The corrected reading of the barometer (reduced to sea level) at New York on Saturday, Feb 28, 1920, at 8 AM, as reported by the United States Weather Bureau, was thirty and thirty-three hundredths (30.33) inches. This closely approximates seven hundred and seventy and three-tenths (770.3) millimetres. Captains of all vessels now lying in or near the ports of New York and Brooklyn can advantageously use the above official data for observing whether their own barometers require any considerable correction or adjustment.

Wind at Sandy Hook, 8 PM, S, 18 miles; clear; light sea. At City Island at sunset, S, fresh; clouds; no sea on account of ice.

FOREIGN WEATHER CABLEGRAMS.

GENUINE DIAMONDS
3 Carats Blue White Solitaire $239
In all the forty years we have been selling diamonds we've never put on sale a greater temptation than the blue-white 3-carat diamond rings at $239 which we offer to diamond investors in the two-day diamond sale starting TO-MORROW. We have only 47 of these diamonds, and we shall sell each one of them with the distinct understanding that if it can be bought for less than double our price, or if for any reason you are dissatisfied with your investment, bring it back WITHIN TEN DAYS and we will refund your money. Furthermore, you can wear the ring, and at any time WITHIN A YEAR you can return it and we will pay you the purchase price less 10%. Diamonds are ideal investments. They are increasing in value every year. We shall hope to add you to our list of satisfied customers TOMORROW or TUESDAY. Mail orders filled if remittance accompanies order.
