil a mile in 2:02¾, the fastest mile trotted this year and the third fastest mile ever trotted by a stallion.

Napoleon Direct was entirely overlooked in the auction pools. Napoleon with Wiley Custer composed a field which went begging at $10, while Shadeline sold at $100, Coastess Mobel at $65, Sidney Dillon, Jr., at $40 and Nellie Temple for $35.

In the first heat Shadeline won in a rousing finish. Then all the drivers took things easy and Geers sent Napoleon out in front. He repeated in the third mile. Coastess Mobel won the fourth and fifth heats.

In the final clash only Napoleon and Coastess Mobel started and Geers rode under the wire a winner by a head. Napoleon paced the final quarter in 28¼ seconds.

The North Randall Stake furnished a hot, five heat 2:20 trotting clash, every heat of which was stepped in 2:08¼ or better. This race was the second in which the talent played the wrong horse. They picked Margaret Druein as the choice and played her to the limit. She brought $100, the Guide $80, Sienna $50 and the field $25. Margaret won the opening mile and came back strong in the second heat, outstepping her rivals in an extremely hot drive. She gave way in the third to Sienna, which then came on and won in straight heats. The summaries:
