This closely approximates seven hundred and sixty-two (762) millimetres. Captains of all vessels now lying in or near the ports of New York and Brooklyn can advantageously use the above official data for observing whether their own barometers require any considerable correction or adjustment.

Wind at Sandy Hook, 8 PM, SW, 26 miles; rain, moderate sea. At City Island at sunset, SW, light breeze; thick and raining; smooth sea.

She will have a gross tonnage, with turbine engines, a speed of 16 knots and accommodation for 2,500 passengers. She will have four decks, with a lower deck added. Her dining saloons will be fitted with small tables for two, four and six persons.

BOSTON, March 16—Str Limon arrived here today with the 27 men of the crew of the Chilean str Yungai and Mrs William Mann, the captain's wife, who were rescued from their sinking ship off Cape Lookout last Saturday. The Yungai, formerly the American str Sesame, sprung a leak Thursday, when two days out of New York and sank in 24 fathoms of water. On Friday a southerly gale set in and by Saturday morning the fires were extinguished. Distress calls were sounded and the Limon responded. Captain Mann reported that the Yungai was listed at 35 degrees with the seas breaking over her, when last seen.

BALTIMORE, March 15—Str Rogo, Marjan (Jap), from Norfolk for this port, reports by wireless this AM that she was aground at Tangier.

BRISTOL, RI, March 16—Bar str Sagamore, which was driven ashore on Gaskill Island, in heavy weather last Saturday was floated by tugs today. Her hull was damaged badly and she was taken in tow for Fall River.

GUANTANAMO, March 12—The crew of a naval tug attached to the United States Atlantic fleet went to the rescue of schr Orinoco (for) from Maracaibo for Holland, when heavy seas sprung her boiler and forced her to make the nearest port in a sinking condition. The crew of the tug rescued the crew and towed the Orinoco to port, where she was beached. The navy tugs Sioux and Apache floated the vessel. The schooner is owned by August Balfor of Hamburg.

HALIFAX, March 16—The Shipping Board str Wisconsin Bridge, which lost her propeller while in mid-ocean, reached here today in tow of str East Side. The tow was picked up March 3, both ships being bound for New York from foreign ports.
