Another Clean Sweep Scored by Wire Boy

WIRE BOY PROLONGS HIS WINNING STREAK

George Quintard's Unusual Fox Terrier Best of All in Long Island Show.

JUDGE DECIDES QUICKLY

George Quintard's wirehaired foxterrier champion Wire Boy of Paignton won the special, going to the best dog or bitch of any breed at the fifteenth annual show of the Long Island Kennel Club held yesterday at the Gravesend Race Track, Brooklyn.

This is no new honor for Wire Boy, which has won this honor more times than any other dog of any breed. It is another feather in the cap of the famous Ridgeway Kennels owned by Quintard, which can lay claim to the distinction of having won more trophies offered for best in the show than any other kennel in the history of dog shows in this country.

Yesterday Wire Boy stood out as the best. After sweeping through his classes he was brought in for the best in the show. Judge George S. Thomas of Hamilton, Mass., looked the contestants over, turned for his book and marked Wire Boy's number down, giving him the honor. A number of exhibitors crowded around Thomas and asked what dog he thought next best. He laughingly replied, "Well, I was judging the best in the show, and the next best did not concern me, as Wire Boy stood out conspicuously for the best, with the probable runner up being the Irish setter, Midwood Red Jack, owned by Mrs. Walter Simmons."

In the regular foxterrier classes Wire Boy was the victor, second best going to Mrs. Roy A. Rainey's Conejo Parcel's Post. In bitches the Quintard string also acounted for the best, his famous champion Holmbury Reve going to the leading place.

Conejo Highbrow Promising.

Next to the Quintard dogs the sensational fox terrier in the show proved to be a newcomer, a puppy owned by Mrs. Roy A. Rainey. This youngster, Conejo Highbrow, the product of the mating of Conejo Parcel Post with Champion Biddy of Holyport, won as the best fox terrier puppy and captured in all half a dozen valuable trophies offered for the best dog of any breed bred by exhibitor. It is a great little terrier. With time to develop it will be able to make a strong bid for American bred honors in his division and should make many of the imported dogs look to their laurels.

Next to the fox terriers those that attracted the most attention among observers at the ringside were the Airedales. Judge William Patterson had a fine lot to pass on and he placed the Chicago dog Young King Nobbler, owned by Alex Stewart, as the best, with Martin S. Baldwin's Patrick Oorang next. In bitches Baldwin was successful with his imported Heathcote Enchantresse.

In the toy varieties a sensation was caused by the winning of Mrs William C. Thompson's newly imported Yorkshire terrier Gatenby's Armley Little Dick, which was placed over the same owner's Champion Gatenby's St. Wilfred's King, a Yorkie that heretofore had been thought invincible.

The toy dog classes were well filled in every variety. Mrs. Carl Ehlermann polled the largest entry in the show in Pekingese and placed as the winner Mrs. A. M. Hunter's Chung Chang of Alderbourn, with the best of the opposite sex Mrs. A. McClure Halley's little American bred Ouena of Llenrid.

Mrs. Kate Carlin had a fine lot of Poms to look over. In fact these classes were the largest seen in this variety at a summer show in many a day.

Albert Freeth's Supreme Surprise proved a real surprise when he went over Mrs. O. S. Lakeland's recently imported General Mite, a dog that had won at every show where he had been exhibited previously. In bitches Mrs. C. A. F. von Pfizenmayer's Dainty Ella was the leader, Jules Ferond's Beattie Biplane furnishing the opposition.

Mrs. Goldenberg Pleases.

Mrs. Samuel L. Goldenberg of Paris and New York judged the French bulldogs in a satisfactory manner. She placed as her winners dog J. Brown's Young Pourquoi Pas and reserve Frederic Poffet's La France Model's Rival. Best in bitches went to Robert A. Scott's Frenchie Victorine, and when it came for the special going to the best of the breed the dog was selected over the bitch.

The show was a complete success. The threatening weather of the early morning did not keep the number of dogs or the attendance down. Although the extreme heat of the forenoon and early afternoon made judging difficult, owing to the effect it had on some of the short nosed breeds, everything was run off on schedule and the vast number of dogs on hand were judged in due time. This is the fifteenth show run by this club and in every way it was up to its predecessors. The awards in the winners classes:

Only three men on the Bensonhurst team made much of a stand against the bowling of Birkett and Gautier. A. Lovell made top score of 29. H. L. Woodruffe added 7 and R. MacPherson ran up 10. Birkett's bowling figures were 4 for 32, while Gautier captured 3 wickets for 21. The Bensonhurst total was 94.

MURRAY SHOWS VERSATILITY.

Wins Round Robin Singles and is Victor With Behr in Doubles.

GREENWICH, Conn., May 30.—Members of the Field Club, including many prominent people of Greenwich, witnessed the finals in the invitation tennis tournament played on the club courts here to-day.

All of the matches proved interesting. In the doubles, played this morning, R. Lindley Murray and Dean Mathey beat Theodore Pell and Karl Berg, 6—2, 6—4.

This afternoon the round robin singles resulted in R. Lindley Murray winning from Behr, 6—4; from Robert Leroy, 6—3, and from Watson M. Washburn, 6—2, only one set being played in each match. Silver cups were awarded by the Field Club to the winners in each of the two events.

Lafayette Athletes Win.

EASTON, Pa., May 30.—Lafayette overwhelmed Stevens Institute of New Jersey in the dual track meet this afternoon on March Field, scoring 86 points to Stevens's 20. Geunert of Stevens won the hammer throw, the only final secured by his team. The 220 yard dash and the 220 hurdle were the prettiest events of the contest, the runners coming in in a bunch in both races. No records were broken.

RESTA AT 83 MILE CLIP WINS $12,000

Beats Next Automobile by 5 Minutes in Indianapolis 300 Mile Race.

LECAIN IS NEARLY KILLED

INDIANAPOLIS, May 30.—Dario Resta, the Italian driver, at the wheel of Peugeot car No. 17, a French creation, won the 300 mile classic at the motor speedway here to-day. Twenty-one cars started. He led his nearest competitor by more than five minutes, his time being 3:36:10.82, an average of 83.26 miles an hour. For the same distance in last year's race Ralph De Palma made the distance at an average of 90.21 miles.

Resta made only one stop for tires and gas during the entire race. Rickenbacher, in a Maxwell, set a fast clip for the speed kings the first ten laps, then dropped out with a broken steering knuckle. Aitken took the lead in his Peugeot. Resta trailed until the eighteenth lap, when Aitken stopped at the pits for a new tire. Resta whizzed into first place and kept an easy lead to the finish.

The money prize announced for the winner was $12,000. To this various sums were added by accessory companies.

The nine other cars that finished in the money were in the order named as follows: Duesenberg, D'Alene, 3:38:04; Peugeot, Mulford, 3:39:45.05; Sunbeam, Christiaens, 3:48:34.10; Delage, Oldfield, 3:49:09.10; Maxwell, Rickenbacher, 3:49:56.89; Premier, Wilcox and Anderson, 3:55:19.19; Ostewig, O. F. Haibe, 4:03:10.51; Crawford, Art Johnson, 4:03:53.10; Ogren, Tom Alley, 4:04:47.10.

Near the close of the race only twelve entrants remained. Two accidents coming close together marred the event. In recent years the Indianapolis Speedway races have been almost free from accident and when two cars struck the retaining wall it was feared that the long spell of good luck had been broken. Jack Lecain, relief Delage driver, and Tom Rooney, driving a Premier, and Jim McAlister, his mechanician, were hurt.

The Speedway officials announced that Lecain's injuries were "very serious," including probably a broken skull, back cut open, muscles torn, right lower part of abdomen injured. He was teammate of Carl Limberg when the latter was killed at the recent New York race. Tom Rooney suffered a broken hip. McAlister was seriously injured.

Lecain lost control of his car and it turned turtle. His mechanician, Bob Moore, escaped unhurt.

It had been predicted that there would be a great slump in attendance this year, but the crowd was conservatively estimated at from 75,000 to 80,000.

KRAMER WINS OPENER.

Bicycle Races Resumed in Newark With Good Contests.

NEWARK, N. J., May 30.—Frank L. Kramer, for the last fifteen years American champion cyclist, celebrated Memorial Day at the Velodrome this afternoon by winning the first championship race of the season. The day also marked Kramer's twentieth anniversary as a rider. It was a quarter mile dash and Kramer disposed of Alfred Gunda, the Australian, in the final heat. From the rear he rode around Gunda from the twelfth pole.

Kramer defeated Bob Spears in a close finish in the grand semi-finals, and Gunda lowered the colors of Alfred Goullet. In another heat Spears defeated Goullet in a dash to determine the disposition of the polnts for third and fourth places. Spears circled Goullet in the last half lap.

Kramer and Goullet were favored by the referee in the early stages of the race, as both were beaten in the first of the semi-finals. Kramer trailed Dupuy, the Frenchman, and Goullet was second to young Spencer, the former amateur. Both victors were declared to have violated the rules in taking the pole on the inside, and the heats were ordered raced again. Then Kramer and Goullet won.

Eddie Root captured the two mile handicap from the 155 yard mark and Reggie McNamara defeated Oscar Egg in a five mile tandem paced match.

MANHATTAN WINS AT CHESS.

Marshall, United States champion, on the team of the Franklin Chess Club, in the rooms of the former yesterday, New York won the annual intercity chess match from Philadelphia by the score of 10½ to 3½, with two games adjourned. The Manhattan side was at full strength and had no trouble in scoring another leg on the Reichhelm trophy, in the series for which they have now won six, lost one and drawn one.

Capablanca was pitted against S. T. Sharp, Pennsylvania State and Franklin C. C. champion. The Cuban played the black side of a Ruy Lopez and outgeneralled his adversary in the middle game. Marshall was well fought by J. Rosenthal, who at adjournment had slightly the inferior position.

Eitlinger drew their games. E. S. Jackson, the University of Pennsylvania player, alone won for the visitors. The summary:
