NEW YORK CRICKET TEAM EARNS DRAW

Both Germantown and Home Players Bat Hard in Game for Halifax Cup.

KORTLANG IN FINE FORM

A great display of batting was seen in the second game of the Halifax cup cricket series in New York, which was played yesterday at Livingston between the New York team and the Germantown eleven. The result was a drawn decision, both teams scoring heavily with Germantown having not one whit the advantage over the home representatives.

The Quakers were first at bat and it was not until H. A. Harned and W. P. Newhall became partnered that much of a stand was made. The two players carried the score from 20 to 172, when Harned was out for the meritorious innings of 47. Several other Quaker batsmen helped Newhall to run the score past the second century mark and, despite all efforts of the New York bowlers to get him out, Newhall passed the century mark and was not disposed of until he had put 112 to his individual credit. The retiring batsman scored twenty-one boundaries, two hits going clean out of the grounds which netted him six apiece. With the score at 276 for nine wickets Germantown declared its innings closed.

New York's first wicket fell at 17, but J. L. Poyer and B. Kortlang improved matters somewhat until Poyer was bowled for an innings of 17. The next stand came when B. Kortlang became associated with W. F. Keenan, Jr., and the two partners carried the total from 39 to 186 before a separation was effected. Kortlang was bowled then, but when only three runs short of the century. His innings of 97 included eleven hits to the boundary. Keenan finally was bowled for a fine innings of 60 and New York played out time, the score being 204 for the loss of six wickets.

J. H. Briggs bowled remarkably well during Germantown's long innings and was rewarded by a record of five wickets for 76 runs. The best bowling for the visitors was done by F. A. Greene, who got three wickets at a cost of 46 runs. The score:

WOULD RACE ONCE MORE.

Chapple Asks Furlough So He Can Compete at Speedway.

Arthur G. Chapple, the Brooklyn motorcyclist, expects to be a contestant in the July 4 motorcycle meet at Sheepshead Bay Speedway, although he is now mobilized with the First Armored Motorcycle Corps of the National Guard and is awaiting the command to proceed to the Mexican border.

Chapple has asked for a furlough, which, if the Motorcycle Corps remains at the Twenty-second Regiment Armory, will expire at 6 P. M. on July 4, immediately after the Sheepshead races. If, however, the corps has proceeded to the border before July 4 Chapple's furlough will expire at noon on July 7 or 8, according to where the corps is stationed.

Although Chapple's duty as a soldier comes first the fact that he had entered for the July 4 Sheepshead races before the mobilization order was issued will be taken into consideration by the military authorities, more especially because this may be Chapple's last opportunity to race in his native city and borough.

SHERMAN STARS AT BACK.

Assists Reds to Beat Whites in Polo Game at Deal Club.

OCEANPORT, N. J., June 24.—Before a large crowd of summer residents who looked on from a long line of automobiles, the Reds and Whites of the Deal Polo Club played a close and spirited polo match this afternoon, the Reds winning by a score of 7 goals to 4. One of the features was the clever playing at back for the Reds by George C. Sherman. William G. Stonebridge refereed. The line-up:

SOCCER CLUBS DOING WELL.

British Public Still Pays to See League Football Games.

LONDON, June 24.—The British soccer clubs continue to make a splendid showing with their balance sheets, quite the best so far reported being Stoke, which earned the large profit of $4,310, after paying out $1,500 entrance fee to the Football League, a fine of $1,275 inflicted by the Southern League and $2,200 given to various charities.

Blackpool made $3,505 on the season's working. The club enjoyed the services of several of the Blackburn Rovers, professionals last season, owing to the latter closing up its ground. The inclusion of the famous Rover captain, Bob Crompton, was an added attraction, which drew large crowds to the league games.

Middlesborough showed a loss of $3,400, but the club did not participate in league football and all money received from the friendly games were turned over to the charity funds. The annual report of Dumbarton of the Scottish League shows a profit of $534, which in view of the altered conditions of football brought about by the war is considered satisfactory.

CRESCENTS TIE AT LACROSSE.

Canadians Overcome Brooklyn Club's Lead in Second Period.

The lacrosse players of the Crescent Athletic Club ran into a snag at Bay Ridge yesterday afternoon. The Athletics of St. Catherine's, Ontario, were the visitors, and although the New Mooners were able to leave the field with the score tied at 5 goals all, it was only in the final two minutes of play that they were able to overcome apparent defeat.

At half time the score was 3 to 2 in favor of the Crescents. In the second period the Canadians forged ahead and led until toward the end of the game when Roy Taylor shot the tieing goal. The largest crowd of the season witnessed the game, which was played under ideal conditions.

MEADOW BROOK FIRST TEAM GETS LEG ON CUP

Beats Great Neck in Fast Polo Contest—Cardinals Are Defeated.

HEMPSTEAD, L. I., June 24.—Polo that was full of dash and go was seen on the field at Meadow Brook this evening when the first of the games for the Meadow Brook Club cups was won on field No. 1 by the Meadow Brook first team by a score of 14½ goals to 8¾ against the Great Neck Freebooters.

Great Neck had five goals by handicap and to this it added three goals in the first half, while the home four had only 6½ goals. Just before the bell sounded Von Stade sent the ball off the field and into a nest of rabbits, which jumped out and ran about the field, finally hiding in the underbrush. When the ball was thrown into play Von Stade then scored in thirteen seconds.

In the fifth chukker Von Stade again scored and was followed by Rumsey, which put the home four ahead, and from that time on to the end it kept the lead. In the seventh period Von Stade again scored a goal in thirteen seconds, which is the best time made this year at Meadow Brook.

On the second field the Meadow Brook Cardinals lost to Great Neck, 6¾ to 5½. The summaries:

Henderson Is Second in 150 Mile Race on Speedway.

DES MOINES, June 24.—Ralph de Palma in a Mercedes won first honors in the second annual 150 mile automobile derby on the Des Moines Speedway, after a neck and neck race with Henderson, who pilloted a Maxwell car. De Palma clipped off the 150 miles in 1 hour 37 minutes 14-15 seconds.

Rickenbacker, also in a Maxwell, finished third. For 140 miles Rickenbacker was two laps behind the Italian. Tire trouble put him further back. Lewis, in a Crawford, finished fourth. Milton, in a Duesenburg, was fifth.

THE WEATHER.

For western New York, fair to-day and to-morrow.

NEW YORK, June 25.—The storm from the northwestern border was broken yesterday and lost energy through the southeastward movement of the area of high pressure from the north Pacific section to a centre over the middle Missouri Valley, dividing the depression into distinct parts.

The southern portion remained over the plateau States and the extreme Southwest, while the northern half moved eastward, covering the lake regions and Ohio Valley from a centre over Lake Superior.

Over the Gulf States and the Atlantic coast the pressure was moderately high.

Showers occurred in the Mississippi Valley and lake regions and cloudiness and unsettled conditions entered the Atlantic States.

In the West the weather was generally fair.

It was cooler in the Southwest, but generally warmer in other sections.

Temperatures were six to eight degrees above the freezing point in northern Arizona and New Mexico.

In this city the day was fair to partly cloudy; warmer; wind, light to fresh easterly; average humidity, 57 per cent.; barometer, corrected to read to sea level, at 8 A. M., 30.04; 3 P. M., 30.04.

CLEVELAND SEEKS BIG MEET

Would Hold National A. A. U. Title Meet Next Summer.

Cleveland will make a strong bid to hold the A. A. U. national track and field championships at the natural amphitheatre in Brookside Park next summer, it was made known yesterday by George A. Schneider, secretary and manager of the Cleveland Athletic Club. He was sent here by Mayor Harry L. Davis of Cleveland to confer with Frederick W. Rubien, secretary of the Amateur Athletic Union.

Schneider, who is also vice-president of the Central Association of the A. A. U., informed Secretary Rubien that if the championships are awarded to Cleveland a quarter mile cinder track with a 220 yard straightaway will be built in the natural amphitheatre, where 85,000 people witnessed the final game for the Cleveland amateur baseball championship last year.

Mayor Davis, who by the way defeated Secretary of War Baker for Mayor in the last election, is a great lover of amateur athletics and outdoor sports. He already has appointed a committee to look into the matter. Schneider said that if the event is awarded to Cleveland no admission will be charged and he feels confident 50,000 will attend. The Cleveland A. C., which is an A. A. U. club, will cooperate with the city officials in making the championships the best ever held.

Schneider says he realizes that it will be a hard task to better the mark set by the Newark Celebration Committee, which is conducting this year's championships on a liberal and high scale. Secretary Rubien assured Schneider that he was in favor of having the next A. A. U. championships in Cleveland, as he felt it would help amateur athletics in that section.
