Patrick Oorang, Airdale Terrier, Best in Brooklyn Charity Show

AIREDALE IS FIRST AT BROOKLYN SHOW

Patrick Oorang Selected as Best Dog in Charity Affair at St. George.

BULLDOG IS RESERVE

Patrick Oorang, an Airedale terrier, was adjudged best dog of either sex at the Brooklyn Charity Dog Show and Bazaar held yesterday in aid of the Little Italy Neighborhood Association at the Hotel St. George, Brooklyn. This dog is a well known terrier and is one of the best specimens of its breed in the country. He was shown in wonderful condition and stood out as the leading dog in the show among the many contestants for the honor.

Reserve to the mighty Patrick and winner of the trophy for best of the opposite sex to the winner of best in the show was Champion Florence Blunda, an English bulldog owned by Allison Lederer, a bitch which has won many honors, but which was outclassed by the Airedale on this occasion. The cup offered by Mrs. Otis S. Carroll for the best toy dog in the show was won by Mrs. E. H. Berendsohn, whose Brussels Griffon, Champion Happi Madcap, was pronounced by the judges to be the best specimen of toy dog in the show. This dog is a good little specimen of the Belgian national breed.

Mrs. Henry Hills's Fluffy Chap was the winner of the cup for the best Pomeranian in the show and he attracted a great deal of attention because of his beautiful conformation and type. Ralph Cahn, judge of the Boston terriers, selected Ming's Dandy Boy, a good heavyweight with even white markings, as the best of the breed. Heilborn's Queen, the Mosholu Kennels' good bitch, was the reserve winner and also won the cup for best of opposite sex to the winner of best Boston in the show. The more important awards:

Cullen of Buffalo Defeats Stone.

Joe H. Cullen, who represents Buffalo, defeated Joseph Stone of New York last night at Tuam's in a game of the Inter-City Three Cushion Billiard League. Cullen was 50 to 37, Cullen making the run of 5 and Stone 5. Both played safety plays, and it took 35 innings to finish the string of 50. The game in New York city will be played Jan. 4, when Pierre Maupome of Buffalo, a last year's star and one of the league at present, will be Cullen's opponent.

COMMITTEE TO ALLOT MARKS.

Walkers Club Divides Responsibility of Fixing Handicaps.

At a meeting of the Walkers Club of America it was decided that the handicapping for the coming City Hall to Coney Island race will be done by a committee selected from the various athletic clubs interested in walking and from the ranks of the club's Sunday walkers. It is believed that this will be the best way to allot marks to the big field of novices and cracks that this race always attracts.

The committee follows: S. Schwartz, chairman; W. J. Rolker, Irish American F. Plant, Long Island A. C.; W. MacFadden, New York A. C.; A. V. Arnold, Pastime A. C., and A. Jessup, Mohawk A. C. The Sunday walkers are to be represented on the committee by J. H. Hocking, pathfinder; P. Anthony, I. Greengold, L. Lieberman and A. V. Stevens.

MASKED MAN FAILS TO WIN.

Big Zbyszko Earns Draw With Unknown Wrestler.

The mysterious masked marvel of the wrestling world received a setback last night in the international tournament at the Manhattan Opera House when he failed to throw Zbyszko after twenty minutes of lively work on the mat. The masked man held his own, however, and the bout ended in a draw.

In the first bout of the evening Tofalos downed Sanderson with a neck and arm lock in 13 minutes 35 seconds. Strangler Lewis was the next to score, putting Johnson's shoulders down with a scissors and waist hold. Lundin won from Ernst with a body and neck hold and Gardini got a body hold on Schilling and put his man to the floor in 5 minutes 23 seconds. Havonpaa and Berner concluded the night's sport by wrestling twenty minutes to a draw.

F. S. Appleby Beats His Brother.

F. S. Appleby defeated his brother Edgar last night in Thum's amateur Class B 18.2 balkline billiard tournament, 250 to 198, in twenty-nine innings. F. S. Appleby made a high run of 107 and Edgar Appleby's best effort netted him 43, with averages of 8 18-29 for the winner and 7 2-28 for the loser. C. P. Conway and George Clark will play to-night.

RUNNERS PREPARING FOR RACE IN SNOW

Three Teams, and Possibly Four, Will Try for National Title on Saturday.

Though entries for the senior national cross-country championship have closed, the committee in charge of the event was not in a position yesterday to give out the names of the men who will compete for the hill and dale crown next Saturday. The reason is that there is some doubt as to whether the Yonkers Y. M. C. A. will be represented by a team. It is certain that the New York A. C., Irish American A. C. and Millrose A. A. will toe the mark, and that insures a good race for the team prize.

Robertson has figured out the finish of the race so closely that a dead heat between the Irish American and Millrose teams is indicated. He gives first place to Hannes Kolehmainen, who, it is believed, will run his last race in the open air next Saturday. Kolehmainen is to be married shortly and contemplates retiring from track and field sport after a few more races. Nick Gianakopulos is the man that Robertson fears most in the race for individual honors. The Greek has trained faithfully and took a spin over the course alone last Saturday to test the water jump feature. Strobino of the New York A. C. may provide a surprise, as he showed vast improvement in winning the junior race last week. The members of the three teams that are sure to start are:

Irish American A. C.—H. Kolehmainen, W. Fogel, A. J. Fogel, N. Weg, T. Barden, F. Zuna, P. Flynn and J. Gleason.

New York A. C.—G. Strobino, J. D. Bell, A. Robertson, H. Henohan, J. O'Neill, H. Ackerman and J. McSorley.

Millrose A. A.—N. Gianakopulos, W. Kyronen, C. Poree, A. Laakso, A. O'Connor, M. Best, W. Soukup and J. Scarlato.

Brooklyn Prep Five Blows Up.

After leading, 20 to 10, at the end of the first half, the Brooklyn Prep basketball team went all to pieces in the second period in a game played against St. Francis Prep yesterday on Brooklyn Prep's court. As a result St. Francis Prep first tied the score and then went into the lead, winning the game, 35 to 30.

GRADUATE MANAGERS MEET.

Form Organization for Furtherance of Intercollegiate Sports.

A meeting was held here yesterday attended by a number of graduate managers of athletics from Eastern colleges for the purpose of forming an association of graduate managers which could be of great service in many ways. A tentative organization was formed and it is expected that in the end the graduate managers of all the Eastern and middle Western colleges will join.

College baseball, football, track, rowing, basketball and hockey schedules will be submitted to the members of the association to prevent conflict in dates and other features which militate against the best interests of the various teams and institutions engaged in yearly competition.

The possibility of a league in basketball, football or other sports among the universities in the future would not be discussed by those present, who included Graduate Athletic Manager F. W. Moore of Harvard, G. E. Kent of Cornell, R. L. Perot of Pennsylvania, H. L. Fisher of Columbia and D. F. Davis of the University of Pittsburg.

BIG RUBBER COMPANY TO BE REORGANIZED

New Ajax Company Is Formed to Take Care of Constantly Increasing Business.

Announcement was made yesterday of the formation of the Ajax Rubber Company, Inc., a $5,000,000 corporation which will take over the business, assets and good will of the Ajax-Grieb Rubber Company, Inc., of New Jersey. The Ajax Rubber Company $5,000,000 stock will be all common, par value $50 a share. There will be $3,000,000 issued at once. There is no preferred stock or funded debt. The present management of the business, which is responsible for its successful growth, will retain a substantial ownership in the capital stock of the new company and continue its services as managers and directors.

Beginning with a cash capital of $18,500, to which no future cash investment was added, except the sum of $100,000 during the year 1911, the present net assets of over $2,000,000 represent an accumulation of surplus profits after paying substantial dividends. The company has no current indebtedness, excepting its monthly merchandise bills.

The net sales have increased consistently from year to year, and the net earnings have shown an increase corresponding to the increase in net sales, so that the net earnings for the last four fiscal years ended August 31, 1915 averaged over $420,000 per annum, equivalent to over 14 per cent. on a par value of $3,000,000. The purpose of the present financing is to retire all the outstanding preferred stock of the Ajax-Grieb Rubber Company, Inc., and to finance the contemplated extension of their factories, which will materially increase their output.

Cut Columbia's Rifle Squad.

The Columbia rifle squad, which will enter intercollegiate competition this year for the first time in many seasons, was cut to seven men yesterday. When a call was issued two weeks ago forty tried for the team.

Father Knickerbocker Wishes You

A Merry Christmas

Christmas has always been an occasion for joyous celebration---a period of feasting and merry-making

Father Knickerbocker says:

"Eat, drink and be merry."

Medical men have always advocated the drinking of beer in moderation for its digestive quality and food value.

For moderation in eating, as well as in drinking, makes for finer, cleaner living.

Pure, wholesome beer used in moderation is a food—liquid food, as Baron von Liebig styled it—possessing the same nourishing, body-building qualities as bread.

A glass of well-brewed, pure beer will make your Christmas dinner taste better and make you feel better.

RUPPERT'S Knickerbocker

The Beer That Satisfies

is especially suited for the Yuletide feast. It is a beverage of absolute purity. It is the product of hygienic brewing, careful filtering, proper aging, sanitary bottling and thorough pasteurization, and is made from the very finest quality ingredients procurable, in a brewery where cleanliness is supreme.

In Bottles and on Draught. Bottled at the Brewery Exclusively.
